NOTICE

The Globe invites correspondence from all sections of this county...

BATTLE OF LABOR: WORKINGMEN'S VIEW.

The Amalgamated Association may not win their points on this heat, but it will have called the country's attention...

People—not only these striking laborers and their friends through sympathy, but millions of thoughtful, moderate, reasonable, law-abiding, taxpaying people besides—will discover...

That Morgan and company are swindling the people of this country out of tens of millions of dollars annually is becoming widely known...

They organize a corporation, under our liberal laws, with a capital stock of, say, \$1,000,000,000, put in \$250,000,000, and require all the consumers to pay prices that will yield a little coterie of these millionaires big interest...

They put a tool of theirs in the Presidential chair. They make it profitable for courts to decide their way. They defy and seek to crush labor...

Therefore the first hard work of the steel combine is to crush labor, to make it absolutely dependent and servile. For this purpose it has almost all-powerful assistants and allies...

But, let a word of warning issue and let the politicians beware. The people are going to turn the party out of power in 1904...

The only bulwark is the workingman. He is trying to stand up for his rights. He is demanding a percentage of the spoils...

The trust is working on this troublesome element in two ways; first, to crush it out of hand, but more particularly to corrupt it...

It is Macanley's prophecy going to be fulfilled? If so, its fulfillment will be wrought by the Rockefeller and Morgans, not by the Mitchells and Shaffers...

A Cure for Cholera Infantum. "Last May," says Mrs. Curtis Baker, of Bookwater, Ohio...

The strike will probably fail, for the present, but it will have results. It is about time that the moderate, average, reasonable working people of all kinds began to take some systematic measures to protect themselves...

Obituary. Mrs. Edith Miller, wife of Hon. Geo. Miller, representative from this district in the last legislature, died at the family home in Arlington, last Thursday...

Chamberlain's Colic, Cholera and Diarrhoea Remedy has a world wide reputation for its cures. It never fails and is pleasant and safe to take.

A dispatch from Penfield says that a threshing machine owned by Thomas Kerr, 22 miles north of that place, exploded recently, completely destroying the outfit...

TO CURE A COLD IN ONE DAY. Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure...

W. R. Townsend, who was called to Mayville last week by the death of his daughter, Mrs. J. N. Jones, was in town Saturday on his way to his home near Woodburn...

A YOUNG LADY'S LIFE SAVED. At Panama, Colombia, by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Dr. Chas. H. Utter, a prominent physician, of Panama, Colombia, in a recent letter states: "Last March I had as a patient a young lady 18 years of age who had a very bad attack of dysentery."

An old negro in a Kansas town arose in prayer meeting and said: "Brederin and sistern; I been a might mean nigger in my time. I had a heap er ups and downs—specially downs—since I jined de church. I stole chickens and water-millions, I cussed, I got drunk, I shot craps, I slashed udder coons wif ma razor, an' done a sight er udder tings, but tank de Lawd, brederin an' sistern, I neber lost ma 'ligion."

What most people want is something mild and gentle when in need of a physic. Chamberlain's Stomach and Liver Tablets fill the bill to a dot. They are easy to take and pleasant in effect.
