Jeff Neel and Joe Bush left Monday morning for Portland.

Mrs. Marie Myers, who was quite ill for several days is better.

Mrs. J. G. Stevenson, of Ferry Canyon is on the sick list this week.

Elder Crumley will preach in the L. D. S. church Sunday morning and evening.

A gasoline well drilling outfit arrived last week and is operating on a well for Colby Clarke.

Geo. Karhart left Tuesday for Portland where he goes to purchase more goods for his store.

Miss Lulu Adlard, who was seriously ill for some time with erysipelas is able to be up again.

Mrs. Andrew Greiner, of Mayville has returned from a visit with friends in the Willamette Valley.

Mr. and Mrs. John Dyrast came in from their ranch Saturday and will spend the winter in town.

Rev. F. C. Flowers went to Mayville Monday to spend the week. He will hold service there next Sunday.

A heavy snow storm prevailed here Saturday night and Sunday. Snow fell to the depth of 3 or 4 inches.

Leave your subscription to the San Francisco Examiner at this office and we will do the rest, and save you postage, trouble etc.

Hats, millinery goods, toys, fancy goods etc. for the Holidays. Great reduction in prices on millinery goods until after the first of the year. Miss Doris Downing's.

Shed Grider's team broke loose from a rack on Main street the other day and took a spirited sprint around town. They were stopped however before any serious damage was done.

W. F. Dyer's six-horse freight team ran away Monday and started homeward while the driver was eating dinner. Mont Ward stopped them below town near his place before any damage was done.

J. B. Goff has taken charge of the Lone Rock-Condon stage line and has put on a first-class service. Mr. Goff is an experienced stage man and gives especial care to the comfort of passengers traveling by his line. Read his ad in another column.

Mr. and Mrs. J. D. Livingston, of Mayville, who have been visiting friends in Southern Oregon and California for several weeks returned last Thursday. Mr. Livingston says the weather has been very wet where they were but reports having had an enjoyable visit.

W. B. Smith, of Ferry Canyon, left Tuesday morning for Portland where he was called on business connected with the settlement of his father-in-law's estate of which he is administrator. The estate is a large one and includes property in Oregon, California and Missouri. He may be absent for several weeks.

The Pendletonian is the latest journalistic venture at Pendleton. It is a four column 16 page paper of the independent persuasion, and is ably edited by O. W. Dunbar. The new paper is bright with crisp local and personal news and seems not one whit afraid to express an opinion. Long may it wave and prosper.

A. J. Myers, of Ferry Canyon, who recently sold his ranch to Farrar & Maly has bought the Kentucky Liqueur Store, in Arlington, from Frank Wilson and Geo. Martin and has taken charge of the same. Arthur has many friends in this part of the country who will be glad to see him do well in his new venture.

Clum Jackson, the well known stage man, was in town during the week. Mr. Jackson says the roads between Mayville and Fossil are well nigh impassible, in fact so near so that it was necessary to pull off the regular stage and substitute a buck board. If the roads do not improve soon Mr. Jackson says they will be obliged to carry the mail from Mayville to Fossil on horseback.

The Enterprise force works fifty-two weeks per year; that's labor. Now and then some one pays for the paper; that's capital. And once in a while some son-of-a-gun of a dead beat runs up a big bill and refuses to pay it; that's anarchy. But later on justice will overtake the last named creature, for there is a place where he will get his just deserts; that's hell.—Mertle Point Enterprise.

A Dry Sunday.

In spite of the heavy wet snow storm which prevailed all day last Sunday was a little the driest Sabbath ever known in Condon. As noted in these columns last week the city fathers instructed the marshal to see that the saloons were closed on Sunday and as a result the town went dry for one day and the thirsty ones expectorated cotton and emitted profanity in lurid blue flashes. Not even the drug store could be persuaded to relieve the Sahara like thirst of suffering humanity. One druggist explained his reluctance to do business by the statement that his liquor were all locked up and the key was lost with no hope of finding it until Monday morning.

All of the general stores, confectionery etc were open, although it was rumored on the streets Saturday that they would also be closed. Condon is just now beginning to pass through that trying ordeal which comes to all towns at some period in their existence when one class of citizens affirm that to remove the "wide open" features is to kill the town "too dead to skin" while another class is equally radical on the opposite side and are willing to stop at nothing short of the total annihilation of the saloon and the establishment of a strictly "virtuous Sunday." It is likely, however, that like other towns have done, Condon will finally settle down to a medium basis when the most objectionable features of the saloon and gambling business will be crowded out and the town will become a reasonably law abiding community without being oppressively puritanic or without infringing on the rights and liberties of the people. There is reason in all things and a reasonable and just and lawful adjustment is best for all.

Livery Barn Sold.

Springton & Rogers have sold their livery barn to R. E. and Frank Armstrong and Frank Palmer. The deal will be finally closed in about ten days.

Springton & Rogers have built up a fine business here and as the new firm are all well known citizens and good rustlers there is no doubt but that they will do well at this popular stand.

Mrs. Fred Pinkham expects to leave in a few days for San Francisco.

P. H. Stephenson's baby has been seriously ill for several days with pneumonia.

S. M. Van Cleve, of Trail Fork leaves today for Lawrence, Marion Co., Oregon where he will spend the winter.

Cooke Bros. are about to close a deal for the lease of their fine wheat ranch with W. J. Vandervlute, of Iowa.

Dr. Nicklin, who has been seriously ill and whose life was despaired of for some time was a little better yesterday.

The Condon Milling Co.'s plant was closed down for a few days the first of the week undergoing some necessary repairs.

Dr. Wood was called to Trail Fork Tuesday night to prescribe for Mrs. Win. Parks and baby both of whom were seriously ill.

The lost drill in the new city well was recovered yesterday and the members of the Condon Drilling Co. are feeling good.

W. A. Cummins returned from Portland Tuesday to resume work for the Banker's Life Association. He is doing a big business here.

J. A. Morris has sold his ranch, east of town to a Portland party for \$12,000 an acre. Mr. Morris will buy property and locate in Condon.

The infant daughter of Mr. and Mrs. M. E. Summers, died at 10:00 p. m. Tuesday of pneumonia. The funeral took place yesterday afternoon in the Catholic cemetery. The little one was about two weeks old.

J. R. Clark, a former resident of this place, now of Hood River, came in Tuesday to visit friends. Mr. Clark has recently sold his tract of fruit land at Hood River at a large advance over the price he paid some time ago.

Condon weather is showing up in its very worst form this week. Four inches of snow on top of a foot of mud and the whole covered with half mile of cold fog make our climatic conditions anything but pleasant. But we can console ourselves thinking of the months of glorious sunshine we will have next summer.

Mr. and Mrs. M'Millan and Mr. and Mrs. King, of Wasco, arrived Tuesday evening and went out to Thirty-mile the same night to see Mrs. Traux whose death was hourly expected for several days. Mesdames M'Millan and King are sisters of Mrs. Traux. The sick woman was reported better yesterday and some hopes are entertained for her recovery.

Ranch For Sale.

1120 acres of good land 3 miles from Condon. All fenced. About 1/2 of tract is good farm land; balance in pasture. Good horse, barn and other buildings. Plenty of good water on all parts of the farm. Will sell together or in two tracts one of farm land the other of stock range and good garden spot. For price and terms apply to J. C. COONEY, Condon, Oregon.
