Pullman Ordinary Sleepers

The tourist travel between the East and the Pacific Coast has reached enormous proportions in the last few years, and calls for a special class of equipment.

To meet this demand the Pullman Co. has issued from its shops what it technically calls the "Pullman Ordinary Sleeper."

These cars appear similar to the regular sleepers being built on the same plan, but not furnished with the same elegance. They are equipped with mattresses, blankets, sheets, pillows, pillow-cases, towels, combs, brushes, etc., requiring nothing of the kind to be furnished by the passenger.

Each car has a stove for making tea and coffee and doing "light housekeeping," and each section can be fitted with an adjustable table. A uniformed porter accompanies each car, his business being to make up berths, keep the car clean, and look after the wants and comforts of the passengers.

In each of the trains which are dispatched daily from Portland by the O. R. & N. Co. is to be found one of these "Pullman Ordinary Sleepers."

The car attached to the "Chicago-Portland Special" goes through to Chicago without change, and the one in the "Atlantic Express" runs to Kansas City without change. Passengers in this car for Chicago change to a similar car at Granger.

Much of the first class travel is being carried in these cars, the rates being lower, and the service nearly equal to that in the palace sleepers.

For rates and full information, including folders write to A. L. CRAIG, General Passenger Agent, O. R. & N. Co., Portland, Oregon.

BATHS—Hot and cold water, clean towels, only 25 cents at Condon hotel.

Congress (2nd District)—W. F. Betcher of Baker. E. P. Weir, of Arlington, was nominated for joint representative from this district and Hon. C. E. S. Wood was the choice of the convention for U S Senator.

The platform declares against trusts, and demands public ownership of public utilities in municipal affairs. Demands that all state officials be placed on flat salaries; Declares against the leasing of public lands, and for a "tariff for revenue only."

A VALUABLE MEDICINE For Coughs and Colds in Children.

"I have not the slightest hesitancy in recommending Chamberlain's Cough Remedy to all who are suffering from coughs or colds," says Chas. M. Craner, Esq., a well known watch maker, of Colombo, Oregon. "It is two years since the City Dispensary first called my attention to this valuable medicine and I have repeatedly used it and it has always been beneficial. It has cured me quickly of all chest colds. It is especially effective for children and seldom takes more than one bottle to cure them of hoarseness. I have persuaded many to try this valuable medicine, and they are all as well pleased as myself over the results." For sale by Hudson Pharmacy.
