

THE CONDON GLOBE

THURSDAY, JUNE 5, 1902.

THE OFFICIAL PAPER OF GILLIAM COUNTY, OREGON.

Miss Dora Downing has returned from a visit in North Idaho.

The Saint's Mite Society will meet with Mrs. Al Moore next Wednesday.

A. W. Sharrard, of the firm of Lord & Co. of Arlington, was in town yesterday.

Mr. and Mrs. Geo. Gibbons and Mrs. C. J. Quinn, of Mayville, were in town Sunday.

Mr. and Mrs. W. L. Barker, of Arlington visited friends and relatives in town during the week.

Mrs. Al McConnell, of Alville, visited friends at Mayville last week and attended the Decoration Day exercises.

Alex Duthie jr. has returned from The Dalles where he has been attending school during the winter.

Mr. and Mrs. J. P. Greiner and Miss Mahoney, of Mayville, visited friends in town during the week.

The Christian Endeavor society gave a pleasant social at the Fitwater home Monday evening. A large crowd was present.

Jim Poldexter will spend the next month or so visiting his mother and some other folks in the Willamette Valley. Good luck to you Jim.

The Baptist ladies served refreshments in the primary school room in the Armory hall building on election day and did a thriving business.

Emmett and Frank Armstrong have leased an acre of ground from Mrs. Taylor just west of the water tank and are putting it in condition for making brick.

Ben Ward who is on his way to Colorado with sheep belonging to Smythe & Son, of Arlington, writes us from Huntington to send his copy of the Globe to Thomastown, Colorado.

Otis Propst received a letter a few days ago from his parents who recently went to Spokane to reside. They have rented a house and are getting settled down to house keeping and report that they are well pleased with their new home.

The price of lots in the Condon townsite has been advanced to \$40 for inside lots and \$50 for corners. These prices are the same in all parts of the townsite except on Main street where the lots remain at the old prices of \$100 and \$125.

Four years ago there were only 45 votes cast in Ferry Canyon precinct. This year there was 165: Four years ago Condon precinct showed up with only about 120 votes. This year there was 201 ballots cast. Watch Gilliam county grow. We're expansionists we are.

Frank Caldwell has started to the mountains for the summer with two bands of sheep one belonging to himself and brothers and one to E. M. Pitter. He expects to summer in the neighborhood of Astoria but will not know for sure until he gets there.

P. M. Danratty came in Sunday night from Monument where he has been helping Brown Bros. with their sheep. He reports feed plentiful in the mountains and says Brown's expect to summer in the Elkhorn mountains. He will return to camp in a week or so.

John Madden, of Lone Rock, passed through town a few days ago on his way to Arlington to deliver a fine three-year-old stallion which he had sold to W. L. Barker, of that place. The colt was bred by Mr. Madden and is a very fine animal. The price received for him was \$400.

Mr. and Mrs. Pincus, came in on Sunday's stage to look over the town with a view to embarking in the hotel business. Mrs. Pincus is a daughter of John Keeney, a former resident of this county and a relative of the Hart family. Mr. Pincus is an old printer and newspaper man and while in town made a pleasant call at this shop.

Arm Broken.

While coming up the Spring hollow road Monday evening Phil Davenport, of Mayville, had a serious accident which resulted in a broken arm.

One of the horses in his team became unmanageable and crowded the wagon off the grade upsetting it. Mr. Davenport was thrown out and sustained a fracture of the left arm near the wrist. He came on to town where the fracture was reduced and he was made as comfortable as possible.

A Serenade.

A couple of unknown performers on the violin and guitar favored the editor's family with a delightful serenade Thursday night at about the mystic hour of midnight. To be awakened from that sound slumber which only editors and other just men enjoy, by sweetest strains of most delightful music is one of the pleasantest experiences which mortals are permitted to enjoy in this wicked old world.

In the moments of semi-consciousness in which the soul seems to hang suspended between sound slumber and perfect wakefulness is found a charm and quiet calm delight which this writer is utterly unable to describe. With more practice we may do better, however, and we will have another try at the proposition if the serenaders will come again.

Didn't Marry For Money.

The Boston man, who lately married a sickly rich young woman, is happy now, for he got Dr. King's New Life Pills which restored her to perfect health. Infalible for Jaundice, Biliousness, Malaria, Fever, and ague and all Liver and Stomach troubles. Gentle but effective. Only 25c at Condon Pharmacy.

The election Monday was warmly contested in this county the interest seeming to center around the contest for clerk and sheriff. The result of the fight for clerk was a surprise even to Mr. Portwood's friends who only expected a very small majority while the returns show that he piled up a majority of over 100.
