Triumphs of Modern Surgery.

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of deceased portions of the veins; anti-septic dressings are applied to wounds, bruises, burns and like injuries before inflammation sets in...

Startling Evidence.

Fresh testimony in great quantity is constantly coming in declaring Dr. King's New Discovery for Consumption, Coughs and Colds to be unequalled. A recent expression from T. J. McFarland, Monticello, Va., serves as example. He writes: "I had Bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles entirely cured me."

Not a Wheat Country.

A. S. Hollen returned Friday from a trip to Klamath Falls where he spent a couple of weeks ago to look over the country with a view to putting in a flouring mill. He found a good country he says, but not for his purpose. The country is being put under irrigation rapidly and as soon as water is put on the land the farmer turns his attention exclusively to growing alfalfa.

Worst of All Experiences.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Va. "For three years I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I'm completely recovered."

Thrown From a Wagon.

Mr. George K. Babcock was thrown from a wagon and severely bruised. He applied Chamberlain's Pain Balm freely and says it is the best liniment he ever used. Mr. Babcock is a well known citizen of South Plain, Conn. There is nothing equal to Pain Balm for sprains and bruises. It will effect a cure in one-third the time required by any other treatment.

Sued by His Doctor.

"A doctor here has sued me for \$12.50, which I claimed was excessive for a case of cholera morbus," says R. White, of Coos Bay, Ore. "At the trial he praised his medical skill and medicine. I ask of him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as I had good reason to believe it was, and he would not say under oath that it was not." No doctor could use a better remedy than this in a case of cholera morbus, it never fails.
