## THE CONDON CLOBE TURSDAY, NOVEMBER. 14, 1901.

SOTA É. NUTRY: The disting lattice correspondence first all maining and diffusion county. We aim to make inits party the landing to be included in the restanty and for the out, risends, for assist us by restants and the lattice and their restarts for particulations in the news of the lattice and which that no since the new of even that is and which the news of news lattice and the interval of the news of news lattice and which the news of news lattice and the news numbers.

Last week we charged the Weak- members of that party waived their ly of either ignorance of common rights in the matter not only by political courtesy or unfairness in got naming a democrat for the making its nominations for county position but also by signing Mr. commissioner. As is customary Moors' polition, the compty court with that outfit they did not at- had no other course left open but tempt to deny or refute the charge to appoint Mr. Myers. Commisbut came back with their usual sioner Dyer strongly favored the amount of personal abuse and an appointment of a democrat as comawkward insinuation that the edi- mon political courtesy but yielded tor of this paper was a seeker to the expressed wish of many after appointment to that office, members of that party. The dem-Members of the Coulon political ocratic brethren should have no ringare the only people of whom kick coming for many moons bethe GLOBE has ever heard who sus- cause of any lack of representation pect the editor of this paper of be- in the county , court. A leather ing an aspirant for county office or medal all around would not be out any other kind of an office seeker. of place.

We have known for a long time that this awful fear has been a While the Weakly is worrying -nightmare to some of them and about the "patent medicine" adverhave had very good reason to be- using which the GLOBE carries it lieve that if the writer had seen fit should remember that these large to give them assurance two years advertisers place their business ago that he never would set foot only in newspapers of general and in the political path which they bona fide circulation. Their busihave trod so long and seem to love ness is not figured on the same so well and which they seem to basis as is that of The Dalles land claim as theirs by divine right, but office that hands out its patronage instead that he would devote his to pet political parasites without "time and talent and newspaper regard to circulation or the cost of • you may expect to see prices • space to boosting these overworked advertising to land claimants.

public servants back into the dearly beloved offices, that the attempt OPENING THE COLUMBIA, to rain him Shannially, to "run him A recent editorial in the Seattle out of town," to "put the GLOBE Post-Intelligencer under the capout of business" and all the petty tion "Expenditures for the Columpersecutions to which he has been bia" is of interest to every resident subjected , would never have been of the great Inland Empire The made. In order to relieve the article points out that, so far as strain to which these thin skinned the interests of the producer in the ringsters seem to have been sub- above named section is concerned, jected, however, we will state thus the question of a deep channel bepublicly that we are not now and tween Portland and the sea cuts . have better transportation never have been a seeker after but little figure, but that his main

office in Gilliam county. Not but interest lies in the opening of the what we believe that the editor of river to navigation on its upper the GLOBE, or any other citizen reaches in order to give the prohas as good, if not a better, right to ducer the benefit of water rates as seek and hold public office, if they against the exorbitant rail rates ant it and can get elected, than which now prevail. The article though they had been holding also points out that, as a matter of office and feeding at the public crib fact, the city of Portland is about for 40 years. While we recognize the only part of Oregon which is the fact that there is much rotten- benefitted by lower improvements, ness in American politics we are under present upper river condinot yet prepared to believe that tions, and also that Portland conoffice holding has become an inher- trols, and always has controlled, ent right to any individual in Gil. the entire Oregon delegation in liam county. The name of the Congress.

The GLOBE congratulates the ۰ people of this county on the appointment of W. S. Myers as coun-CITY ty commissioner. Mr. Myers is an upright, respected citizen, a successful business man and is well LOTS qualified to fill this important position most creditably. This paper has maintained that the democrats FOR were entitled to that appointment and it still thinks so but when the

SALE. Having recently secured the Condon Townsite from the Arlington National Bank, I beg to announce to the public that I will offer a limited number of choice residence and business locations at the old scale of prices. I do this to accommodate a number of persons who were about to close deals for the purchase of lots at the time the property was taken from the market a few weeks ago by the for-

mer owners.

NOW IS THE TIME to secure BARGAINS in Condon real estate. If you wait until the railroad reaches Condon double up rapidly. Condon is now one of the best business points in Eastern Oregon and with the wonderful resources of the country

still practically undeveloped. it is sure to continue to grow in population and wealth. This section is bound to facilities in the near future and Condon seems destined

to become the terminus of such a road. Now is the time to get on

Great Luck Of An Editor.

"For two years all efforts to cure Eczema in the palms of my hands failed," writes Editor H. N. Lester, of Syracuse, quality? Kan., "then I was wholly cured by Bucklens Arnica Salve." It's the world's best for Eruptions, Sores and all skin discases, only 25 cents at Condon Pharma cy

A newspaper that will publish a straight expression of editorial opinion, set in long primer type and printed as a leader at the top of its editorial column, in one issue and then in its next issue go back on its self by claiming that it was a "news item" would give almost any inteligent being "abdominal pains." We would suggest that the Weakly would do well to secure a dozen bottles of Chamberlain's Colic remdy and furnish a bottle free to uch of its handful of readers. It ight save them from much sufferby so doing.

That Throbbing Headache. Yould quickly leave you, if you used De King's New Life Pills. Thousands infferers have proved their matchless it for Sick or Nervons Headaches. They make pure blood and build up your health. Only 25 cents. Money back if eured. Sold by Condon Pharmacy
