NOTICE: The Oregon Southern Railway Company...

RAIL ROAD TALK

The Oregonian is authority for the statement that the Columbia Southern Railway Company is considering the matter of building a branch from Guthrie station...

It will cause a trading point to spring up at the terminus on the John Day which will supply the country tributary to it...

There were some people in some of these towns who were disposed to poke fun at the project of the people of Gilliam county building a road from Arlington to Condon...

Sherman county is reported as being out of debt, has no outstanding warrants and has \$1200 in the vaults. Sherman county also has a good courthouse which cost about \$8,000 or \$10,000.

The Ohio Democratic State Convention last week, which nominated James Kilbourne for governor incorporated some good things in its platform. It declared for equality in taxation, the initiative and referendum in municipalities so far as the granting of franchises is concerned...

The acceptance of free passes or other favors from railroads by public officers or employers shall be made adequate ground for vacating the offices held by them.

The Same Old Story. J. A. Kelly relates an experience similar to that which has happened in almost every neighborhood in the United States and has been told and retold by thousands of others.

next election. The trusts and monopolies can not be "resolved" out of power and if they ever are brought to terms it will be after the hardest fought political battle in the country's history.

The fullest-grown man is the one who lives in the widest-walled mental house and has the least ceiling overhead. The man who has the largest outlook is apt to see most Truth. He is the man whose mind is free to explore all the policies of political parties, all the creeds of the churches, all the reform theories of the so-called cranks.

THE NET WAIST GIRL

The girls this summer are to wear the net waist, a garment so gauzy and transparent that one sees every pulsation of their dear little hearts. One who has inspected these new-fangled waists turns loose as follows:
