HOW FAST WE GROW

Improvements During the Past Year. A Gratifying Growth.

The year which is about to close has been marked, in Condon as the banner year in the town's history in the way of substantial and permanent improvements. Twenty-eight business houses and dwellings have been erected during the year at an aggregate cost of about \$40,000.00.
The year will also be remembered as the one in which the first important manufacturing establishment (the Condon Milling Co.'s plant) was established and also as the date of the erection of the first brick building (Dunn Bros. store.)
Following is a list of improvements for 1902:
Manufacturing—Condon Milling Co. (Hollen & Marquardsen) flour feed etc. Business Houses—Dunn Bros. general merchandises (brick.) Condon Pharmacy (Henshaw & Crossfield) drugs. Condon Furniture & Hardware Co. (George Earhart) Furniture hardware etc. Condon Meat Co. (Edden Harrison & Madden.) Fresh and salt meats.
Dwellings—Mrs. Mary Brown, L. B. Townsend, R. McKinney, J. J. Portwood, Albarn Moore, A. B. Moore, Tom Scott, Overlander, Carl Becker, H. G. Jordan, G. Schilling, W. S. Myers, Colby Clarke, Cleveland, Pryor—Clinton, J. F. Pinkham, Frank Palmer, R. B. Pog, H. H. Little, C. O. Contry, S. A. Thompson. In addition to these improvements a number of citizens have added extensive additions to their dwellings.
As stated above the aggregate cost of these improvements total up to about \$40,000.00—an amount far in excess of that spent for building in any other year of the town's history.
In 1898—the year in which the city water works were constructed—the total amount expended in improvements including the water works, was less than \$10,000.00. Deducting the cost of the water system, which was about \$4,000.00 leaves less than \$6,000.00 as the amount expended in private improvements. Thus it will be seen that the growth of the town in 1902 has been about seven times that of 1898. This is certainly a gratifying showing and when we take into account that the coming year promises to eclipse in improvements, several times over, the one just passed we must conclude that Condon is all right and getting better all the time. Let's all hitch up our overalls and get ready for a long, strong pull for seven times as much improvement in '03 as we have had '02. What say you neighbors?
Says He Was Tortured.
"I suffered such pain from corns I could hardly walk," writes H. Robinson, Hillsborough, Ill., "but Bucklen's Arnica Salve completely cured them." Acts like magic on sprains, bruises, cuts, sores, scalds, burns, boils, ulcers. Perfect healer of skin diseases and piles. Cure guaranteed by Condon Pharmacy.
Wish Him Joy Anyway.
Our friend George Hardie the well known Trail Fork sheepmen played quite a sly trick on us by getting married so very quietly a week ago last Sunday that not an inkling of the happy event reached this office until after our last issue was printed. We did not expect the wedding to take place until about Christmas and so for once was caught off our guard. The bride was Miss Temperance Shaw, one of the most charming young ladies of the Mayville section. The happy couple left for Portland Monday to spend their honeymoon. The Globe extends congratulations and best wishes for their future happiness and prosperity but we serve notice right now that if they ever get married again we will expect them to send the Globe a postal card announcing the fact.
Food Changed to Poison.
Patreling food in the intestines produces effects like those of arsenic, but Dr. King's New Life Pills expel the poisons from clogged bowels, gently, easily but surely, curing Constipation, Biliousness, Sick Headache, Fevers, all Liver, Kidney and Bowel troubles. Only 25c at Condon Pharmacy.
Myers-Balding.
Last Sunday afternoon, at 5 o'clock, at the home of the bride's mother, in this city, Mr. George Myers and Miss Jennie Balding, two of our best known and most highly respected young people were united in marriage, Rev. Healy of the Congregational church performing the ceremony.
Only the immediate relatives and a few close friends of the contracting parties were present to witness the nuptials.
The Globe extends best wishes for the future welfare of these deservedly popular young people and thanks for a liberal allowance of most excellent wedding cake.
The Lone Rock stage came in on runners for the first time Tuesday. Mr. Goff has plenty of rigs for all kinds of roads and weather.
