COLUMBIA BREWERY. AUGUST BUCHLER, Prop.

Of the product of this well-known brewery the United States Health Reports for June 28, 1900, says: "A more superior brew never entered the labratory of the United States Health reports. It is absolutely devoid of the slightest trace of adulteration, but on the other hand is composed of the best of malt and and choicest of hops. Its tonic qualities are of the highest and it can be used with the greatest benefit and satisfaction by both old and young. Its use can conscientionally be prescribed by the physicians with the certainty that a better, purer or more wholesome beverage could not possibly be found." East Second Street, THE DALLES, OREGON.
