FOR CONGRESSMAN.

In the republican convention, in session today, the greatest interest will center around the contest for delegates to the congressional convention which meets in Portland April 1st. The Globe believes that a majority of the republicans of this county favor nominating and electing a man to represent this district in the lower house of Congress who has sufficient ability to properly represent them in that body.

DIRECT LEGISLATION.

The proposed amendment to the constitution of Oregon, known as the initiative and referendum, which will be voted on at the State election next June is of the greatest importance to the people of the state. The proposed amendment if accepted, will take the law making power out of the hands of legislative and partisan rings and place it in the hands of the people where it rightly belongs.

Between the hours of eleven o'clock a. m. and closing time at night on Jan. 25, 1901, A. F. Clark, druggist, Glade Springs Va, sold twelve bottles of Chamberlain's Cough Remedy. He says, "I never handled a medicine that sold better or gave better satisfaction to my customers."

PINCHBECK DEMOCRATS.

What kind of democrats are these Congressmen—both Senators and Representatives, according to telegraphic reports—who are bargaining with Hanna, Elkins, et al., that if the subsidy bill will be deferred till the next session of Congress they, those alleged or professed Democrats, some 40 or 50 of them will vote for it and help pass it?

A Printer Greatly Surprised.

"I was never so much surprised in my life, as I was with the result of using Chamberlain's Pain Balm," says Henry T. Crook pressman of the Asheville (N.C.) Gazette. "I contracted a severe rheumatism early last winter by getting my feet wet. I tried several things for it without benefit. One day while looking over the Gazette, I noticed that Pain Balm was positively guaranteed to cure rheumatism, so I bought a bottle of it and before using two thirds of it my rheumatism had taken its flight and I have not had a rheumatic pain since." Sold by Hudson Pharmacy.

Herbert Halstead went to Arlington Monday on a business trip returning Tuesday.

C. F. Pyle, organizer of the Woodmen of the World is here this week in the interests of that order.

About County Printing.

The following letter from President Tobias of the National Editorial Association shows that the opinion of this paper on the county printing question as expressed two weeks ago, is concurred in by pretty high authority. Mr. Tobias holds the highest position in the greatest association of newspaper men in the world:

Portland, Oregon, 3-23-'02.
S. A. Pattison,
Editor Globe,
Condon Oregon,

Dear Sir:
Permit me to compliment you for the stand taken in regard to the county printing. A newspaper should charge a county or a state no more nor no less than an individual. If the newspapers of Oregon would adhere to the legal rate, and let the advertising go where it will, the publishers of our papers would fare better. The more money the average newspaper man receives the better will be his paper, because he delights in making improvements, both in his paper and in his plant.

Resolutions of Condolence.

WHEREAS The silent messenger, Death having entered the home of our esteemed brother, J. K. Fitzwater, and taken from him the companion of his life, the wife of his youth, the mother of his children, be it by his brothers of Summit Lodge No. 130, I. O. O. F.

RESOLVED That in this great affliction we tender our brother our sincerest sympathy with assurance that our sorrow in his great bereavement is real. Beyond the limits within which our sympathy can comfort him we commend him and his to the tender offices of that Omnipotent One who said: "Blessed are they that mourn for they shall be comforted."

RESOLVED That these resolutions be spread upon the minutes of this lodge, a copy be given to Brother Fitzwater, and copies be furnished the Pacific Old Fellow and the Condon Globe for publication.

Pullman Ordinary Sleepers

The tourist travel between the East and the Pacific Coast has reached enormous proportions in the last few years, and calls for a special class of equipment. To meet this demand the Pullman Co. has issued from its shops what it technically calls the "Pullman Ordinary Sleeper." These cars appear similar to the regular sleepers being built on the same plan, but not furnished with the same elegance. They are equipped with mattresses, blankets, sheets, pillows, pillowcases, towels, combs, brushes, etc., requiring nothing of the kind to be furnished by the passenger. Each car has a stove for making tea and coffee and doing "light house-keeping", and each section can be fitted with an adjustable table. A uniformed porter accompanies each car, his business being to make up berths; keep the car clean, and look after the wants and comforts of the passengers. In each of the trains which are dispatched daily from Portland by the O. R. & N. Co. is to be found one of these "Pullman Ordinary Sleepers". The car attached to the "Chicago-Portland Special" goes through to Chicago without change, and the one in the "Atlantic Express" runs to Kansas City without change. Passengers in this car for Chicago change to a similar car at Granger.

Much of the first class travel is being carried in these cars, the rates being lower, and the service nearly equal to that in the palace sleepers.

For rates and full information, including folders' write to A. L. CRAIG, General Passenger Agent, O. R. & N. Co. Portland, Oregon.
