

THE CONDON GLOBE.

THURSDAY, OCTOBER 24, 1901.

THE OFFICIAL PAPER OF GILLIAM COUNTY, OREGON.

LOCAL NEWS.

Ola Probst has moved his family to town.

John Downing returned from Portland Saturday.

H. N. Kraser returned Friday from a business trip to Portland.

Charlie Baker will build a residence in town this fall.

Misses Drucila Cooney and Marie Smith visited friends in town Sunday.

A. A. Carothers, the gold medal apple man of Rock creek, is in town this week.

Mrs. Wm. Musgrove left Monday for Seattle to visit friends and relatives.

John Stitt is having lumber delivered for a new residence in the south part of town.

Lumber is being hauled for a new residence for Mrs. E. J. Lancaster on the west side.

Miss Carrie Damsman, of Clem, was the guest of Miss Dora Downing during the week.

John F. Pinkham came in from his ranch Sunday. He has not yet fully recovered from his late accident.

G. Schilling was in town Saturday looking over town lots with a view to purchasing a location for a home. He may build here in the near future.

J. E. Lancaster has sold 4 lots to J. K. Fitzwater and 2 to H. F. Downer within the last few days. He also has deals ready to close with a number of other parties for town property.

W. E. Bonner left Tuesday for Clarno, Wheeler County, where he will work for awhile for Chas. Hilton. He ordered the things sent to him to that address. He must have the home news you know.

A pleasant party was given at the residence of Prof. and Mrs. W. R. Neal Tuesday evening, the occasion being in honor of the 16th birthday of their daughter Miss Jennie. About 20 guests were present.

Mrs. Clara Marson, of Burns, Grand Worthy Matron of the O. E. S., made an official visit to the local lodge of that order Saturday evening. An elegant repast was served after the lodge work was disposed of.

J. R. Clark has sold his house and 4 lots here to Fred Wilson for \$800. Mr. Clark expects to locate at Hood River where he has made a deal for a 19 acre tract of fruit land 10 acres of which is in orchard. We wish him well in his new home.

The Antelope Republican has ceased to exist. The paper was started in a field already well filled by the Herald and its early passing to the grave "unwept, unhonored and unnamed" was to be expected. The graveyard set apart for such fool journalistic enterprises is not full yet.

Mr. and Mrs. Charlie Pinkham have returned from Pine creek where they visited her parents. Mrs. Pinkham was quite ill while there. Charlie went hunting for bear and deer in the mountains of Wheeler county and got grouse and coyotes. Such is life.

Mr. and Mrs. W. A. Buchanan, of Corvallis, who are visiting her sister, Mrs. F. Adlard, of Ajax, were in town Monday in company with Misses Lulu and Minnie Adlard. Mr. Buchanan is county treasurer of Benton county. They expect to leave for their home some time next week.

Mr. and Mrs. B. K. Searcy returned from Arlington Tuesday with Mr. and Mrs. M. E. Weir. Mr. Searcy has been under Dr. Ruedy's care for two weeks and thinks he is on the high road to complete recovery. He has been suffering from eczema all summer. His many friends will be glad to hear of his recovery.

The Globe should show a marked improvement now for it got a new head last Friday. It is a cabbage head and one of the finest specimens ever grown in grand old Gilliam. The donor is a modest man and swore to not give his name. He is the boss cabdriver of this region, however, and the first letter of his name is Alex and he is no Dutchman either.

Al Henshaw returned from Portland Saturday. He saw the whole show and made a record talking "Chinook" to the noble red men who were star attractions at the Carnival. Some of the Portland people thought Mr. Henshaw was about to incite a mutiny among the savages and were almost ready to call out the militia. Al will have his fun even in Portland. He knows all the Swashes in the northwest and talks "Chinook" like a Hudson Bay Co. man.

The Prof. Ryerson aggregation of Royal entertainers gave one of their fake shows here last week. At least nearly all of the audience called it by that name when they went home. Condon people are good show goers and they don't kick on any old show if the price is in keeping with the entertainment, but 4-bits for Prof. Ryerson's kind of goods was a little steep. The old gags had whistlers a yard long and the hypnotic work was of the 15 cent brand. A full house greeted them the first night but the crowd was slim the second night.

A Fossil man who was helping drive a band of horses through to Arlington the other day rode into Springtown & Roger's barn to feed his horse at noon and when he pulled the saddle off his watch fell to the floor. He had lost the watch at Fossil that morning. An imprint on the horse's back showed that the watch had laid under the saddle blanket all forenoon. The time piece was still running but the crystal was broken. The owner supposed it dropped from his pocket and landed on the saddle blanket when he scolded his horse that morning and thus got into its strange position.

Railroad Survey.

Work was resumed on the railroad survey last Friday and the line has been continuously coming Condonward since that time. Nothing unforeseen arising it is believed the surveyors should reach town today or tomorrow. The line follows the wagon road pretty closely from the top of the ridge this side of Clam to a point about 4 miles north of town where it swings east, to avoid bad ground, touching a corner of the Cooke ranch and then swinging west on the ridge leading to the cemetery. We understand that a good grade has been secured the entire distance.

Messrs Moore and Elrod, of Moro, the promoters of the enterprise, arrived in town yesterday and stated to a Globe representative that they expected to start out this morning to secure right-of-way on this end of the line. Condon's railroad proposition begins to look rosy.

Mr. and Mrs. F. B. Stevens were in from their home on Thirty-mile Sunday.

Rundie Palmer has almost recovered from the effects of the shooting last week. Striver was held to the circuit court in the sum of \$950 bail.

Jim Cameron, the well known sheepman, came in from the mountains Tuesday evening where he has been all summer looking after his sheep interests. Mr. Cameron says this has been the dryest summer he has ever seen in the mountains and that the sheep are coming out in poorer condition than he has seen them before at this season.

Mr. and Mrs. R. De Neul were in from Ferry Canyon Friday. Mr. De Neul recently finished a 40 day's run with A. Myers' horse-power Russell thresher making an average of about 400 sacks a day. This run was made without losing a single cylinder tooth and Mr. De Neul would like to know who can beat the record. The big steam outfit can make a higher average but Mr. De Neul is a bit proud of the run made without mishap or accident.

A new remedy for biliousness is now on sale at Hudson's Pharmacy. It is called Chamberlain's Stomach and Liver Tablets. It gives quick relief and will prevent the attack if given as soon as the first symptoms of the disease appears. Price, 25 cents per box. Samples free.

Cupid's Cunning Capers.

Cupid, the little rascal, made a vigorous campaign in this region last week and an even half dozen willing victims fell before his sugar tipped darts.

Following is the list of casualties:

At the home of the bride's parents, on Rock creek, Wednesday the 10th. inst., Orren Briens, of Eightmile, and Miss Annie Wallace, of Rock creek.

At the Condon hotel, in this city, Thursday, the 17th. inst., John West and Miss Uzzetta Fink, both of Olex. Judge George Neale, representing Cupid, acted as lord high chief executioner and said the words that made two one.

At the residence of Mr. and Mrs. Arthur Myers, at Ferry Canyon, Thursday, the 17th. inst., Edgar Bruce Euyard, of Fossil, and Miss Pearl Birdal, of Ferry Canyon Judge Neale again officiated and made two more fond hearts happy. A large number of invited guests were present to witness the ceremony and to enjoy the generous hospitality of the Myers household, which was exemplified on that occasion by an elegant wedding dinner. In the evening the young people of the neighborhood were entertained by a dance which was highly enjoyed. Musgrove's orchestra furnished excellent music.

The Globe extends heartiest congratulations to all these happy victims of Cupid's cunning capers.

When you have no appetite, and do not relish your food and feel dull after eating you may know that you need a dose of Chamberlain's Stomach and Liver Tablets. Price 25 cents. Samples free at Hudson's Pharmacy.

Eggs Wanted.

J. L. Schriver will pay the highest cash price for fresh eggs and guarantees his customers that he will make this offer good at all seasons of the year. He has arranged to ship all surplus eggs to Portland whenever the market is overstocked. See him at Cafe De Schriver.

Portland catalogues do not beat Clarke & Frazer's prices.

Stricken With Paralysis.

Henderson Grinnett, of this place, was stricken with partial paralysis and completely lost the use of one arm and side. After being treated by an eminent physician for quite a while without relief, his wife recommended Chamberlain's Pain Balm, and after using two bottles of it he is almost entirely cured.—Geo. R. McDonald, Man, Logan county, W. Va. Several other very remarkable cures of partial paralysis have been effected by the use of this liniment. It is most widely known, however, as a cure for rheumatism, sprains and bruises. For sale by Hudson's Pharmacy.
