NTERESTING FACTS

About Condon and Gilliam County.

Gilliam County has a present population of about 4,000.

Condon has a present population of about 600.

Gilliam County contains more than 500,000 acres of tillable lands, less than one-third of which is now in cultivation.

Condon is centrally located in the midst of this rich region and is the permanent county seat of the county.

Have you stopped to think

what this means to Condon? It means that the county when fully occupied will furnish homes for 40,000 people, and that Condon will, in less than five years have a population of 4,000 or more.

Taking these facts into account and the further fact that property has advanced 50 per cent during the past year it is reasonable to conclude that values will continue to advance rapidly within the next few years.

Edward Hine, a correspondent of the Liverpool Mercury, in a communication to that paper speaks as follows: "I am willing to risk my reputation as a public man if the worst case of smallpox cannot be effectually cured in three days, simply by cream of tartar. This is the sure and never failing remedy: One ounce of cream of tartar dissolved in a pint of boiling water, to be drank, when cold, at short intervals. It is known to have cured in 1000 cases, without a failure. I have myself restored hundreds by this means. It never leaves a mark, never causes blindness, and always prevents tedious lingering. If the people would only try it and report all the cures to you, you would require to employ many columns if you gave them publicity.

I am a baby eleven months old and nearly worn out already. Please let me alone. I am not a prodigy except to the extent that of having nothing to say, I don't talk. Two big persons claim to be my parents. Why can't they let it go at that? I *have never denied the charge.* I haven't much data to go by, but I don't think that I am either a magician, a learned pig or a virtuoso. I don't hanker for applause; so it will be an appreciated favor if you won't put me through any parlor tricks. If I have my wealthy old Uncle Ezra's nose, congratulate Uncle Ezra, but don't blame me. I may be a kleptomaniac, for all I know, but I can't help it. Don't rattle rattles at me they rattle me. Don't googoo and ootsiekootsie at me. I can't understand it any better than I can the English language. The pain I have is not in my stomach but in my neck. I don't want to be entertained or mystified or medicated or applauded. And if you don't want me to grow up to be a hypochondriac, a stamp collector, an awful example a ping pong enthusiast or a misanthrope you just lemme be!—Smart Set.

LONE ROCK.

Sheep shearing is in full blast.

Died, May 13, the infant child of Mr. and Mrs. Mathews.

Jesse Goff came in from Pendleton Sunday and will visit his parents a few days before returning.

The crops in this vicinity are very backward and unless there is plenty of rain soon the hay crop will be slim.

Geo. Wick took his wife to Heppner last week for med cal treatment and we are pleased to learn that she is improving rapidly.

Mrs. Frank Robinson was taken seriously ill very suddenly last Monday. The cause was attributed to an overdose of head ache tablets.

A couple of bands of sheep passed through on their way to the Grant county mountains Tuesday. They kept in the lane through here but it will be surprising if they don't get the wool knocked off them before they reach the tall timber.

E. J. Reynolds was here last week receiving cattle. The prices paid were $18 for yearlings and $28 for two-year-old steers. Quite a number in this vicinity are being held over for the fall market which will no doubt be far better than at present.

Ed Huber is clerking in Tobey Bros.' store.

John Randall, of Arlington, accompanied by Mr. Lung visited his parents Sunday.

Mrs. Fay George, of Arlington, who has been staying on her ranch for the last two weeks, is visiting with the Misses Randall this week.

Messrs. Smailes and Ames, representing the Arlington & Pacific Railway Co., have been working in this vicinity the past week leveling out the different canyons putting out from Rock Creek so that when the time comes to commence work the Co. will be informed as to the best route to reach Condon from some point on this stream. They seem confident of having found an easy grade.

Quick Arrest.

J. A. Gulledge, of Verbena, Ala., was twice in the hospital from a severe case of piles causing 54 tumors, After doctors and all remedies failed Bucklen's Arnica Salve quickly arrested further inflamation and cured him. It conquers aches and cures pain. 25c at Condon Pharmacy.
