

## INTERESTING FACTS About Condon and Gilliam County.

Gilliam County has a present population of about 4,000.  
Condon has a present population of about 600.  
Gilliam County contains more than 500,000 acres of tillable lands, less than one-third of which is now in cultivation.  
Condon is centrally located in the midst of this rich region and is the permanent county seat of the county.

### Have you stopped to think

what this means to Condon? It means that the county when fully occupied will furnish homes for 40,000 people, and that Condon will, in less than five years have a population of 4,000 or more.

Taking these facts into account and the further fact that property has advanced 50 per cent during the past year it is reasonable to conclude that values will continue to advance rapidly within the next few years.

### The Ball Game.

The Condon and Fossil base ball teams crossed bats on the Condon diamond last Sunday when the Condon boys went down in defeat to the tune of 14 to 4. The return game will be played at Fossil next Sunday and from the looks of things if the Condon boys want to stand any show they will have to do some practicing this week.

Fossil had a walk over.  
It will be different next Sunday, Hon. W. W. Steiwer was a conspicuous figure.  
The way the wind blew and the dust flew was a caution.  
Somebody accused the genial editor of the Fossil Journal of kicking up too much dust.  
The cause of the downfall of the Condon team was the fact that their new suits failed to arrive Saturday but if all goes well they will appear in full uniform next Sunday, then look out.

**A Sure Thing.**  
It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre of Sheperdown, W. Va., says: "I had a severe case of bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by The Condon Pharmacy. Trial bottle free. Regular sizes 50c, \$1.00.

**First National Bank.**  
An important announcement of last week for Condon was that made by the Oregonian to the effect that the application of H. L. Williams, D. B. Provost, L. L. Mult, J. L. Fenton and T. E. Hills to organize a national bank here has been granted by the Comptroller of Currency. The institution will have a capital of \$25,000. This will fill a long felt want in Condon as the town has rapidly outgrown the condition of being unable to satisfactorily conduct its business without a bank of her own. Forty miles away is too far.

**Quick Arrest.**  
J. A. Gullidge, of Verbena, Ala., was twice in the hospital from a severe case of piles causing 54 tumors. After doctors and all remedies failed Bucklen's Arnica Salve quickly arrested further inflammation and cured him. It conquers aches and cures pain. 25c at Condon Pharmacy.
