INTERESTING FACTS

About Condon and Gilliam County.

Gilliam County has a present population of about 4,000.

Condon has a present population of about 600.

Gilliam County contains more than 500,000 acres of tillable lands, less than one-third of which is now in cultivation.

Condon is centrally located in the midst of this rich region and is the permanent county seat of the county.

Have you stopped to think

what this means to Condon? It means that the county when fully occupied will furnish homes for 40,000 people, and that Condon will, in less than five years have a population of 4,000 or more.

Taking these facts into account and the further fact that property has advanced 50 per cent during the past year it is reasonable to conclude that values will continue to advance rapidly within the next few years.

THE CONDON GLOBE.

THURSDAY JULY 2, 1903.

THE DAY WE CELEBRATE.

Next Saturday is the day we celebrate. The 127th anniversary of American Independence. The day of the small boy's glory and the ice cream girl's joy. It is the day of spread eagle oratory, of National songs, of glowing patriotism and of red lemonade. It is the one day of the year when we American Kings swell out our manly chests with patriotic pompesity and point with pride to the peerless pranks of our progenitors and then fill up brim full of booze and batter our beavers into smithereens in the exuberance of our joy.

It is a great day.

Some cynics strive to scoff at the Glorious Fourth but it's no use. It can't be downed. So long as this Union stands that long will the Fourth be remembered and celebrated. No matter if it rains or blows or is scorching hot; no matter if the lunch basket is heavy and the festive red ant numerous; no matter if the sage tick troubleth the picnicer or the mosquito buzzeth at his ears, it is the Glorious Fourth and it must be celebrated. And it will be celebrated in Condon, *in this year of our Lord, with* a hearty good will. Everybody will be here and everybody will enjoy the day to the utmost. There will be something for everyone: Salutes and sunburn, fun and firecrackers, parades and prizefights, oratory and ornary kids, music and mad mammas, dinner and dancing, plug uglies and pretty girls, base ball and booze, horse racing and happy people. And the Goddess of Liberty will look down from her exalted throne and will say: "It is well—some of these things—enjoy yourselves my children while it is yet the Fourth of July for tomorrow is the Fifth, the day of headaches and 'that tired feeling' when you will all have to go to work again. It only comes once a year which is also well."

Night Was Her Terror.

"I would cough nearly all night long" writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but, when all other medicines failed, three $1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure Coughs, Colds, La Grippe, Bronchitis, and all Throat and Lung Troubles.

Guaranteed by Condon Pharmacy. Trial bottles free, regular sizes, 50c and $1 00

Sir Thomas Lipton's new yacht, Shamrock III, made an excellent showing in her first trial trip off Sandy Hook last Saturday and yachtmen who witnessed her performance are of the opinion that the cup defender in the coming race will have to show a clean pair of heels and sail a lively clip to defeat the Britisher. America will propably be able to retain the cup but if the fates decree that it must go abroad we can give it up with better grace to a true blue sport like Sir Thomas than any other man. He has shown himself a gentleman and a true sportsman in the past and has thus earned the respect and good will of all Americans.

It is not enough that Miss Ware should be haled into court on various charges of fraud, forgery, etc., but as if adding insult to injury the Portland papers describe her as having "carrotty red" hair. Oh! this cruel world!

A WONDEREUL ORGANIZATION.

The German socialists gained 25 additional seats in the reichstag at Wednesday's voting which gives them a strong showing in a body where a few years ago they were as insignificant politically as they were weak numerically. In 1871 when socialism in Germany first attracted serious attention, the total vote polled was less than 125,000 Ten years later it was over 300,000; in 1890 nearly 1,500,000; in 1898 over 2,000,000, and it is now approaching 3,000,000, with a gain of 63,000 in the city of Berlin alone, as compared with the vote of three years ago.

The socialists of Germany are not the extremists who have been commonly associated with this name. The party is composed largely of working people; its aim is to bring about a larger degree of equality and some of its doctrines might be considered radical, in view of the changes in form of government proposed. But as a party it is growing in intelligence and responsibility, and because of numerical strength must inevitibly become a force in German life.

The success of the socialists, or social democrats as they are often called, is due in large measure to perfection in organization. It was decided long ago that the only way to make the party grow and keep it strong and durable was to make it rich in resources. And so every member contributes to the party fund, which is used for organization, for propaganda and for such other puposes as the powerful executive committee approves. They pay their members of the reichstag the editors of the party papers, and the preachers of their doctrines, but the members of the party are expected to work without pay on election day. Each individual member is kept in close touch with the party as a whole, and, as an harmonious force, working for a common end, the German social democratic party is one of the most effective in the world.—Spokesman-Review.

Illegal Fire Insurance.

Secretary of State, Dunbar is sending out circular letters to insurance agents and newspapers notifying them that the Union Fire Insurance Co., of Chicago, is soliciting insurance business in Oregon contrary to law not having complied with the insurance laws of the state. The company is not considered reliable and should a loss occur the amount could not be collected. They are good people to let alone,
