

# THE CONDON GLOBE.

THURSDAY, JULY 31, 1902.

Call another a fool and you are the fool; call yourself a fool and you begin to be wise.

Solomon's temple has just been discovered in the Holy Land. The report does not state whether or not any of the numerous Mrs. Solomons were at home when the discovery was made.

Condon is not a "boom" town by any means, but it is the fastest growing town in Eastern Oregon this Summer. Just mention the fact when writing to your friends or, better still, have the GLOBE sent to them for six months or a year; then they'll know all about it.

Perhaps never before has there been a case recorded where the authorities of any prison offered a big reward for the capture and return, dead or alive, of an escaped convict and then doubled their wall guards and established an outside cordon of sentinels to prevent the same fellow from breaking in and raiding the institution. But that was the situation at Salem last week. This new disease, tracyitis, is a peculiar malady and has many curious complications.

Every newspaper measures up in its memory the names of its friends and likewise those of its enemies. It seldom overlooks an opportunity to assist the former, but it never goes out of the way to help the latter. Human nature is pretty much the same everywhere. People who show the newspaper man a kindness never made a better investment, one that pays a hundred fold, sooner or later. As has been truly said, there comes a time in every man's life when he needs his home paper and needs it bad.—Ex.

### A Poor Millionaire

Lately starved in London because he could not digest his food. Early use of Dr. King's New Life Pills would have saved him. They strengthen the stomach, aid digestion, promote assimilation, improve appetite. Price 25c. money back if not satisfied. Sold by Condon Pharmacy.

### MODERN FAWNING BEFORE WEALTH.

The chief evil nowadays lies in the well-nigh universal fawning and covering before wealth, in the blind scramble for fortune and favor. We are taught to act a part, when we should embody a principle. We stoop over and walk on all fours when we should stand erect remembering the stars above us. Many of the hangers-on of the millionaire are mere fawners and flatterers seeking to push their way into the social swim. Other classes who bend at his feet are working people who are dependent on him for food and shelter.

Thomas Hughes said long ago that we may not be able to hinder people in general from being helpless and vulgar—from letting themselves fall into slavery to things about them, if they are rich, or from aping the habits and vices of the rich, if they are poor. But, as he says, we may live simple, manly lives ourselves, speaking our own thoughts, paying our own way and doing our own work what ever that may be. We shall remain gentlemen as long as we follow these rules even if we have to sweep a crossing for a livelihood. The mortalbane in all this money worship, this toadyism and time serving is the effect it has on the soul of the toady and time-server. It calls his attention away from the real and the permanent in life to the false and the fleeting. It robs him of the idea that character is the chief glory of man. When to character we add culture we come into an inheritance more durable than time and richer than all the kingdoms of this world.—Edwin Markham, in Success.

### It Dazzles The World.

No discovery in medicine has ever created one quarter of the excitement that has been caused by Dr. King's New Discovery for Consumption. Its severest tests have been on hopeless victims of Consumption, Pneumonia, Hemorrhage, Pleurisy and Bronchitis, thousands of whom it has restored to perfect health. For Coughs, Colds, Asthma, Croup, Hay Fever, Hoarseness and Whooping Cough it is the quickest and surest cure in the world. For sale by Condon Pharmacy who guarantee satisfaction or refund money. Large bottles 50c and \$1.00 Trial bottles free.

An enterprising showman is arranging to exhibit Tracy's body in Seattle, Spokane and other cities—after he is dead. This last proviso is a wise one. If the noted gentleman should happen to be put in a trance when put on exhibition he might come to life, shoot out the lights, stampede the audience, capture the box office receipts and play hob generally. But then—he is not dead yet.

### The Same Old Story.

J. A. Kelly relates an experience similar to that which has happened in almost every neighborhood in the United States and has been told and re-told by thousands of others. "Last summer I had an attack of dysentery and purchased a bottle of Chamberlain's Colic Cholera and Diarrhoea Remedy which I used according to directions and with entirely satisfactory results. The trouble was controlled much quicker than former attacks when I used other remedies." Mr. Kelly is a well known citizen of Henderson N. C. For sale by Condon Pharmacy.

### ADDITIONAL LOCALS.

E. K. Searcy was in from Beecher Flat yesterday.

Otis Propst has a change of ad in an enlarged space in this issue. Read it.

Mr. and Mrs. Sam E. Van Vactor and children are visiting friends at Columbus, Washington, this week.

Madames W. L. Wilcox and Herbert Halstead and their children and Mrs. J. M. Cameron left Tuesday for a camping trip in the mountains.

Arthur Ames was here from Columbus, Washington, last week visiting his sister, Mrs. S. E. Van Vactor, and looking after his Ferry Canyon ranch interests.

C. S. Jackson, of the East Oregonian has purchased the Portland Journal and will conduct that paper in the future. The Journal seems to have become a fixture in Portland and already rates a first-class paper. Mr. Jackson is a able writer and a careful manager and we predict success for him in his venture.

An imitator of the renowned Tracy, in California, the other day, killed one man and wounded three and then escaped to the mountains with a posse in full pursuit, true 20th. century style. He says Tracy will not be in it as a popular hero by the time he finishes his performance. The S. F. Examiner may be behind the enterprise as a mid-Summer news feature.

Edward Magee, a well known ship builder of Portland, came out on the stage Friday and went on up to Lost Valley to visit his son, John Magee, the well known ranchman. This was Mr. Magee's first visit to this section and he was more than pleased with the fine appearance of the country. He left for home Tuesday morning saying he expects to return for a longer visit in the future.

### The Best Liniment For Strains.

Mr. F. H. Willis, the merchant at Deer Park, Long Island, N. Y., says: I always recommend Chamberlain's Pain Balm as the best liniment for strains. I used it last winter for a severe lameness in the side, resulting from a strain, and was greatly pleased with the quick relief and cure it effected." For sale by Condon Pharmacy.

An exchange gives this opinion of women: "There is gladness in her gladness when she's glad—there is sadness in her sadness when she's sad—but the gladness of her gladness nor the sadness of her sadness is nothing to her madness when she's mad. There is kicking in her kicking when she kicks—there is licking in her licking when she licks—but the kicking of her kicking nor the licking of her licking is nothing to her nixness when she's nix. There is crossness in her crossness when she's cross—there is glossing in the glossing of her gloss—but the crossness of her crossness nor the glossing of her glossing is nothing to her bossing when she's boss."

Summer complaint is unusually prevalent among children this season. A well developed case in the writer's family was cured last week by the timely use of Chamberlain's Colic Cholera and Diarrhoea Remedy—one of the best patent medicines manufactured and which is always kept on hand at the home of every physician. This is not intended as a free puff for the company, who do not advertise with us, but to benefit little sufferers who may not be within easy access of a physician. No family should be without a bottle of this medicine in the house, especially in the summer time.—Lansing, Iowa, Journal. For sale by Condon Pharmacy.

### A Gilliam County Pioneer.

A correspondent of the Portland Journal, at Turner, Oregon, contributes the following interesting mention of a well known Gilliam county lady to his paper:

"The late Calvin Neal, whose home place was two miles south of Aumsville, this county, was a character in his day. He had three wives—consecutively—and many children. One of his daughters, Mrs. R. G. Robinson, whose home is in Gilliam county, is now on a visit to her old home and people. She is a typical pioneer woman. She is accompanied only by a little daughter 12 years old. She drove to The Dalles with her own wagon and team of horses, shipped to Portland by boat, and drove here, camping on the way.

She will return over the mountains, via the Metolias river and Hay creek valley, hauling supplies for her family, and camping en route, turning her horses on the bunch grass in true emigrant style."

"I am using a box of Chamberlain's Stomach and Liver Tablets and find them the best thing for my stomach I ever used," says T. W. Robinson, Justice of the Peace, Loomis, Mich. These Tablets not only correct disorders of the stomach but regulate the liver and bowels. They are easy to take and pleasant in effect. Price 25c per box. For sale by Condon Pharmacy.

J. A. McMorris and L. B. Townsend have completed J. J. Portwood's fine new residence and will next build a seven room dwelling for Rube McKinney, near the Baptist church. When that is completed they will commence on Mrs. Mary Brown's dwelling near the school house.

Cut this out and take it to the Condon Pharmacy and get a box of Chamberlain's Stomach and Liver Tablets. The best physic. They also correct disorders of the stomach. Price 25c.
