

JUST AS EASY

It's easy to be righteous when the profit comes that way. It's easy to have virtues, if virtues only pay. It's easy to be truthful, to be patient, to be kind, if in being so we profit or the ones who trudge behind. Oh, it's hard to still be truthful when a little lie would pay; Oh, it's hard to cling to goodness, seeing profit slip away, and the saints are few in number who go on through thick and thin, being righteous when, unnoticed, they make it pay to sin.

HE ANSWERS QUESTIONS.

The following description of a western town is from the spry pencil of Col. E. S. Durkee, of the Tekeo, (Washington) Blade. As it answers, in a general way, many questions propounded to the GLOBE, we reproduce it for the benefit of our army of Eastern readers:

The Blade is in receipt of a letter from a resident of Pennsylvania inquiring about the Palouse country and asking a "few simple questions." We take pleasure in giving a few simple answers:

Q. How does land sell in your section?

A. It depends a great deal on which real estate agent is handling it. Some of the Spokane agents are gifted with enough imagination to sell it for four times what it is worth.

Q. How is water and how do you get it?

A. The water is quite wet. Some draw it from the hydrant while some get it from the bartender in a separate glass.

Q. Do hogs thrive?

A. They do. One old sow with whom the writer is personally acquainted has thrived twice during the past year.

Q. How are your titles?

A. Plenty. Our town marshal has seventeen. We have numerous dudes and several judges.

Q. How many classes of people have you?

A. Two. Those who subscribe for the Blade and those who don't.

Q. How is religion? Is it much thought of?

A. Quite well thank you. It lies around perfectly free. It has a good reputation and is spoken of very highly in the churches.

Q. Do the Indians bother the whites?

A. They do. They are very bothersome when drunk. It sometimes bothers the whites to beat them playing baseball.

Q. How much money does it take to start in your country?

A. One dollar and a half. This will pay for the Blade one year. You can then make peace with your maker and start in.

Q. Is there any show for genius?

A. We haven't seen any advertised on the bill boards this season. Should one come along we will let you know.

Q. Who are the principal men in your town?

A. Judge Dickinson, Steve Coffin, and the editor.

Q. Are the people honest?

A. They are very honest since the law prohibiting poker playing was passed.

Q. What are the occupations of the people?

A. Some work in insane asylums, some guard jails and some answer silly questions.

Brutally Tortured.

A case came to light that for persistent and unmerciful torture has perhaps never been equaled. Joe Golobick, of Colusa, Calif., writes: "For 15 years I endured insufferable pain from Rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for Liver and Kidney troubles and general debility. Only 50c. Satisfaction guaranteed by Condon Pharmacy.

BAPTIST CHURCH SERVICES.

Preaching services on the First, Third and Fourth Sundays of the month at 11 A. M. and 8 P. M. Pastor holds service at Mayville the Second Sunday in each month. Study School, 12 o'clock every Sunday morning. Prayer meeting, Thursday evenings at 8 o'clock. Everybody cordially invited to attend these services.

F. C. FLOWERS, Pastor.

MAYVILLE.

Justice Geo. Angell is soon to lose his office and Hon. Judge James B. Mattingly will succeed him. This change will give universal satisfaction as the judge is not only learned in the law but also possesses a high degree of physical and moral courage with which to back up his decisions. He has a brilliant record in Nebraska as a jurist and Indian fighter having set as a circuit judge there for 27 years and during that time convicted and executed upwards of 7000 desperate criminals. He is a terror to evildoers and has fought Indians on almost every quarter section of land from Kentucky to the Pacific ocean. It is expected there will be quite an exodus of bad men from here when the judge takes his place on the bench. Mr. and Mrs. Wm. Floyd, of Seattle, left for home Saturday after a ten day visit with their daughter, Mrs. Belle Keys. Mr. Floyd runs sheep in the Condon and Ferry Canyon country years ago when there was only a spring where Condon now stands and that a very muddy one. Mayville then had one house and a blacksmith shop. He had no idea then that this country would ever be settled as it now is with a continuous fenced lane from Arlington to Fossil. He says all that is needed now is a railroad.

"Laughing George" was in town Sunday with two live rattlesnakes, one a monster 3 1/2 feet long with several rattles and a button and the other a smaller pattern with only a button. He caught them for Miss Egin who will take them to the museum at Salem.

Ask G. Dukek how it feels to run across an 80 acre plowed field with the thermometer at 100 in the shade to answer a signal from a dish apron and hear him—laugh.

Mr. and Mrs. Henderson visited in Mayville Sunday. They expect to go to the mountains next week to spend a month hunting and fishing.

Quite a party of women and girls went out to Jim Baussey's place Sunday to see that new boy and to josh Papa Jim.

Ask El Stinefield if he has driven a team and buggy down in the west end of town lately and see him blash.

Mrs. Edelman has been suffering from an attack of lumbago for some time.

Uncle Jim Edelman is some better now being able to be up.

Mr. Davenport has been quite ill a few days.
