

INTERESTING FACTS

About Condon and Gilliam County.

Gilliam County has a present population of about 4,000. Condon has a present population of about 600. Gilliam County contains more than 500,000 acres of tillable land, less than one-third of which is now in cultivation. Condon is centrally located in the midst of this rich region and is the permanent county seat of the county.

Have you stopped to think

what this means to Condon? It means that the county when fully occupied will furnish homes for 40,000 people, and that Condon will, in less than five years have a population of 4,000 or more.

Taking these facts into account and the further fact that property has advanced 50 per cent during the past year it is reasonable to conclude that values will continue to advance rapidly within the next few years.

THE CONDON GLOBE.

THURSDAY JUNE 11, 1903.

In Oregon the wind bloweth where it listeth and as long as it pleases.

The ice cream girl is in her glory now and her best young man is in a daze of a fix.

How about the portage road? The attempted referendum was defeated and the state should get a move on.

If the Columbia bottoms and the Mississippi valley now suffering from an over supply of aqua pura will send part of what they don't want to the uplands of Gilliam county we can use it to a good advantage, thank you. In form of gentle June showers preferred. No use for cloud bursts or water spouts.

And now we read that the plan of Capt. Harts, for opening the Columbia river to navigation at Celilo has been abandoned by the Board of Army Engineers and the work will be held up until 1904 or until another "plan" is submitted. Rates and the railroads don't care a continental if there are 400 other plans to be submitted and rejected. The portage road must be built.

A San Francisco man handed his wife a revolver and asked her to kill him and now she is suing him for a divorce. This plan of getting rid of the matrimonial yoke is not recommended, however, as some women are so squeamish about fire arms that they might let the gun go off accidentally. The old reliable method of making love to the cook is a more pleasant and much safer way of bringing about the desired result.

Wheeler County Pioneers.

The Wheeler County, Oregon, Pioneers held their fifth annual gathering on June 3-4-5, Tuesday Wednesday and Thursday, at their grounds on Service Creek, 12 miles south east of Fossil. The society has incorporated and bought 40 acres of timber land on the creek which includes some fine pine timber also some pasture land. There is a fine stream of water running through the valley and two fine springs of very cold water. As a camping ground or a place to hold a picnic it is unsurpassed. The pioneers feel justly proud of their home.

Tuesday, June 2 was spent in pitching tents and fixing the grounds. Some 30 tents were pitched with an average of 5 or 6 persons to each tent.

Wednesday was the day of the exercises. The Kossel Brass Band and the Richmond String Band furnished the music which was fine. I. A. Henderson, pres., J. D. McFarland, sec., L. E. Keeton, marshal; W. W. Steiner, chairman, program committee. Mrs. J. E. Donnelly and Mrs. T. T. Keys, ladies' committee. After the reading of the minutes and calling the roll by the secretary the president made a few opening remarks then introduced Mr. John F. Plankman, of Condon, who delivered the address which was well received.

The secretary reports that there are at present about 100 members, during the day it was estimated that there were between 400 and 500 people present. The ladies had prepared plenty to eat and the ladies were appreciated by all. Thursday was devoted to the business of the society. Altogether the meeting was a complete success and enjoyed by all.

That Throbbing Headache

Would quickly leave you, if you used Dr. King's New Life Pills. Thousands of sufferers have proved their matches merit for Sick and Nervous Headaches. They make pure blood and build up your health. Only 25c, money back if not cured. Sold by Condon Pharmacy.

Olex.

The citizens of Olex are suffering from the hot weather.

The strawberry festival given at the church last Friday evening is reported to have been a success.

Mr. Nott has returned from visiting his mother who has been dangerously ill.

The strawberry and ice cream social given at Locust Grove Saturday evening was attended by several young people from Olex.

Messrs Simmons, Smailes and Finley, of the Arlington & Pacific R. R. Co., passed through here last Sunday on their way to Portland.

A negro troupe gave a fairly good entertainment at Wade's hall Saturday evening.

The east winds are doing great damage to crops in this vicinity and if it continues much longer the damage will be great. Haying has commenced and is the poorest crop we have had for years.

We hear plenty of railroad talk but no work as yet. The country here and south of here needs a road and it would certainly pay well but we see no relief in sight for this year.

The 4th of July is near but we hear no talk of a celebration at Olex and presume there will be none.

Startling Evidence.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption Coughs and Colds to be unequaled. A recent expression from T. J. McFarland Bentonville, Va. serves as example. He writes: "I had Bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles entirely cured me." Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia, Grip, Guaranteed by Condon Pharmacy. Trial bottles free, regular size, 50c and \$1.00.

ALVILLE.

We had a ball game here Friday. Ajax came over with banners flying and trumpets blowing and it was a good game. Ajax got three tallies to Alville's 16. Good bye Ajax we feel sorry for you but just wait.

The entertainment was a grand success.

Mrs. C. J. Richmond returned from The Dalles Tuesday.

Geo. Schott was visiting in our burg Tuesday.

Mr. and Mrs. Kibbey were visiting friends in the city Sunday.

Haying has commenced on the Robert Seekamp ranch.

J. J. Wasson returned from Arlington Monday where he had been delivering hogs.

Sam E. Van Vector and family went to Arlington Tuesday. From Arlington Mr. Van Vector goes to the Okanogon country, in Washington, to look after legal business, while his family goes to Columbus, Washington, to visit relatives. They will return to Condon in about two weeks.

Worst of all Experiences.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newton, Decatur Ala. "For three years" she writes, "I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I'm completely recovered." For Liver, Kidney Stomach and Bowel troubles Electric Bitters is the only medicine. Only 50c. Guaranteed by Condon Pharmacy.

POPULAR NORTH BEACH.

Excursion Steamer T. J. Potter goes into service June 27.

Those who are planning their vacation this year will be interested in knowing that the popular excursion steamer, the T. J. Potter,—queen of river boats—goes into service June 27, and that she will leave Portland, during the season, every day from Tuesday until Saturday inclusive. To see the beauties of the picturesque and mighty Columbia from the decks of the Potter is a treat never to be forgotten. For speed and grace nothing in river or lake service in the entire West equals this side-wheeled beauty. Five hours from Portland and one from Astoria, through the famous fishing waters of the Columbia, past scores of salmon traps and nets and as many white winged fish boats, lands the passengers at Ilwaco, where close connection is made for beach points with trains of the Ilwaco Railway & Navigation Co., whose cars stand on the wharf awaiting the steamer. The beach is 27 miles long two hundred yards wide at low tide, and so hard that carriage wheels hardly leave a mark. It is an ideal place for driving riding wheeling or walking and the surf bathing is unsurpassable. The excellent hotels and boarding houses provide good accommodations at prices ranging from one dollar to three dollars per day.

The round trip rate from Portland to Astoria is \$2.50; to Ocean Beach points \$4.00, good until October 15th. On Saturdays, during July and August, round trip tickets are sold to beach points at \$2.50, good for return leaving the beach the following Sunday evening.

The Oregon Railroad & Navigation Co. has just issued a new summer book, (free for the asking) which tells all about the delightful resorts of the Valley of the Columbia River. This can be obtained from any agent of the O.R. & N. Co. or by writing A. L. Craig, General Passenger Agent, Portland, Oregon.

For Trade.

We have a client who wants to go into the stock business and would like to trade an elegant eight room cottage for good range horses or stock cattle. The property is situated three blocks from The Dalles High School. Has two lots 50x100 feet each; bath hot and cold water; nice lawn; fine basement; all kinds of bearing fruit and berries; also has a good barn, corral, chicken house and lots carriage house and other necessary out-buildings. The property is nearly new and was erected at a cost of about \$2,500. Would make a very desirable home for a family retiring from active life or wishing to give children the advantage of a high school. For further particulars see or write Hudson & Brownhill Real Estate & Investment Co., 208 Washington street, The Dalles, Oregon.
