

THE CONDON GLOBE

THURSDAY, NOVEMBER 21, 1901.

NOTICE

The Globe invites correspondence from all sections of the county. It is also to be noted that the leading news columns of the county will be given to the writer, and the writer will be held responsible for the publication, but as an evidence of good faith, and the editor assumes responsibility for opinions expressed by correspondents.

GET IN YOUR ANTE.

"Judge not that ye be not judged." "Thou hypocrite, first cast out the beam out of thine own eye; and then shalt thou see clearly to cast out the mote out of thy brother's eye."—Matthew, VII, 1 and 3.

Propos to the big howl which the Weekly is trying to make in regard to the nomination and election of a democratic county treasurer during the last county campaign, it might be in order for the Weekly to explain that little matter which came up so suddenly in the last republican county convention over the nomination of a candidate for the same office.

How did it happen that Keissacher, who was currently reported to have practically all of the convention pledged to him when that body adjourned for noon, arise in his place just after noon and decline the nomination just before the ballot was taken and just after Barker was nominated? Did Barker "run a whizzer" on him during the dinner hour and threaten to get his pack saddles repaired and his tugs mended at some other shop and intimate that no Dutchman could inherit the kingdom of heaven, in the republican camp, who dared to hunger and thirst after the county treasurership? Was Barker such a big political boss that the postmaster simply had to lay down four aces to a jack high or was the P. M. so wise as to read the handwriting on the wall to the effect that the next county treasurer was to be a democrat?

The Weekly will please answer these queries in its next effort for the information of a large and respectable wing of the republican party who are not posted on ring history and methods. The Globe don't ask for its own benefit; it's a pretty good guesser itself.

Further: In regard to our "multi-colored political record," Weekly, it is open to inspection. So is our business and official and social record. If we have sold out a political friend or repudiated a debt or misappropriated a public fund or wrecked and ruined an innocent young life dig it up and publish it.

May we do the same with all the backers and attaches of the Weekly? We pause for an answer.

We may have a whole deck up our sleeve. Get in your ante or quit the game.

That Throbbing Headache.

Would quickly leave you, if you used Dr. King's New Life Pills. Thousands of sufferers have proved their matchless merit for Sick or Nervous Headaches. They make pure blood and build up your health. Only 25 cents. Money back if not cured. Sold by Condon Pharmacy.

The circuit court of Marion county has refused to grant a restraining order against the county court in the matter of having the county books expurgated. The county officials demurred to the action of the county court in employing experts to examine the books but the higher court says the work must be done. The experts will begin their work in a few days.

Great Luck Of An Editor.

"For two years all efforts to cure Eczema in the palms of my hands failed," writes Editor H. N. Lester, of Syracuse, Kan., "then I was wholly cured by Bucklen's Arnica Salve." It's the world's best for Eruptions, Sores and all skin diseases, only 25 cents at Condon Pharmacy.

SCHOOL NOTES

BY R. SPRINGSTON, Editor

The Literary Society met Friday afternoon. A very interesting program was rendered by the seventh grade. Owing to stormy weather but few visitors were present. The sixth grade will have exercises tomorrow (Friday).

Fred Anderson and Luis Keisar are still absent on account of sickness.

Among the new pupils enrolled during the past month are: Tala King and Floyd Moore in the intermediate room and Charlie Rice and Nora Wallace in the principal's department.

There are now 147 pupils enrolled. Of these 50 are in the principal's room, 22 in the intermediate and 45 in the primary.

The attendance is much better than last year, averaging about 125 daily, and but few cases of tardiness have been reported. Most of the pupils seem to take great interest in the school.

Miss Halstead is still unable to take charge of her room owing to the fact that she has suffered a relapse of the fever and Miss Belle Wilson is still in charge of that department.

Jumped on a Ten Penny Nail.

The little daughter of Mr. J. N. Powell jumped on an inverted rake made of ten penny nails, and thrust one nail entirely through her foot and a second one half way through. Chamberlain's Pain Balm was promptly applied and five minutes later the pain had ceased and no more suffering was experienced. In three days the child was wearing her shoe as usual and with absolutely no discomfort. Mr. Powell is a well known merchant of Forkland, Va. Pain Balm is an anti-septic and heals such injuries without maturation and in one-third the time required by the usual treatment. For sale by Hudson Pharmacy.

Miss Mabel Halstead has had a relapse of the typhoid.

Mrs. Henry Cuenet, who has been down for some time with typhoid, is improving slowly.

Chamberlain's Stomach and Liver Tablets cure biliousness, constipation and headache. They're easy to take and pleasant in effect. Sold by Hudson Pharmacy.

Monthly Report I. S. S.

The following is the report of Highland Branch, International Sunbath Society, of Olex, for October:

Letters written 15, 1 roll reading matter sent out, baskets bought of an invalid, canceled stamps sent to a cripple and reading matter and a birthday book sent to a cripple.

New members received are: Mrs. Agnes and Ellen Palmer, of Ajax and Miss Nora Miller, of Olex.

Our recent sale was not the success we had hoped it would be but we have faith that the members will all donate something for Christmas work. Christmas cards etc. and postage stamps will be acceptable. Donations may be left at Otis Propst's shoe shop in Condon.

Members will please remember our regular meeting on the first Sunday of each month. Will meet at home of the president in December.

Our motto is:

"Have you had a kindness shown? Pass it on."

"Was not meant for you alone, Pass it on."

So if we have something not needed, we should send it to some afflicted person and let friendly greetings be passed on.

ANNA WESTER, ELLEN R. PROPST, Secretary. President.

When you feel that life is hardly worth the candle take a dose of Chamberlain's Stomach and Liver Tablets. They will cleanse your stomach, tone up your liver and regulate your bowels making you feel like a new man. For sale by Hudson Pharmacy.

SCHOOL STOCKINGS—For boys and girls. We have a double neck stocking that is guaranteed to resist wear and tear as bravely as good material and workmanship can. They are the cheapest you can buy for your boy or girl. The celebrated "Iron clad" brand. For sale by P. H. STEPHENSON.

CITY LOTS FOR SALE.

Having recently secured the Condon Townsite from the Arlington National Bank, I beg to announce to the public that I will offer a limited number of choice residence and business locations at the old scale of prices. I do this to accommodate a number of persons who were about to close deals for the purchase of lots at the time the property was taken from the market a few weeks ago by the former owners.

NOW IS THE TIME to secure BARGAINS in Condon real estate. If you wait until the railroad reaches Condon you may expect to see prices double up rapidly.

Condon is now one of the best business points in Eastern Oregon and with the wonderful resources of the country still practically undeveloped, it is sure to continue to grow in population and wealth.

This section is bound to have better transportation facilities in the near future and Condon seems destined to become the terminus of such a road.

Now is the time to get on the band wagon without using a step-ladder.

I will also conduct a general real estate business. List your property with me.

Pullman Ordinary Sleepers

The tourist travel between the East and the Pacific Coast has reached enormous proportions in the last few years, and calls for a special class of equipment. To meet this demand the Pullman Co. has issued from its shops what it technically calls the "Pullman Ordinary Sleeper." These cars appear similar to the regular sleepers being built on the same plan, but not furnished with the same elegance. They are equipped with mattresses, blankets, sheets, pillows, pillow-cases, towels, combs, brushes, etc., requiring nothing of the kind to be furnished by the passenger. Each car has a stove for making tea and coffee and doing "light housekeeping," and each section can be fitted with an adjustable table. A uniformed porter accompanies each car, his business being to make up berths; keep the car clean, and look after the wants and comforts of the passengers. In each of the trains which are dispatched daily from Portland by the O. R. & N. Co. is to be found one of these "Pullman Ordinary Sleepers".

The car attached to the "Chicago-Portland Special" goes through to Chicago without change, and the one in the "Atlantic Express" runs to Kansas City without change. Passengers in this car for Chicago change to a similar car at Granger.

Much of the first class travel is being carried in these cars, the rates being lower, and the service nearly equal to that in the palace sleepers.
