

THE CONDON GLOBE.

THURSDAY, APRIL 24, 1902. THE OFFICIAL PAPER OF GILLIAM COUNTY, OREGON.

LOCAL NEWS.

Andrew Patterson was over from Mayville precinct Sunday. J. E. Lancaster is in Portland this week on a business trip.

The Y. P. S. C. E. will serve ice cream and cake on election day. Frank Shannon will erect a fine new residence on his ranch in the near future.

Candidates Wilcox and Stephenson were in Arlington last week looking after matters political. For "Lilly Bud" whiskey, renowned for purity excellence and maturity go to Mike Summers' Model Saloon.

Sam A. Garber, advertising agent and traveling salesman for the Chamberlain Medicine Co. was in town Monday. Jos. Whyta was in town Monday. He expects to buy lots in town and build a residence there in the near future.

The Willing Workers will give an entertainment and lunch in Armory Hall tomorrow night. Don't miss it. See posters printed at this office. A big May-day dance will be given at Wade's hall Olex, Thursday evening May 1st.

The best of music will be furnished and an elegant supper will be served at the Randall hotel. See bills printed at this office. The Interior Warehouse Co. of Arlington are installing a wool baler and will soon be ready to bale and ship wool in large quantities.

Arlington is destined to be the principal wool market of Eastern Oregon this season. The Globe is requested by the members of the Sunshine society and on behalf of Mr. and Mrs. Overlander to extend thanks to all who assisted in making their entertainment a success and also to the general public who so liberally patronized it.

The local Rebekah lodge will give a May Day dance Friday evening May 2nd at which the best of music etc. will be furnished. Everybody is invited and a good time is assured. The Rebekahs know how to make feel at home. Don't miss it.

"Doc" Brown was in town Monday. "Doc" asked us to announce to his friends that he has decided to retire permanently from politics. There is nearly as much money and a great deal more contentment and general satisfaction in the cattle business.

R. E. Graham & Sons, have bought the old Clarno ferry boat and have moved it to the mouth of Thirty-mile where they will put it in operation. The trip of 80 miles down the turbulent John Day was an eventful one and attended with much difficulty and some danger.

In this issue will be found a new ad of the Columbia Brewery of The Dalles. The product of this brewery has the endorsement of the United States health department as being absolutely pure and the best made in the United States. It is on sale at the Model Saloon.

Who said Condon is not coming to the front? The Branch Grass Co. is the latest business enterprise to be launched and the manager informs us that he will have a supply of baking powder on the market by May 1st. This powder has been thoroughly tested by many housewives of this section and has proved perfectly satisfactory. The company will also manufacture extracts when they get started in business.

E. P. Weir was in this section from Arlington for a few days during the week and while here he sold a band of sheep to Blake Bros. Mr. Weir is the democratic nominee for representative from this district against C. A. Danneberg, the republican nominee for the same office. Both are good men and no matter which way the cat jumps, the interests of Gilliam county will be fairly represented in the legislature.

About \$70 was realized by the Sunshine Society at the entertainment and dance given last week for the benefit of Baby Overlander. An excellent program was rendered and the lunch and social dance which followed were highly enjoyed. Mrs. Overlander left the next morning for Portland where the alling baby has been placed in a hospital. The child stood the trip well and strong hopes of its ultimate recovery are entertained.

The lumber for the new structure of the Condon Milling Co. has begun to arrive at Arlington and is being hauled out as rapidly as possible. Work will be pushed from now on with all possible dispatch and the company expects to have the mill running by August 1st. The condition of the roads between this place and Lost Valley made it necessary for the mill people to purchase much of their lumber below which they expected to secure from the Lost Valley Lumber Co.

L. O. Baislon, who owns the Arlington townsite is doing a lively business in the sale of town lots this spring. Last week he sold 19 lots, adjoining the railroad right-of-way and Kerz Gifford & Co's warehouse to the latter company who will enlarge their warehouse capacity and have plenty of room for wheat and wool teams to reach their platform without inconvenience. Mr. Baislon reserves the old hotel building which now stands on the property and will have it removed to a point farther up the street where it will be remodelled and fitted up as a lodging house. He has sold about \$4,000 worth of lots during the last few months.

Frank Wilson went to Arlington Tuesday. Jim Campbell returned from Arlington Tuesday.

Mr. and Mrs. R. H. Wain returned from Portland Sunday. J. M. Ewing will buy horses here Saturday and at Olex Sunday.

Miss Belle Wilson commenced a term of school at Eight-mile Monday. Don't be misled—Clarke & Frazer will save you \$20 to \$40 on Good Reliable Steel Ranges.

Sorey's shearing crew commenced shearing at Mary Brown's ranch on Rock creek Monday morning. Mr. and Mrs. M. E. Summers and Miss Mamie Smith started for Portland Tuesday. They expect to spend several days in the metropolis.

Fred Wilson started for Portland Monday on a combined business and pleasure trip. Fred has a particular fondness for Portland lately anyway.

Mrs. Wilson, who has been visiting her sons Fred and Frank and her daughter Miss Belle Wilson, since last fall, expects to leave next Monday for her home in Michigan.

W. H. Herrin, republican candidate for sheriff, is here this week in the interest of his campaign. Mr. Herrin is a pleasant gentleman and seems to have the faculty of getting acquainted and making friends.

Thomas Dillon was in town Tuesday. He reports the lambing season over and that the increase in his flocks amounts to about 100 per cent. This is a much better showing than was reported in this column a week or two ago.

Louis Comini, the well known monument man of The Dalles, has an ad in this issue. Louis is recognized as the finest workman on the coast and he still has an eye for business. He will be here in a few days to solicit orders.

Ed Hollenbeck was thrown from a horse on north Main street Tuesday and rather severely injured. The force of the fall rendered him unconscious for a while but he soon recovered and was able to be on the street again yesterday.

George Evans has been held in \$250 bail for his appearance at the next term of circuit court at Pendleton on the charge of stealing a grip. The grip was the property of a Mr. Simmons of near Condon and was stolen from the depot at Pendleton.

Elgin Myers is putting a new soda fountain and will soon be ready to cool his customers off with the delicious beverage known as ice cream soda. Young men who are popular with the ladies should take notice and begin to save up their 10-cent pieces.

Fred Wilson is preparing to renovate and remodel the Summit saloon and make it one of the finest and most up-to-date resorts in the county. A fine new bar, back bar and other fixtures will be installed and the interior will be thoroughly renovated. He is in Portland this week buying his outfit.

Geo. Gibbons and C. L. Lillie, of Mayville precinct shipped a carload of fat hogs to Troutdale last week which brought them about six cents per pound there. The team which hauled the hogs to the railroad station from the Gibbons ranch at six o'clock one morning and at seven the next morning they were in Arlington having covered a distance of 52 miles. This is a record breaker for heavy freight team travel.

Reception to Williamson. When Hon. J. N. Williamson, the republican nominee for congress, returned to his home at Prineville last Thursday he was accorded a royal welcome by practically the entire population of the town without regard to party affiliations. The stage on which Mr. Williamson was a passenger was met several miles out by a handsomely decorated carriage and the distinguished son was taken to town in a state. Such a reception from his neighbors, the people who know him best, speaks well for Mr. Williamson and as his nomination is equivalent to election it is well for the people of the district that he is the son of a man whom his neighbors delight to honor.

Good For Rheumatism. Last fall I was taken with a very severe attack of muscular rheumatism which caused me great pain and annoyance. After trying several prescriptions and rheumatic cures I decided to use Chamberlain's Pain Balm, which I had seen advertised in the South Levee. After two applications of this Remedy I was much better, and after using one bottle was completely cured.—Sally Harris, Salem N. J. Sold by Condon Pharmacy.
