

# THE CONDON GLOBE.

THURSDAY, JANUARY 2, 1902.

THE OFFICIAL PAPER OF GILLIAM COUNTY, OREGON.

## LOCAL NEWS.

School reopened Monday morning. G. W. Rinehart returned from Seattle Tuesday.

Mr. Becker is building a residence on the West side.

Wheat again reached the 60 cent mark at Arlington last week.

Elder Swift will hold service here next Sunday at 11:00 A. M. and 7:30 P. M.

The ball last evening was attended by a large crowd and a most enjoyable evening was passed.

Al E. Markham's New York Theater Company held the boards at Army hall Saturday night.

Mr. Hollen has moved his family to town. They are occupying the Nelson property on Spring Street.

Mr. and Mrs. Geo. Schott, of Rock creek, and Mrs. Schott's brother, Mr. Yelton, of Portland, visited friends in town during the week.

Dr. Shaw, of Fossil, was here Friday on a business trip. He expects to leave soon for his old home in Nova Scotia where he will locate permanently.

W. L. Wilcox and family spent Christmas at their ranch and at C. T. Pinkham's and N. D. Cavin's in Ferry Canyon. They returned to town Sunday.

The Christian Endeavor society held their regular bi-monthly social at G. G. Parman's residence Northwest of town Friday evening. A very pleasant evening was spent.

The entertainment which was announced to be given at the Saints church New Years Eve was postponed for various reasons until Saturday evening January 4th. All are invited.

Mr. and Mrs. J. W. Clark brought in their two-year-old baby Friday evening for medical treatment. The child was suffering from convulsions brought on by stomach trouble. Dr. Wood prescribed for the little sufferer and it was much better Sunday morning.

W. A. Cummins, representative of the Mutual Life Insurance Co., who has been here for some time in the interests of his company left Saturday for a visit with his family in Portland. Mr. Cummins expects to move his family here in the Spring and locate permanently in Condon.

Mr. Hollen received a letter Sunday from his partner Mr. Marquardsen, who left here for the East nearly three weeks ago to purchase machinery for the new flouring mill. The letter was written from Newton, Kansas, and stated that the mercury registered 10 degrees below zero at that place.

Marion Lamberson, who was called here last week by the death of his father left for his home in Columbia county Tuesday morning. Mr. Lamberson is engaged in the fishing business there and has secured control of a small lake which he has stocked with small catfish. He has just started in the business which he believes has great possibilities in the way of financial success.

About 150 guests were present at the residence of Mr. and Mrs. Alex Hardie Christmas evening to join in celebrating the 20th anniversary of their marriage. A number of Condon people were present and all report a most enjoyable time. That Trail Fork country is proverbial for its hospitality and good cheer and its people are known as royal entertainers.

Manley Keizer was in town yesterday to swear out a warrant for the arrest of Frank Glazier who borrowed a horse and saddle from him several days ago but returned in three hours. He failed to show up again hence the warrant. Yesterday afternoon Glazier returned with the horse and reported that while in Ferry Canyon the horse got away from him and he had all kinds of trouble getting hold of it again. All's well that ends well.

Herbert Halstead, manager of the Lost Valley Lumber Co. is in town having closed down for the winter. Mr. Halstead says he has cut more lumber the past season than during any other season in the history of the mill the season's run aggregating in round numbers 1,000,000 feet. Lost Valley is the place where most of Gilliam county people buy their lumber and the indications are that the demand next season will be much greater than ever before.

Wallula Circle W. of W. at their last regular meeting elected the following officers to serve the first half of 1902: Mrs. Manley Downing, Worthy Guardian; Mrs. C. W. Crossfield, Advisor; W. L. Wilcox, Magician; Miss Mary Maddock, Banker; Mrs. Goldie Stephenson, Clerk; Miss Stella Darling, Captain of Guards; Miss Louella Maddock, Attendant; Mrs. Lucy Darling, I. S.; P. H. Stephenson O. S.; Mrs. W. L. Wilcox, Manager. The Wallula Circle has entered upon a flourishing period of prosperity.

Pursuant to a notice published in these columns the Scotch citizens of Gilliam Co. met Dec. 28 at the office of L. W. Darling in Condon. It was an earnest and enthusiastic meeting, and they organized the Gilliam County Caledonian Club with 19 signatures to start with. Jas. Cameron was elected as Honored Chief, John Jackson, first Chief, A. L. Duthie, Treasurer, and Wm. Christie, Secretary. Geo. Hardie, John Dysart and Geo. Martin were elected directors. A committee was appointed to consider the advisability of getting up an entertainment in Condon. The committee is now at work. It was decided to have some exercises in honor of Burns on Jan. 25th and perhaps an entertainment later on.

## A Night Attack.

Members and friends of the Saint's church celebrated New Year's Eve in a peculiar and pertinent manner. About six o'clock the congregation gathered and, under cover of the darkness, the men and boys stole out and made a most vicious attack upon the wood pile of Grandma Billings. Saws and axes made merry music and the boys and girls corded the wood as fast as the men could split it. From there they went to Mrs. M. J. Rice's back yard and treated her cordwood in the same cruel manner and then with malice aforethought they went to Mrs. Alie Balding's and went through the same performance. At 9 o'clock they repaired to the church where an elegant lunch was speedily put out of sight and then a social jubilee filled in the time until shortly before midnight when a short watch meeting was held. It was a pleasant profitable evening.

## Telephone Meeting.

The stockholders of the McMorris Telephone System met at the office of L. W. Darling Saturday to consider the good of the order. All the lines which connect at Condon were represented. The meeting decided to allow Mr. Jackson 5 cents for each "plug" at Central during January and W. S. Myers was appointed to receive bids for doing central work after February 1st. Persons talking from one circuit to another will now pay 5 cents for each talk during January.

## A Cure for Lumbago.

W. C. Williamson, of Amherst, Va., says: "For more than a year I suffered from lumbago. I finally tried Chamberlain's Pain Balm and it gave me entire relief, which all other remedies had failed to do. Sold by Hudson Pharmacy."

## Please Pay Up.

On January 1st statements of account were sent out to all of our subscribers who are a year or more in arrears. We could think of no more appropriate New Years souvenir to send to our friends and patrons and hope they will be received in the same spirit in which they were sent and that our patrons will recognize the fact, as we recognize it, that it takes money to do business even in a print shop. The printer pays his bills and enjoys a light heart and sound slumber and he wants to see every body else equally happy.

Happy New Year to all. Please dig up and look pleasant.

## It Girdles The Globe.

The fame of Bucklin's Arnica Salve as the best in the world, extends round the earth. It is the one perfect healer of Cuts, Corns, Burns, Bruises, Sores, Scalds, Soils, Ulcers, Felons, Aches, Pains and all Skin Eruptions. Only 50c at Condon Pharmacy.

## About Registration.

Everything is in readiness at the county Clerk's office to commence the registration of voters next Monday, January 6th 1902. Under the provisions of the registration law the books shall be opened on the first Monday in January and close at 5 o'clock P. M. on May 15. Voters will find it more convenient to register before the clerk when they happen in the county seat on other business between the above dates, than to register in their own precincts by using the registration blanks. The Clerk gets no extra pay for this work and it will be found much more convenient all around to register here. All registrations sent in on blanks costs the county 10 cents each.
