

**THE CONDON GLOBE.**

THURSDAY, NOVEMBER 13 1902.

THE OFFICIAL PAPER OF GILLIAM COUNTY, OREGON.

**LOCAL NEWS.**

Work on Fred Wilson's stone building is progressing rapidly.  
Dr. Wood was called to Lone Rock Monday morning to prescribe for Mrs. Nuckols.  
Work on the Condon Meat Company's new building was commenced Monday morning.  
The stage went out with four horses and a big load of passengers yesterday morning.  
Ed McKinney and B. K. Searcy returned from their goose hunt Saturday with about 40 geese.  
Elgin Myers has remodeled the interior of his confectionery store and installed a new stock of goods.  
Maiden & Haves have just received a new line of fall and winter hats. Latest styles in trimmed and street hats. Call on them.  
Geo. Zarhart returned Friday from Malheur county where he has been for several weeks looking after his sheep interests.

A shooting match and dance will be given at Lone Rock November 30 which promises to be a very enjoyable affair. See bills.  
Leave your subscription to the San Francisco Examiner at this office and we will do the rest, thereby saving you postage etc.  
A. S. Rice's family are all down with measles. Mrs. Rice is in town with his mother and some of the children are sick at the ranch.  
Marshal Armstrong and Recorder May are doing a land office business these days. The city treasury is about \$150 ahead during the week.  
Cooke Bros. have recently lost six head of cattle from blackleg. They have vaccinated the rest of their herd and hope to check the disease.  
J. F. Cooke and W. A. Myers returned Friday from a goose hunt on Schlittler Flat. They bagged 40 geese and brought home a buck load. The Goose force was accompanied with a fine fat one.  
Frank Moore never does things by halves. When he kills wild geese he picks on the featherless kind that don't have to be picked. At least the one he left at this office Saturday was all ready for the oven—fat, fat and featherless.  
E. A. May was circulating a petition during the week asking the city council to take steps in the matter of enforcing the city ordinance against gambling and against selling liquor to minors, to men of intemperate habits and on Sunday. The petition was numerously signed.

A Herman and W. E. Stauffer, who have been here the past week looking over the country with a view to purchasing several thousand acres of wheat land, returned to Spokane Tuesday. They were successful in securing options on about 2,500 acres of choice wheat land.  
W. J. Vandervlute, of Lamoni, Iowa is here looking over the country with a view to locating. He is pleased with the country and will probably secure a home and bring his family here. Gilliam county is getting a large immigration of excellent citizens from that section of Iowa.

The grandest of the grand events at Condon the coming holidays will be the grand masquerade ball to be given by Wallala Circle Thanksgiving and don't forget it. Get your ticket now at Stephenson & Wilcox's, Elgin Myers or the drug stores. Masks can be had at Jarvis' drug store.  
The Oregon State Bar Association and the Oregon Irrigation Association meet in Portland November 18 and 19. Reduced rates on all railroads. Free theater tickets; a ball or concert; a steamboat ride on the Willamette and Columbia rivers; a visit to the Portland Crematorium and many other places of interest are offered as attractions to visitors. A cordial invitation is extended to all to visit Portland Irrigation week.  
W. A. Cummings, of the Banker's Life Association, is here this week writing business for that company. The Banker's Life offers a straight insurance proposition and one that any man can afford to carry. It is organized on conservative lines, recognized by leading bankers and financiers everywhere and may be relied upon as a safe and inexpensive insurance proposition. Mr. Cummings is doing a fine business here for the company.  
James Lavigne will give a boxing exhibition in the Armory hall Saturday evening, consisting of an eight round sparring match and three rounds of fancy bag punching. This is the first exhibition of the kind ever given in Condon and Mr. Lavigne wishes to say that it will not be a rough and tumble fight but a scientific sparring match that will offend no one. Ladies are especially invited. Money back if not satisfied. A dance will be given after the performance. Wm. Scholtz, known as Young Smith is Mr. Lavigne's sparring partner.  
Jim Boyer met with rather a serious accident while heading hay from Steve Van Cleve's ranch on trail fork to the Lost Valley saw mill last week. His team became frightened at something in the road and started to run throwing Jim who was riding one of the horses, to the ground rendering him unconscious. When he regained consciousness he found that the wagon had passed over him and the team had tangled up in the harness and stopped. Mr. Boyer then scented the team to the wagon and went to Dave Hardie's place. His injuries are not thought to be serious.

**Obituary.**  
John Maddock, one of the early pioneers of Gilliam county passed away at his home in this city after an illness of only 24 hours. He was ill Tuesday afternoon and evening but it was not until Wednesday morning that pneumonia set in to which he succumbed.  
Deceased was born near Chicago, Ill., about 58 years ago and grew to manhood in that city. With his wife he came to Oregon more than 25 years ago and since that time has been a resident of this county. He was his own worst enemy and all the early settlers of this section will remember him for his many sterling qualities in the old days, while they cover with a mantle of charity the shortcomings and weaknesses of his later years.  
His widow, three daughters and one son survive him and in their hour of sorrow they will receive the sympathy of a host of friends.  
The funeral will take place tomorrow. The hour is undecided but will probably be in the forenoon.  
H. T. McIntyre, St. Paul, Minn., who has been troubled with a disordered stomach, says, "Chamberlain's Stomach and Liver Tablets do me more good than anything I have ever taken."

**School Notes.**  
(BYRLSPRINGSTON, Editor.)  
During the present term there have been registered in the Condon public school 160 pupils, of which 46 are in the principal's room, 62 in the intermediate room and 52 in the primary room.  
We find the following pupils are absent from the principal's room this week: Arthur Parrish, Arthur Rice, Gussie Darling, Edith Greenfield, Jennie Poag, Frances Brown and Myrtle Rice. Most of these pupils are absent on account of measles.  
There are a good many pupils absent from the intermediate room on account of sickness.  
The school, this year, has been much harder than usual to get into working order owing to the prevalence of measles and the overcrowded condition of the school.

**To The Public.**  
Allow me to say a few words in praise of Chamberlain's Cough Remedy. I had a very severe cough and cold and feared I would get pneumonia, but after taking the second dose of this medicine I felt better, three bottles of it cured my cold and the pains in my chest disappeared entirely. I am most respectfully yours for health, RALPH S. MEYERS, 64-Thirty-seventh St., Wheeling, W. Va.

**LONE ROCK.**  
A heavy rain storm has been visiting the foot-hill country off and on for the last ten days and over an inch of rain has fallen in this month. Teaming has been suspended and the ground is in fine condition for plowing.  
Otho Ward has sold his farm near town to Mr. E. Wehrli a new owner in the country. The ranch contained about 200 acres and the price about \$2,000. Mr. Ward will stay on the place until next spring.  
John Madden has no trouble in disposing of his fine winter apples at an advanced rate.  
Jim Williams our town hog raiser says that the price of hogs is on the decline and beef is getting higher and tougher every day.  
Potatoes are in good demand here especially among those who are out there being none for sale.  
The funny folks about here say that a few days since a woman of our neighborhood went into the city "fire-water dispensary" and proceeded to upset the table according to Holy Writ or some other good book.  
"Last winter at infant child of mine had croup in a violent form," says Elder John W. Rogers, a Christian Evangelist of Eliley, Mo. "I gave her a few doses of Chamberlain's Cough Remedy and in a short time all danger was past and the child recovered." This remedy not only cures croup but when given as soon as the first symptoms appear will prevent the attack. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by Condon Pharmacy.

Joe Boyer was in town during the week. He has just recovered from an attack of measles.  
See our clubbing offer with the Salem Capital Journal. It is your chance to get two good papers for the price of one. The GLOBE will give you all the home and county news and the Capital Journal will give you all the state and general news and a full account of the legislative proceedings. **Jumped on a IO-Penny Nail.**  
The little daughter of Mr. J. N. Powell jumped on an inverted rake made of ten penny nail, and thrust one nail entirely through her foot and a second one half way through. Chamberlain's Pain Balm was promptly applied and five minutes later the pain had disappeared and no more suffering was experienced. In three days the child was wearing her shoe as usual with absolutely no discomfort. Mr. Powell is a well known merchant of Forkland, Va. Pain Balm is an antiseptic and heals such injuries without maturation and in one-third the time required by the usual treatment. Sold by Condon Pharmacy.
