

THE CONDON GLOBE.

THURSDAY APRIL 30 1903.

Rudman Wanamaker, son of John Wanamaker, of Philadelphia, has just had his life insured for \$2,000,000.

The Long Creek Light is responsible for the statement that Grant county ranchers holding deeded land over which sheepmen from the outside counties are obliged to pass with their sheep to reach the mountain ranges have decided to allow no stock to cross their lands this season.

Here Mst is out of jail again and, of course, is busy making speeches. Here most always says something when he speaks and his latest statement is that "anarchists are the only pure, noble, gentle, high-minded people in the world."

Portland employers of labor have placed themselves in an untenable position by refusing to submit the differences between themselves and their employes to arbitration. The working men have acted fairly. They have offered to leave all questions at issue to a board of seven men three to be chosen by the unions, three by the employers and these six men to select the seventh.

AN IDEA FOR MR. CARNEGIE.

Here is an idea which it might be well for Mr. Andrew Carnegie to consider. The noted multi-millionaire philanthropist is said to be worried with the fear of dying rich because he cannot give away his money fast enough.

When palatial library buildings have crumbled into dust and been forgotten such a work would still stand a mighty artery of commerce an avenue for the transportation of millions of bushels of golden grain to feed the people of every quarter of the earth.

Dr. Kennedy visited Condon Monday. Dr. W. Ralston was here first of week. Why can't Olex celebrate the Fourth of July this year?

The school entertainment at Locust Grove last Friday was a great success. W. A. Campbell, the well known insurance man was here during the week.

The Olex Band is progressing nicely and will be in good condition for the 4th. Charlie Martin visited Condon during the week.

The Georgia Harper Company closed a successful week's engagement here Saturday night. The company is an excellent one.

Miss Carrie Danneman was in from Clem yesterday.

I will sell at public outcry to the highest bidder on Saturday, May 23, 1903 at my place on Bluffier Flat, 16 head of work horses, one threshing machine, the Pride of Washington, one header, four wagons and other farm implements.

School Clerk's Notice. All school warrants of School District No. 9 are payable to date. Interest ceases after April 10, 1903.

Pioneer Reunion.

The Wheeler county, Oregon, Pioneers will hold their 5th annual meeting on the Pioneer Camp Grounds on Service Creek 12 miles Southeast of Fossil in the first week of June this year commencing on Tuesday June 2nd and continuing four days.

Preparations are being made for a grand old fashioned tent and camp meeting. They have 40 acres of ground enclosed with a 4-wire fence which will supply pasture for all the horses that the campers may turn out.

An invitation is hereby extended to all our friends especially to the pioneers of Gilliam county to be present and join in with us in having a good time. This is a rare opportunity to renew old acquaintances and form new ones.

Messrs. Currie and Ramsay traveling salesmen were guests Friday night.

John Arkley, the jolly fellow usually known as "Shorty," is in Clem for the Summer.

Willis Apple is now wielding the rod in the Wester school District No. 24.

Hon. Britton White, of Ferry Canyon, was a guest Saturday on his return from Arlington.

When in Clem don't think of passing us by for we assure you a well dinner and your presence affords us pleasure.

"Tis the same old story "Just out of water" thus the cattle that were wintered here will be removed soon to parts more plentifully supplied.

Not long since a grave was discovered near here and quite naturally all grew curious to know its contents thinking it strange none had ever seen it before. This aroused a party was formed and the unknown was made known inasmuch as there was nothing found save a few boards through which wire nails had been driven.

Ajax School Notes.

Edith Adlard and Fred Nicholson returned to school Wednesday after a week's absence.

The C History class has just finished the book and are now reviewing.

Call around some morning and hear the Ajax school sing.

There has been 17 visitors since the school began.

Mrs. E. Maley, Mrs. Lizzie Maley and Mrs. Agnes Palmer visited the school Wednesday.
