### On the Diamond.

Condon's crack ball team went to Ione Sunday to play the team of that town and as was expected by every loyal Condonite the score stood 7 to 11 in favor of Condon. The Ione boys are no slouches, however, and they made Condon play ball. The game was interesting from start to finish and the large crowd of spectators present were well pleased with the work done. The boys reached home Monday afternoon covered with dust and glory and feeling as though they were ready to go up against all comers on the ball field.

Features of the Ione game worthy of special mention were the high-class work done by the Condon battery, Jarvis and Parker and the excellent fielding by Cornett, of the Ione team.

A game will be played on the Condon diamond Sunday between Fossil and Condon. It is understood that Fossil has imported some new players and that they live in hopes of wiping the Condon team off the earth next Sunday. The Condon pulse is still normal however.

The much heralded game between the fate and the Ione on the Condon diamond last Sunday was all the Ione predicted for it and more. The game was a sort of blending of science and art the work done being at once scientific and artistic.

The Ione won out by a score of 9 to 11 but they had to work for it. The last men did not weaken or get short winded as the game progressed but seemed to play better ball at the finish than at the start. They fully believe that they can win from their Ione friends next time and another game may be arranged for next Sunday forenoon.

### Favors the Portage.

Jay Bowerman, republican nominee for joint senator, left for The Dalles Monday evening where he went to attend the portage road convention which was called to meet at that place on Tuesday. Mr. Bowerman is a warm advocate of the portage and believes it to be a matter of such great importance to the people of this section that the next session of the legislature should take such action as may be necessary for the completion of the road.

The home of Mr. and Mrs. H. F. Ellis, north of town, was the scene of one of the most enjoyable social events of the season last Friday evening, the occasion being the 15th birthday of their daughter, Miss Carrie. A large crowd assembled at about 8:30 and began the evening's amusements which continued until daylight Saturday morning. An excellent supper was served at midnight and ice cream and cake at four o'clock in the morning. Miss Ellis was the recipient of many nice presents and all joined in wishing her many happy returns of the day.

### A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all long and throat troubles. Thousands can testify to that. Mrs. C. B. Van Meter, of Shepherdstown, W. Va., says: "I had a severe case of bronchitis and for a year tried everything I heard of but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely."

It's infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. Guaranteed bottles 50c and \$1.00. Trial bottles free.

For sale by Condon Pharmacy.

### Card of Thanks.

We desire to express our gratitude and appreciation for the kindness and sympathy of our friends and neighbors during the sickness and death of our beloved daughter.

MR. AND MRS. S. McGILVERAY.

Cured His Mother of Rheumatism.

"My mother has been a sufferer for many years with rheumatism," says W. Howland, of Husband, Pa. "At times she was unable to move at all while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried in fact, she never is without it now and is at all times able to walk. An occasional application of Pain Balm keeps away the pain she was formerly troubled with."

She was a member of Maple Circle, W. of W. and the funeral, which took place Sunday afternoon was conducted by that order. Rev. Strange, of this city, delivered the funeral sermon, the services being held in the Mayville church. The funeral was one of the largest that ever entered the Mayville cemetery.

### An Open Letter.

From the Chapman, S.-C., News: Early in the Spring my wife and I were taken with diarrhea and so severe were the pains that we called a physician who prescribed for us, but his medicines failed to give any relief. A friend who had a bottle of Chamberlain's Cough Remedy on hand gave each of us a dose and we at once felt the effects. I procured a bottle and before using the entire contents we were entirely cured. It is a wonderful remedy and should be found in every household. H. C. Bailey, editor. For sale by Condon Pharmacy.

### Sacajawea Monument Fund.

Mrs. T. L. Nicklin, who acted as solicitor for the Sacajawea Monument Fund in Condon, has finished her work and reports the following collections: Mesdames Carson, Barker, Wood, Johnson, Mr. C. O. Mrs. Nicklin desires to cordially thank all who assisted in the work.

### Quick Arrest.

J. A. Gullidge, of Verbena, Ark., was twice in the hospital from a severe case of piles causing 24 tumors. After doctors and all remedies failed, Bucklen's Arnica-Salve quickly arrested further inflammation and cured him. It cures aches and kills pain. 25c. This remedy is for sale by Condon Pharmacy.

At about noon Friday a big smoke and blaze was seen from town over on the Mayville flat which proved to be a large barn on W. B. Pentecost's ranch. Mr. Pentecost was in town at the time and hurried home but of course did not reach there in time to be of any service in saving property the fire having burned out before he reached home. A number of horses were in the barn when the fire started but they were all saved. A lot of feed, derrick ropes, etc. were destroyed. The loss will aggregate about \$1,000. The fire was started by Mr. Pentecost's four-year-old son who by some means procured matches and unwittingly set fire to some loose straw near the barn.

### A Startling Test.

To save a life, Dr. T. G. Merritt, of Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes "a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c. Satisfaction guaranteed by Condon Pharmacy.

R. McKinney left Sunday morning for Astoria where he goes to attend the annual meeting of the Grand Lodge of Oregon I. O. O. F. He goes as a regular representative of Summit lodge No. 130.

Miss Joyce Herschner, the popular teacher who was injured at the school picnic Friday by a rock striking her in the eye, went to Portland Saturday to be treated by a specialist. The eye ball was injured and it is feared she may lose the sight of the organ.

There will be the regular services at the Baptist Church next Sunday morning and evening. Subject of the morning sermon, "The obligation of every Christian to be a missionary." Subject for the evening sermon, "Why some people read the Bible." Everybody cordially invited to attend these services.
