There is more Catarrn in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J.
