J. O. Portwood was selling fine Ferry Canyon grown peaches in town Monday.

Marshal Armstrong was engaged putting in water meters the first of the week.

Miss Naomi Stengle has returned from a visit to her old home in the Willamette valley.

The Hardie boys, of Trail Fork, have sold their wool at 13½ per pound. Will Curl's clip brought 11½.

Mr. and Mrs. C. L. Richmond were in from Ferry Canyon Tuesday transacting business and visiting friends.

Frank Moore pulled a new McCormick header, bought of Dunn Bros., out to the harvest field Monday morning.

W. L. Wilcox has purchased an interest in P. H. Stephenson's store. Invoicing has been in progress for several days.

J. E. Lancaster returned from Portland Monday. His son Paul, who has been visiting at Spokane, also returned the same day.

At C. H. House's horse sale yesterday only fair prices were realized. Sixty-five dollars was the top price. The animals were all sold.

King Edward's health is still in a precarious condition and it is feared that the coronation ceremonies will again have to be postponed.

Word reached here Monday that one of the bands of sheep belonging to Mrs. Mary Brown & Sons piled up in a ditch in the mountains recently and 78 head were killed.

Miss Abbie Darling, one of our most popular young ladies, who has been a student in Whitman college, at Walla Walla since last Fall is home for the Summer vacation.

C. E. Ranous and George Earhart are in Portland this week on a business trip. On their return Mr Ranous will begin work on their new business house on North Main street.

W. S. Myers' fine new residence is about completed and a commodious barn is now under way. When all is completed Mr. Myers will have one of the finest homes in the county.

The concrete foundation for Dunn Bros'. new store has been put in an will be in good condition for the brick work as soon as the brick are ready which will be in about three weeks.

One of our exchanges down in Southern Oregon is a cracker-jack when it comes to "swiping" editorial paragraphs. Brace up brother and give us credit for one out of three, at least.

J. G. Stevenson has been detained in getting his thresher in shape for running and has not yet got started on the season's run. He expected to start this afternoon at Tobey Thompson's place near Clem.

Regular preaching services will be held in the Baptist church next Sunday, morning and evening, at the usual hours by the pastor, Rev. F. C. Flowers. All are cordially invited to attend these services.

A number of Condonites went to Fossil Sunday to see the ball game between the Arlington and Fossil teams. The game was a pretty w arm one and, up to the seventh inning, Arlington had away the best of it but the Fossil boys changed pitchers and ran the game out on their opponents. The score stood 15 to 16 in Fossil's favor.

Dr.———Cole, with his wife and daughter, arrived on Tuesday's stage with the intention of locating permanently in Condon. We understand that Mrs. Cole is also a physician and that both will take up the practice of medicine here. They come here from Scio, Linn county, where they have practiced for a number of years.

M. D. Carter has been appointed by County Clerk Portwood as chief deputy in that office. Mr. Carter has been a successful teacher in this county for a couple of years and has made many friends. His obliging and courteous manner and unquestioned ability will insure his popularity in his present position.

A fine big 10 pound girl was born to the wife of Josh Hardie, of Trail Fork, last Friday morning. Josh didn't poke his head in an empty barrel and holler "dad" at himself, as most new fathers do. He just looked at himself in the glass a moment and murmured "Hello papa!" and they say he hasn't quit smiling yet.

There must be an awfully chumpish young fellow over Ione way if we are to judge by the following gentle hint from the winsome young lady editor of the Post. She says: 'When a girl pins a flower on a man's coat, and tilts her chin sideways to look at it and glances up at him as bewitchingly as she knows how to and the man doesn't tumble, he is too slow to be run over by a hearse."

Well Pleased With Oregon.

S. B. Hartshorn, who came here from Iowa last Spring and bought the Myers' ranch, west of town, takes some comfort in "getting back at" his Iowa friends who are just now the victims of all kinds of floods and too much moisture generally. When he was preparing to leave the Hawkeye state for Oregon, last Spring, his old friends and neighbors indulged in sundry winks and nods and had much to say about "Webfooters," "Mossbacks" etc. Now while Mr. Hartshorn is enjoying the pure, ozone, and basking in the glorious sunshine of the great Inland Empire he puts in his spare time, while he is watching his big wheat fields ripen and turn to gold under the sun-kissed sky, writing to his Hawkeye friends and asking them if their toes have started to web together yet.

Mr. Hartshorn seems pleased with Oregon and content to live in a land where cyclones are unknown and where it rains only enough to insure big, fat harvests.

Game Birds in Gilliam.

A number of "Bob White" quail and Chinese pheasants have been seen on lower Rock creek this Summer. Andrew Greiner brought a few pairs of these birds from the Willamette valley about four years ago and liberated them on his ranch in Mayville precinct. They were seen on Thirtymile several times after being turned loose but finally disappeared from there altogether. It is now thought possible that these birds may have migrated to Rock creek and that the coveys seen there are their descendants. If such is the case it may be taken as pretty good evidence that these fine game birds will thrive in this county.

Play Ball Sunday.

A ball game between Arlington and Fossil has been arranged for next Sunday afternoon on the Condon diamond. The game promises to be a warm one. A social dance will be given in Armory hall Saturday evening to which everybody is invited.

If Tracy Comes this Way—!!!

If Tracy comes this way and wants a job we will let him go gunning for the son-of-a-gun who built a big fire in our office stove last Friday noon and increased the temperature to an unbearable degree. A costly ice cream jag, acquired at dinner, was totally demolished as was our last clean collar. Tracy may have the job of wreaking our vengeance if he will come this way and we can give him a clue that even a Seattle sheriff or a Walla Walla blood hound should follow.

An Old Stager.

Dixon Gaunt sr. was here during the week looking after his stage line interests. Mr. Gaunt is a veteran stage man having been engaged in that business for the past 25 years in Oregon and Washington. Besides the Arlington-Fossil line he is now operating the North Yamhill-Tillamook line and three other minor lines in Western Oregon. While here Mr. Gaunt suggested the idea of having an express office established here as a matter of convenience to the people of this town. The people here should take hold of the matter and make an effort to have the express company establish an office at this place. Such a service would not only be a great convenience to the people but would also effect a considerable saving in express charges.

Stricklin.

Virgil, the five year old son of Mr. and Mrs. D. F. Stricklin, died at the family home on Rock creek, last Friday evening, of brain fever. The earnest symyathy of a large circle of friends will go forth to the grief stricken family.

Wrecked a Rig.

Josh Hardie was in from Trail Fork yesterday getting some repair work done to his buggy which was made necessary by a runaway the day before. He has a rather mettlesome team of drivers and by accident they got away from him on the day mentioned and took a spin on their own account. They took the rig through two or three wire fences and the wonder is that there was enough of the buggy left to pay a blacksmith bill on. As it was the buggy was somewhat disabled and the team received some ugly scratches.

Officers Installed.

The organization of Unity lodge, No. 52, Independent Order of Lions, was completed last Thursday evening by the election and installation of the following officers:
