New subscribers received recently are: Wm. Davenport, Mayville; Jack Campbell, Condon; A. J. Stahl, Lone Rock; Clarence Palmer, Shaniko; Henry Caendet, Otis Propst, I. Pryor, Condon; J. I. Sharp Mayville and renewals too numerous to mention. The Globe is recognized as the leading paper of Gilliam county by the reading public as well as by advertisers.

Albert Stahl was over from Lone Rock Saturday. Mr. Stahl left a sample potato at this office which is the finest the writer has yet seen in Eastern Oregon. The tuber is 13 inches long about 4 inches through, weighs about 4 pounds and is as smooth and solid as a pick handle. While in town Mr. Stahl had his measure taken for a full suit of the Globe—52 issues.

Jack Campbell came in from the mountains last week where he has been all Summer with Mrs. Mary Brown & Son's sheep. Mr. Campbell was in the Sumpter district and says while that town is rather quiet that mining development is going on in good shape in the district. One of the first things he done after reaching Condon was to have his name placed on the Globe list for a year's subscription.

W. G. Flett was in town Friday from Rock creek and while here made a pleasant call at this office. Mr. Flett is engaged assisting Government Agent Keepers who is locating the Columbia River Indians on their land which is given them in severalty by the government. Every member of the tribe, big and little, is entitled to 160 acres. Mr. Flett thinks there are about 500 members of the tribe, all bold and says they are scattered along the Columbia from Umatilla to the Cascades.

A dance was given at Mayville Friday night. A pleasant time socially is reported but only a small crowd was present. The Globe is the best advertising medium in the county to call the attention of the public to the fact that a dance or any other old thing is about to be pulled off. The Globe has the best circulation in the county and its subscribers are all willing ones; it is forced on no one and the people all read it because they want to. It's job department turns out work that people read to. Don't forget this.

BY HIS OWN HAND

County Commissioner Wm. R. Boyer Seeks Death. Victim of Ill Health and Despondency.

County Commissioner Wm. R. Boyer committed suicide at his home near Clem, at an early hour yesterday morning, by shooting himself with a double barreled shotgun. The charge took effect in the lower part of the forehead, between the eyes, and came out near the crown. Death ensued in about two hours. Deceased had been afflicted for several years with epilepsy but until recently the attacks were infrequent. Several months ago he went to an Eastern Sanitarium for treatment but failed to receive any help and since his return home the trouble seemed to grow worse. He had a number of attacks within a few days and it is supposed the deed was the result of despondency. Clarence Flanders and Jacob Schroeder had been sitting up with him during the night and at ten minutes before six they went to his room to ask him what he would like for his breakfast. He replied that he did not want anything. The boys then went to the kitchen to make a fire and a few moments later a shot was heard in the bedroom. They were frightened fearing that he was in an irrational condition and might harm them. They ran to the stable to get a horse to go for help when they heard a second shot. When help arrived Mr. Boyer was found lying on the floor in a room adjoining the one occupied by him as a bedroom. The first shot had been fired in his bedroom but had missed. He had then, presumably, come in to the next room secured another cartridge, loaded the gun and fired the fatal shot. From the circumstances it would appear that the act was premeditated. He seemed rational on Tuesday and transacted considerable business. He sold some stock during the day and in the evening gave what money he had to Clarence Flanders, a boy who worked for him, with instructions to give it to his brother E. R. Boyer as soon as he came.

Mr. Boyer was highly respected as a citizen. His term of office would not have expired until July 1 1904. He leaves two brothers on this coast, one at Farmington, Washington and one at Oregon City. His parents reside in Indiana of which state he was a native. Justice of the Peace Neale was notified and as acting coroner went down and held an inquest the jury returning a verdict in accordance with the facts above stated.

A new remedy for biliousness is now on sale at Hudson's Pharmacy. It is called Chamberlain's Stomach and Liver Tablets. It gives quick relief and will prevent the attack if given as soon as the first symptoms of the disease appears. Price, 25 cents per box. Samples free.

When you have no appetite, and do not relish your food and feel dull after eating you may know that you need a dose of Chamberlain's Stomach and Liver Tablets. Price 25 cents. Samples free at Hudson's Pharmacy.

Stricken With Paralysis.
Henderson Grinnett, of this place, was stricken with partial paralysis and completely lost the use of one arm and side. After being treated by an eminent physician for quite a while without relief, his wife recommended Chamberlain's Pain Balm, and after using two bottles of it he is almost entirely cured.—Geo. R. McDonald, Man, Logan county, W. Va. Several other very remarkable cures of partial paralysis have been effected by the use of this liniment. It is most widely known, however, as a cure for rheumatism, sprains and bruises. For sale by Hudson's Pharmacy.

Our Mayville correspondence was unavoidably crowded out this week.
