

THE CONDON GLOBE.

THURSDAY, FEBRUARY 14, 1901. THE OFFICIAL PAPER OF GILLIAM COUNTY, OREGON.

LOCAL NEWS.

J. H. Downing is on the sick list this week.

H. N. Frazer returned from Salem Sunday.

J. W. Ebbert was in from his ranch three miles north of town Monday.

If you have pictures to enlarge, take them to the Novelty Gallery.

Boys—Saturday night, February 9, 1901, to the wife of E. T. Hollenbeck, a fine son.

Mrs. Ayres, of Columbus, Wash., is here visiting her daughter, Mrs. S. E. Van Yactor.

Mrs. J. H. Downing left last Friday for Weston to visit her daughter, Mrs. Daisy Bryson.

E. W. Cooke was on the sick list for a few days last week, but was able to be in town Sunday.

Representative Miller has introduced a bill in the legislature to grant a charter to the town of Lone Rock.

Al Wright, the popular bartender in Labous' saloon, is at Portland this week on a pleasure trip. Jim Couture is working in his place.

Charlie Carter, who had about recovered from a severe attack of typhoid, suffered a relapse a few days ago due to eating a little too much.

Clarke & Frazer, who succeeded Al Henshaw in the Furniture and Hardware business, have a new ad. in this issue. Watch their space for further information next week.

Boys—Thursday morning, February 7, 1901, to Mr. and Mrs. Will Farrer, a 9 1/2 pound son. Mother and child are doing well and the father has about recovered his normal condition.

H. B. 180, introduced by Roberts, of this district, providing for the payment of outstanding scalp bounty warrants has been signed by the governor and is now a law.

E. M. Shutt, of the Heppner Times, and his brother, S. P. Shutt, of the Granite Gem, have returned from Pennsylvania, where they were recently called by the serious illness of their mother.

Joe Foss was in from upper Thirty-mile Monday. Mr. Foss has been feeding his cattle twice a day since February 1st, but says the bare ground is now beginning to show up through the snow.

Mr. and Mrs. Andrew Palmer, of Ajax, are visiting their sons, Clarence and C. S. Palmer. Mr. Palmer says the county road in his section is sadly neglected—to such an extent as to be well nigh impassable.

A bill was introduced in the House last week by Representative Miller to make it obligatory on the county court of Gilliam county to allow the sum of \$720.00 per year to the county clerk for deputy hire.

HOMESTEADERS ATTENTION!

The GLOBE will publish your final proof notices for \$2.50. You now pay \$7.50. When ready to make proof ask the Land Office officials to send your notice to this paper that you may save this money. Five dollars saved, in this way, is better than \$5.00 earned raising 40 cent wheat; it's so much easier you know. Call at this office and we will tell you all about it.

J. A. McMorris has ordered the 'phones and switch-board for the Condon telephone circuit. He expects to have the plant in operation in about two months.

School Superintendent Neal is holding teachers' examination this week. He is assisted by J. A. McMorris and Mrs. F. B. Steveng. Mr. Carter, of Monmouth, is the only applicant.

Martin Van Blarcon was in from Ferry Canyon Monday. Van reports the advent of a new son and heir at his home on the 2nd inst., which, he says, weighed 18 pounds soon after seeing the light. After weighing the boy they did not weigh Van, but his weight was estimated by the neighbors at a little over a ton.

Tom Portwood, the up-to-date saddle builder, completed a new saddle for J. H. Downing last week which is three feet, or less, from stem to stern, but which fits the rider to a nicety. Mr. Downing gave the new craft a trial trip Sunday morning, leaving town with a 50-foot lariat, but whether he was looking for slickers or railroad grades depends on anyone's note.

L. R. Price and W. A. Darling are at work this week repairing the Armory hall building, which has been somewhat racked by heavy wind storms. The building has been strengthened up and made ready for the new addition which will be built on the north side of the present structure as soon as lumber can be secured. Mr. Price has been awarded the contract for the new building, which will be 24x40.

Tommy Atkins had taken a Boer prisoner, and the two, getting friendly, talked about the prospects of the war. "You may as well give it up; you will never win," said the Boer. "Cos why?" asked Tommy. "Because we've the Lord on our side," said the Boer. "Garn," said Tommy, with great contempt, "why, we've three lords on our side, and one of 'em's made a bloomin' base of 'imself!'"

Mrs. Randle Palmer is on the sick list. Joe Trevett and Charlie Underwood were in from Papezack Tuesday.

Abbie Darling was a victim of a gripe for a few days the first of the week.

John Schriver was under the weather for a few days the first of the week.

Stamp Photos 15 cts. per doz. at the Novelty Gallery for a short time only.

G. J. Caven was in town Tuesday from Pine creek with a load of his fine apples.

Mr. and Mrs. C. W. White, who have both been on the sick list at P. H. Stephenson's for some time, were able to return home Tuesday.

In the senatorial contest at Salem the only change since last week was the transfer of Melville's strength to Judge George H. Williams, of Portland.

On account of continued and serious illness in his family, which has extended over a period of about six months, County Superintendent Neal has been unable to visit the schools of the county as he intended. Since coming to Condon to reside every member of Mr. Neal's family has been seriously ill and it has been simply impossible for him to leave home. Now that they are all on the mend, however, he expects to be able to take up this branch of his duties, which is no doubt one of the most important parts of the work.

LONE ROCK.

Sheep and cattle are still being fed. There is a case of smallpox over at Mallory's sawmill, about 10 miles east of Lone Rock.

Mr. Ranes, accompanied by his wife, went over to Spray Monday, where he has some carpentering to do.

The weather is warm and pleasant and the warm sunshine has taken most of the snow from the lowland, but the hills are well covered yet.

Rev. Clark took Father Hornerbrook to Condon last Friday morning in time to take the Arlington stage for his home at Goldendale. Rev. Walker and wife also went to their home at Olex Friday.

Mrs. R. M. Johnson returned last week from a few weeks' visit with relatives at Spokane and Wenatchee, and reports having had a pleasant visit, but thinks this country is far ahead of anything she saw in Washington.

A school teacher, whose name is Patterson, came over from Heppner the fore part of the week, and will teach a subscription school here for a couple of months or more. School will begin next Monday, with about 40 scholars.

The grade out of the valley towards Condon has been almost impassable for several weeks on account of snowdrifts. No doubt but that a good many people who travel this thoroughfare wonder why Lone Rock precinct don't have a road supervisor.

The revival meetings at the M. E. church closed last Thursday. About fifteen persons claimed conversion, while the accessions to the M. E. church was about fourteen, and to the Baptist church something like a half dozen were added, and were baptised by Rev. Fredenburg on Tuesday.

St. Valentine's Ball.

The ladies of Wallula Circle, W. of W. will give a grand ball in Armory hall February 14, the proceeds to go for the benefit of the lodge. First-class music and good management will be provided. All are invited. 47 d 49

Wallula Circle Ball.

The grand hall to be given on the evening of the 14th inst. (St. Valentine's Day) by the ladies of Wallula Circle, W. of W., promises to be one of the most enjoyable functions ever given in Condon. The ladies in charge of the affair are leaving no stone unturned to make the occasion one long to be remembered by all devotees of the terpsichorean art, and all lovers of dancing who attend are sure to be delighted.

Prof. Musgrove's superb orchestra has been engaged to furnish music for the occasion and Mr. J. R. Wells will act as prompter, which insures that nothing will be lacking along those lines. The Circle will also furnish a midnight supper in the lodge-room over the main hall where all the dainties of the season will be served.

Tickets to the ball will be only \$1.00, and supper tickets but 50c per couple. Proceeds of the evening are for the benefit of the Circle. All are cordially invited to be present. Don't forget the date, Thursday evening, February 14th.

Rev. C. F. Clapp, Supt. of the Oregon Home Missionary Society of the Congregational church, and Rev. Mr. Curran will open a series of special meetings in the Congregational church of this place next Sunday. It is expected that the meetings will continue for about ten days or two weeks. Mr. Clapp is an evangelist of the D. L. Moody type, and has had large success in many of the large cities of this coast and also in the East. He preaches a pure, straight gospel and everybody is invited to hear it. The services will commence every evening at 7:30.

Entertainment and Basket Social.

The ladies of the Latter Day Saint's church will give an entertainment and basket social at Armory hall on Thursday evening, February 21 commencing at 7 o'clock p. m. A program of choice musical and literary selections will be rendered. Baskets will be sold at 50 cents each. Admission, 25 cents. Ladies bringing baskets, gentlemen accompanying ladies with baskets and children under 14 years of age will be admitted free. All are cordially invited.

City Charter Amendment.

The bill to amend the charter of Condon appears to be "no josh." Such a bill passed the House Monday evening, and so far as we are able to learn, its object seems to be to drag politics and personal animosities into our city affairs. It is said that a petition accompanied the bill to Salem bearing twelve names, but if they are correctly reported, some of them are not citizens of Condon. The scheme was kept a profound secret from all who are outside the "ring," and serves as another example of the methods employed by the Condon political machine, whose watchword seems to be, "Destruction to every one we can't run." The bill is said to give city recorder equal powers with any justice of the peace in the county to provide for the election of the city marshal and for the cleaning of the streets. The object of the change is evidently intended to give the machine a little more pull. If it is anything else, why was the play not made open—and above board? Why were the city officials and the voters and taxpayers not consulted?

Tribute to the Memory of Mrs. Isabel Henshaw.

The angel of Death laid a heavy hand on our chapter, removing a shining link to the golden chain above, in the person of the beloved sister Isabel Henshaw.

"Toucheth there is no death! What seems so transient: The life of mortal breath Is but a suburb of the field of gray. Whose portals we call Death."

As a testimonial we offer the following tribute: "Whereas, On the 24th day of January, 1901, in the course of Divine Providence Mrs. Isabel Henshaw, late member of the Order Eastern Star, passed from the scene of her earthly labors, and the Order Eastern Star with one voice of bearing testimony to her worth. Be it "Resolved, That we recognize in Mrs. Isabel Henshaw the embodiment of cardinal virtues which characterized a high type of womanhood. As a mother and wife she was devoted, tender and true; as a friend and neighbor she was ever generous and considerate—courtesy, simplicity, honesty and virtue were the characteristics of her life—and the record she has left is worthy of emulation. As a Christian she was modest, unobtrusive and sincere. The world has need of such women and such piety. She lived her religion in the integrity and nobility of her daily life among her neighbors and friends. In her death the Order Eastern Star, the church and the city of Condon have sustained a great loss.

"Resolved, That we tender to the bereaved family in their sore affliction and unmeasurable grief our heartfelt sympathy and condolence, and that the husband has lost a kind companion, and the daughter an affectionate mother, and our Order a worthy sister.

"Resolved, That the hall be draped in mourning for a period of thirty days, and that a copy of these resolutions be entered to the Order Eastern Star for entry upon its records, and that a copy thereby be transmitted to the family of the deceased, and a copy be sent to the Condon papers for publication."

D. W. Ralston and E. A. Stinchfield a few days ago brought in 166 head of fine beef cattle from the Summit Prairie country. These cattle are for the Portland market and will be delivered next week.

Mr. Geo. Gibbons and wife left on the 9th inst. for California for a month's visit among old friends and relatives. While there they expect to visit Los Angeles, Oakland, Newark and Fresno. Miss Aggie accompanied them as far as The Dalles, where she entered the St. Mary's Academy.

Several young people from Fossil attended the entertainment and basket social given here last Thursday by the Aid Society. The amount realized from the basket sale was \$68.65. After the Society paid off the debt on the church more than half the amount remained, and they decided to add to the amount and send for a church organ.

The greatest danger from colds and la gripe is their resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided.
