## Humors

They take possession of the body, and to Lords of Misrule. They are attended by pimples, boils, the tching tetter, sait rheum, and other cu-laneous eruptions; by feelings of weakness, anguor, general debility and what not. They cause more suffering than anything

else.

Health, Strength, Peace and Pleasure require their expulsion, and this is positively effected, according to thousands of grateful testimonials, by

Hood's Sarsaparilla Which radically and permanently drives them out and builds up the whole system.

in its veins. Scrofula manifests itself in various forms; swollen glands about the

neck and throat, catarrh of the head, weak eyes, hip bone disease, white swelling

and offensive sores and abscesses are familiar symptoms, attended usually with loss of strength, poor digestion and pale or bloodless complexion. The skin is sometimes most dreadfully affected, eruptions breaking out on all parts of the body.

Scrofula destroys bone, tissue and flesh; no part of the human system escapes its

purity to the profoundly poisoned blood, and the rich, strong blood that is carried to the swollen and diseased glands absorbs and destroys the tuberculous deposits,

S. S. S. should be begun immediately upon the appearance of the first symptoms, or where there is a known predisposition to Scrofula.
