

NOTICE
The Globe invites correspondence from all sections of Gilliam county. We wish to make this paper the leading news medium of the county and invite our friends to assist us by sending in the news of their respective localities. Correspondence must be signed by the writer, not acceptably for publication, but as an evidence of good faith, and the editor assumes no responsibility for opinions expressed by correspondents.

APPROPOS THE CAMPAIGN.
The GLOBE wishes, at this time, to state its position in the coming campaign so that no misunderstanding may arise later. This paper will adhere to its former policy as an independent newspaper and, as in the past, will endeavor to treat all political parties and individuals with courtesy and fairness. Being a medium of information to the general public it will accept proper articles from any organization or individual relative to the issues of the campaign, as it has done in the past, provided that all such articles shall be signed by the party writing them and that the name shall be published following the article. This is necessary as a matter of self protection to the publisher. He declines to be placed in the position of two years ago when he allowed articles to appear over non de plumes, the responsibility of which he was later allowed to shoulder single handed and alone. It was a costly lesson to the publisher but it was well learned. The GLOBE is an independent, not a neutral, newspaper.

DIRECT LEGISLATION.
The following is the full text of the initiative and referendum amendment to the constitution of this state which will be voted upon at the election next June.

Section 1 of Article IV of the Constitution of the State of Oregon shall be and hereby is amended to read as follows:

Section 1. The legislative authority of the state shall be vested in a legislative assembly, consisting of a senate and a house of representatives, but the people themselves reserve the power to propose laws and amendments to the Constitution, and to enact or reject the same at the polls, independent of the legislative assembly, and also reserve power at their own option to approve or reject at the polls any act of the legislative assembly. The first power reserved by the people is the initiative, and not more than eight per cent of the legal voters shall be required to propose any measure by such a petition, and every such petition shall include the full text of the measure so proposed. Initiative-petitions shall be filed with the secretary of state not less than four months before the election at which they are to be voted upon. The second power is the referendum, and it may be ordered (except as to laws necessary for the immediate preservation of the public health or safety), either by petition, signed by five per cent of the legal voters or by the legislative assembly, as other bills are enacted. Referendum petitions shall be filed with the secretary of state not more than ninety days after the final adjournment of the session of the legislative assembly which passed the bill on which the referendum is demanded. The veto power of the governor shall not extend to measures referred to the people. All elections on measures referred to the people of the state shall be had at the biennial regular general elections, except when the legislative assembly shall order a special election. Any measure referred to the people shall take effect and become a law when it is approved by a majority of the votes cast thereon, and not otherwise. The style of all bills shall be: "Be it enacted by the people of the State of Oregon." This section shall not be construed to deprive any member of the legislative of the right to introduce any measure. The whole number of votes cast for justice of the supreme court at the regular election last preceding the filing of any petition for the initiative of the referendum shall be the basis on which the number of legal voters necessary to sign such petition shall be counted. Petitions and orders for the initiative and for the referendum shall be filed with the secretary of state, and in submitting the same to the people and all other officers shall be guided by the general laws and the act submitting this amendment until legislation shall be especially provided therefor.

Adopted by the house January 27, 1899.
E. V. CARTER, Speaker of the House.
Concurred in by the senate February 2, 1899.
T. C. TAYLOR, President of the Senate.
Approved February 6, 1899.

A VALUABLE MEDICINE
For Coughs and Colds in Children.

"I have not the slightest hesitancy in recommending Chamberlain's Cough Remedy to all who are suffering from coughs or colds," says Chas. M. Cramer, Esq., a well known watch maker, of Columbus, Geogia. "It is two years since the City Dispensary first called my attention to this valuable medicine and I have repeatedly used it and it has always been beneficial. It has cured me quickly of all chest colds. It is especially effective for children and seldom takes more than one bottle to cure them of hoarseness. I have persuaded many to try this valuable medicine, and they are all as well pleased as myself over the results." For sale by Hudson Pharmacy.

LORD & CO
The tourist travel between the East and the Pacific Coast has reached enormous proportions in the last few years, and calls for a special class of equipment. To meet this demand the Pullman Co. has issued from its shops what it technically calls the "Pullman Ordinary Sleeper." These cars appear similar to the regular sleepers being built on the same plan, but not furnished with the same elegance. They are equipped with mattresses, blankets, sheets, pillows, pillow-cases, towels, combs, brushes, etc., requiring nothing of the kind to be furnished by the passenger. Each car has a stove for making tea and coffee and doing "light housekeeping", and each section can be fitted with an adjustable table. A uniformed porter accompanies each car, his business being to make up berths; keep the car clean, and look after the wants and comforts of the passengers. In each of the trains which are dispatched daily from Portland by the O. R. & N. Co. is to be found one of these "Pullman Ordinary Sleepers". The car attached to the "Chicago-Portland Special" goes through to Chicago without change, and the one in the "Atlantic Express" runs to Kansas City without change. Passengers in this car for Chicago change to a similar car at Grand.
