Willie Cooney left Sunday for Malheur county where he goes to assist in looking after his father's sheep. Mr. and Mrs. Cooney accompanied him as far as Arlington.

Hats, millinery goods, toys, fancy goods etc. for the Holidays. Great reduction in prices on millinery goods until after the first of the year. Miss Dora Downing's.

Thomas Davis, an old man who lived alone in a cabin a few miles south of Mt. Vernon, Grant county, was found dead in his bed a few days ago. His death was due to natural causes.

A Christmas tree will be given by the Congregational Sunday School Christmas eve, December 24. A bevy of animated dolls will be present to furnish the entertainment which is said to be most excellent.

Frank Palmer, who recently bought Frank Clark's residence on the East Side moved his family in from Ferry Canyon the first of the week. Mr. Palmer recently paid \$500 for the property and has since been offered \$700 for it.

Mr. and Mrs. C. F. Sharp were in town Monday. They will keep posted during the coming year in county and state news with the aid of the Globe and the Salem Capital Journal. Both these excellent papers for the price of one \$1.50 a year.

Cooke Bros. purchased four fine lots on the East Side (now known as Nob Hill) Saturday and will erect a handsome modern dwelling on the same in the spring. They also expect to put up a repair shop for machinery etc. and will be prepared to do all kinds of machine work.

A pleasant party was given at the home of Mr. and Mrs. J. A. Richmond, in Ferry Canyon, last Friday evening. About a dozen went out from town in a four-horse bob seigh and all report having had a most enjoyable evening. An elegant supper was served and the evening was most pleasantly spent.

W. J. Vandervliet, who recently took a lease for two years on Cooke Bros.' ranch, will take possession of the place about March 1st. He expects his family to arrive from Iowa by that time. Mr. Vandervliet's brother-in-law who has rented S. B. Hartshorn's ranch will arrive with his family at the same time.

H. K. West, the well known Hay creek wheat grower has leased his ranch to his father-in-law, Frank Moore for the coming year. Mr. West left Tuesday morning for Sumas, Washington, where he goes to visit his brothers who are in business there. Mr. West will return by the time the roads get in good condition to haul off his last year's wheat crop.

The Latter Day Saints Sunday school will have a Christmas Tree in their church Christmas Eve, December 24. A fine old fashioned good time is expected. Mesdames Rice, Wallace, Livingston and Goodwin compose the committee to receive presents and put them on the tree. They may be found in the church at any time on the afternoon of December 24.

The Condon Milling Co. has orders ahead to keep the mill busy full time until the middle of February but will be obliged to shut down on account of the impassable condition of the roads which make it impossible to get their product hauled to the railroad. All of their available storage room is full and unless the roads improve and make it possible to relieve the congestion they may have to close down for a while.

Cutting Affray.

A serious cutting affray occurred at a dance at Will Harrison's place on Matney Flat last Friday evening. Considerable "boose" was on tap outside the house and after getting properly "ginned up" a free-for-all fight occurred in which a number of Trail Fork and Matney Flat boys were engaged. In the mix-up Otto Yarbough, of Trail Fork received a serious cut in the left thigh and an ugly gash on the right hand. The former wound was several inches long and quite deep and required almost 30 stitches to close it. The cut on the hand required six stitches. The injured man was brought to town and Dr. Wood attended to his wounds. Yarbough either does not know or will not tell who did the cutting and those who witnessed the affair say the scrap was so general and so fierce that it was impossible to tell who wielded the knife.

May Strike an Artesian Flow.

The drill of the Condon Drilling Co., at work on the city well is down almost 150 feet and the management have strong hopes of striking an artesian flow of water. The first vein of water was struck at a depth of about 60 feet and the water at once raised in the well to within 25 feet of the surface and each vein struck since has continued to raise the standing water until on Monday morning the water stood within 10 feet of the surface. It would seem that if the drill should penetrate another strong vein it should cause the water to flow from the well and then Condon would be strictly it.

Shipping Bear to Market.

The first shipment of live bear from Gilliam county, so far this season, went through town Friday morning. The animals were shipped by Wm. Stillwell and consigned to the Union Meat Co. at Troutdale. There was a little less than a car load of the bears and the shippers expected to fill out the car with a few of B. K. Searcy's hogs to insure the bears reaching market in good condition. Bear steaks are expected to be plentiful in Portland Christmas. Gilliam county is to the front again. She now seems to lead in the export bear trade.

Moore.

Mrs. Sylvia Moore, wife of Albarn Moore, of this city, died at 2:30 p. m. yesterday, of hemorrhage. She had been in ill health for some time but had been better recently until Tuesday afternoon when a change for the worse came and death resulted as above stated.

Her husband and four children are left to mourn the loss of a devoted and loving wife and mother and to them will go forth the heartfelt sympathy of a large circle of friends.

The funeral takes place today the services being conducted by Elder Crumley of the L. D. S. church.

Al Moore is a victim of the grippe this week.

Miss Mary Foster is suffering from an attack of pneumonia.

James Lavigne, the bag puncher who made quite a hit in Condon some time ago, gave an exhibition in Pendleton last Saturday night to a large crowd, in the basement of the Hendricks building. The exhibition consisting of a glove contest in which Lavigne made a flowery play by knocking out his opponent Green in the first round. The E. O. says the crowd was very well pleased with the exhibition. A good sucker never kicks.—Fossil Journal.
