CONDON, GILLIAM CO., OREGON, THURSDAY, JUNE 16, 1904.

NO. 14.

EVENTS OF THE DAY

GATHERED FROM ALL PARTS OF THE TWO HEMISPHERES.

Comprehensive Review of the Important Happenings of the Past Week, Presented in Condensed Form, Most Likely to Prove Interesting to Our Many Readers.

Roosevelt desires Ambassador Choate to succeed Knox as attorney general.

John W. Minto has been appointed postmaster at Portland, to take charge July 1.

Perdicaris, the American held by Moroccan bandits, will soon be released.

The Japanese have dislodged Russian forces in a number of towns along the Liao Yang.

A waterpout in Oklahoma was the cause of three deaths and washed away many houses.

Kansas objects to being made the dumping ground for the objectionable Colorado unionists.

Many union miners are being deported from the Victor, Colorado, mining district every day.

Cripple Creek alliance has decided it will not try to break up the printers' union, fearing that the papers will suspend.

Four hundred school children were thrown in a mass at San Jose, Cal., by the breaking down of a platform in a theater. None were seriously injured.

The secretary of the Mineowners' association says the desire to make all join the union and not the eight hour day is the real issue in the Colorado trouble.

Postmaster Bancroft, of Portland, has resigned.

The American Medical association will meet in Portland in 1905.

The alleged leader in the Victor, Colorado, riots has been captured.

Attorney General Knox has been chosen to succeed the late Senator Quay.

The Victor, Colorado Citizens' alliance has resolved to make war on all unions.

In a battle between Colorado ranchers and train robbers one of the latter was killed.

Russia is not negotiating with Turkey for the passage of the Baltic fleet through the Dardanelles.

General Kuroki's movements are a puzzle to the Russians and they do not know what to expect next.

The mother of Lewis Etzel, the American correspondent killed by Chinese, has filed a claim for \$20,000 with China.

An attempt was made near Grants Pass to wreck a passenger train on the Southern Pacific. Ties placed on a curve were discovered by the engineer in time to prevent serious results.

No trace has been found of the Victor assassins.

General Kuropatkin, with his main force is at Liao Yang.

Chinese say that when the Russians abandoned Taky Kao they poisoned the water sources.

Union men say the Victor explosion was the work of the citizens' alliance and not of the union.

Another outrage has been perpetrated at Tangier in which a British subject was the victim.

If Panama rejects a gold standard, a hitch in the negotiations with the United States is sure to follow.

Colorado militiamen are scouring the hills around Cripple Creek and all union miners found are deported.

Freight handlers of San Francisco have gone on strike. The trouble is likely to spread to all affiliated unions.

The acting governor of Colorado has left it to Adjutant General Bell whether martial law is necessary in Teller county.

Lewis Etzel, an American correspondent for a London paper, has been killed by Chinese bandits, who mistook him for a pirate.

The Port Arthur channel is again open.

Mrs. Samuel Clemens (Mark Twain) is dead.

Russia fears a rising against the czar at Port Arthur falls.

Vice Admiral Togo has been promoted to be admiral.

The Japanese have found Tallenwan by completely mined and must delay landing.

Fire near Richmond, Va., destroyed 4,000,000 pounds of tobacco. Loss, \$600,000.

Reports have been sent out that both Japan and Russia have lost ships in a fight at Port Arthur.

Two riots in Victor, Colo., following the blowing up of non-union miners, resulted in two miners being killed and a number injured.

Thirteen non-union miners were killed at Victor, Colo., while waiting for a train. Three hundred pounds of dynamite was placed under the depot platform and fired by electricity by unknown persons. Troops have been ordered to the scene.

A Paris report says General Kuroki has been captured.

ONLY FIVE SHIPS CAN GO OUT.

Chinese Machinist Tells of Conditions at Port Arthur.

Chefoo, June 11.—A Chinese formerly employed in the machine shops at Port Arthur, who arrived here to-
brought three of the five sound ves-
sels. All the guns from the damaged
ships have been removed to the forts,
and the sailors from these ships have
gone to the front with the troops. The
Russian warships, which formerly
were painted black, are now painted
gray, as are the vessels of the Japanese
fleet. Russian torpedoboats leave
the harbor occasionally for half an
hour, but the larger warships cannot
get through the entrance.

The Russians are refusing permis-
sion to skilled workmen to leave Port
Arthur, but many are escaping. Little
work is being done in the machine
shops because of the confusion among
the workmen each time firing is
heard. One shell recently wrecked a
machine shop building, but did no
damage to the machinery. Another
shell wrecked the offices in the dock-
yard.

Three hundred and fifty mines have
been laid in the roadstead, and many
others have been placed around the
ships in the naval basin. Some of the
latter were exploded last week by
lighting, but no damage was done.

The Chinese who have come out of
Port Arthur complain of the treatment
accorded them by the Russian sol-
diers, declaring they were maltreated
if they did not supply the soldiers with
money and liquor. Villagers in the vic-
inity of Port Arthur are compelled to
supply the soldiers with rice, and Rus-
sian horses are being shot or a
wheat fields, destroying the crops.

Japanese spies who entered Port
Arthur last week distributed notices
assuring the Chinese liberal treat-
ment in case the Japanese were victo-
rious.

MINE IS CLOSED.

Colorado Troops Sent to Union Property to End Strike.

Victoria, Colo., June 11.—In a blood-
less assault made by 150 militiamen
and deputies, led by Adjutant-General
Sherman M. Bell on the Portland mine
today, the mine was indefinitely
closed, to be opened later on terms
which will prevent any workman
securing work without presenting satis-
factory working cards from the Mine-
owners' Association. General Bell
says the mine was closed because of
"military necessity," as the men
working in it were contributing to
the support of the strikers, and there-
by continuing the strike.

In the district, his proclamation also
states that dangerous men in the mine
should be held.

What promised to be the bloodiest
time the district ever saw passed
away as mildly as a summer shower.
Without the firing of a shot or a
harsh word, the General and his force
marched up to the mine, took posses-
sion, read the proclamation, concern-
ing the present disposition of the
mine and then left, with employees of
the company in charge of the plant.

Following the closing of the plant
and it was announced that the mines
would begin to reopen tomorrow, the
nonunion mines first and others later,
and that business is to be resumed in
the district at once. All miners who
want work must first secure a work-
ing card from the Mineowners' As-
sociation.

RUSSIANS WILL GUARD SHIPS.

No Stranger Will Be Allowed to Visit the Navy Yards.

Odesa, June 11.—Extreme meas-
ures are being taken to safeguard the
various Russian arsenals and ships.
All magazines are watched day
and night, and it would go hard with
any stranger found prowling around them,
as the orders to the guards are to
"shoot first and investigate after-
ward."

These exceptional measures are in-
spired by the fear that there will be
repetition of recent deliberate at-
tempts to wreck some of the warships
in the navy yards. The attempts are
believed to have been made by work-
men, who had been bribed by Japan-
ese agents, and as a result no work-
men are now permitted to enter the
yards or arsenals without a large
metal number, which they are com-
pelled to wear in a conspicuous posi-
tion to establish their identity.

Liberty Bell at St. Louis.

St. Louis, June 11.—The historic
Liberty Bell arrived here today in re-
sponse to the petition of 90,000 pub-
lic-school children of this city, and
will remain in the Pennsylvania build-
ing until the close of the World's
Fair. Accompanied by a squad of
mounted police and a long line of mil-
itary organizations, the famous old
bell was taken to the exposition, where
formal exercises were carried out.
The gates had been thrown open to
the school children of the city and
the day had been proclaimed as a hol-
iday by Mayor Wells.

Attack is Begun.

Indianapolis, June 11.—A special re-
solved by the News from its staff war
correspondent at Chefoo says: "The
long-contemplated attack by the Jap-
anese on Port Arthur began early this
morning. The Russian forces around
the beleaguered city were reinforced
by the troops which had garrisoned
Dahly and Kichon. The Russian
vessels in the harbor with their great
guns aided the land forces in repelling
the attack. The fighting still goes on."

Russians Entrenched Near Kalchuan.

Tientsin, June 11.—Ten thousand
Russian infantry, with several bat-
teries of artillery, are entrenched in a
strong position at Pochichuan, 12 miles
north of Kalchuan, and 35 miles from
Niu Chwang.

REPUBLICANS WIN

ENTIRE STATE TICKET ELECTED BY A BIG MAJORITY.

Democrats Successful in a Number of Counties on the Legislative and County Tickets—Local Option Will Carry by 2,000—Direct Primary Nominating Law Swept the State.

The republican plurality of Su-
preme Judge F. A. Moore has passed
22,000, and is still climbing. As the
complete returns come in the decli-
vation of the republican victory is
indicated. Food and Fair Com-
missioner J. W. Bailey is keeping up with
the head of the ticket.

In the First District Blinger Her-
mann is holding close to the 7000
mark, and it is evident that he will
reach this figure on the official count.
J. N. Williamson is climbing past
the 13,000 mark in the Second District.
Complete returns show steady gains,
as in the case of Hermann and Moore,
and it is evident that Mr. Williamson
will be returned to congress with the
largest plurality ever won by a repub-
lican.

Local option has swept the state by
a majority of more than 2500. The
majority of Multnomah county again
the measure has already been wiped
out, and the measure is making steady
gains. It will take the official count
to determine the majority won by the
advocates of the law.

The counties carried for local op-
tion are Baker, Benton, Clackamas,
Columbia, Crook, Douglas, Gilliam, Lin-
coln, Josephine, Klamath, Lane, Lin-
coln, Linn, Morrow, Polk, Sherman,
Tillamook, Umatilla, Union, Wheeler
and Yamhill. Standing with Mult-
nomah in opposition to the law are
Clatsop, Clatskanie, Malheur, Washing-
ton and probably Wasco and Grant.
Curry, Lake, Marion and Willamette
are yet to be heard from, but their vote
will not make any appreciable effect
on the result.

Direct primary nominating law has
carried the state by more than 25,000
plurality, and that of the state print-
er amendment is little less. Both
measures practically no opposition at
the polls.

The surprise of the election in the
First District was the defeat of D. L.
Kort, republican, by F. H. Hawk,
democrat, as representative by at-
torney. A recount may change the re-
sult.

A. C. Marsters, republican, is de-
feated for state senator in Douglas
county by O. P. Conshaw, democrat.
R. Robert Burns, democrat, joint
senator of the seventh district, com-
ing in Josephine county, is elected to the
legislature to a seat formerly held by a
republican, defeating R. W. Clarke.

In Washington county E. W. Haines
is elected over Sewell, the democrat
candidate.

Judge J. W. Hamilton, democrat, is
re-elected to the circuit bench in the
Second Judicial District, comprising
the counties of Douglas, Lane, Curry,
Benton and Lincoln.

Cook and Curry counties elect A. J.
Sherrwood, democrat, joint senator,
and Robert Smith, democrat, joint
representative. These seats were oc-
cupied by republicans in the last leg-
islature.

G. S. Wright, republican, defeats E.
E. Goucher, democrat, for joint sena-
tor of Tillamook, Lincoln and Yam-
hill counties.

William Galloway, democrat, has de-
feated B. L. Eddy for circuit judge in
the Third district, comprising Marion,
Linn, Yamhill, Tillamook and Polk,
by 700 votes.

E. L. Eddy, republican, is re-elected
state senator in Josephine, Lane
and Douglas by a good majority.

Eastern Oregon counties generally
have given the head of the republican
ticket good, and in most instances,
phenomenal majorities. Local condi-
tions brought about the election of
democrats to all county offices in a
number of instances, notably where
candidates were up for re-election who
had performed satisfactory service.

Umatilla's official figures give a re-
publican majority of 805. For dis-
trict attorney J. H. Ralor, democrat,
had a majority of 121 in his home
county, Umatilla, but Morrow county,
with a majority of 380, more than
overcame this vote and re-elected G.
W. Phelps, republican, of Heppner.

W. L. Bradshaw, democrat, is elected
judge of the seventh district, com-
prising Crook, Gilliam, Wasco, Sher-
man and Wheeler counties. After a
warm race with J. A. Collier, republi-
can, Frank Menefee, democrat, be-
comes district attorney of the same
district.

Later figures increase the lead of
Leroy Lomax, republican, over Sam
White for district attorney of the
Eighth district, which comprises Baker,
Union and Willamette.

Dr. W. G. Cole, republican, for joint
representative of Umatilla and Mor-
row, has a majority of 600 over F. B.
Holbrook, democrat.

In the Ninth district, George E. Dav-
is, judge, and J. W. McCulloch, dis-
trict attorney, both republicans, have
handsome majorities.

Complete returns from Multnomah
county show that C. W. Nottingham,
independent republican, is elected by
197. For district attorney Manning,
democrat, is elected by a large major-
ity, as is also Word, democrat, as
sheriff.

Lincoln County.

Toledo, June 8.—Complete returns
indicate that the republican state
and legislative nominees have received
majorities in Lincoln county rang-
ing from 200 to 400.

Polk County.

Dallas, June 8.—Complete unofficial
returns on the county ticket of Polk
county show the entire republican
ticket elected with the exception of
sheriff. Ford, the democrat nominee,
being elected sheriff by a majority of
356. Unofficial returns of the state and
district ticket, complete with the ex-
ception of three precincts, show the
entire republican ticket elected with
the exception of B. L. Eddy, who is
defeated by Galloway. For Circuit
judge by a majority of 92. Hermann
receives a 300 majority.

CANNOT AID PORT.

**Kuropatkin Says It is Impossible to Re-
lieve Port Arthur.**

Paris, June 9.—A St. Petersburg
dispatch quotes a general officer of
the Russian army as follows:

"Two days ago there was a confer-
ence between the Emperor and the
chief partisans of General Kuropatkin
and Admiral Alexieff. The latter
were active in an attempt to influ-
ence the czar to send an order to Ge-
neral Kuropatkin to advance at once
and relieve Port Arthur. The inten-
tion, of course, was to upset the dis-
position of troops, made by the mil-
itary commander-in-chief and compel
him to give battle, even at the risk of
defeat."

"Fortunately the good sense of the
emperor prevailed and he contented
himself with inquiring of General Ku-
ropatkin if the situation permitted of
his advancing to relieve the beleag-
uered stronghold, saying he wished it
could be done, but leaving it to his
general to decide. General Kuropat-
kin replied it was impossible at pres-
ent to do anything for General Stoese-
l and his command. Knowing him as
I do, I am certain that the commander-
in-chief would sooner have resigned
than to have executed an order which
might have brought disaster upon his
troops."

RUSSIANS DESPERATELY BOLD.

**Reconnoitering Parties Go to Any Length
to Get Information.**

Tokio, June 9.—According to the
Japanese correspondents with the
first army in Manchuria (Kuroki's),
the active Russian operations are lim-
ited to a series of skirmishes fought
by Cossacks and mounted infantry,
but which accomplished little else
than to occupy the attention of the
Japanese outposts. The Russians en-
gaged number hardly more than 600
men, supported by a mountain bat-
tery. Their operations extend through
the districts of Aiyang and Salmat,
and their object is to interfere as much
as possible with the Japanese provi-
sion trains. Their efforts have proven
fruitless, and no damage has been done
except the killing of a number of Jap-
anese troopers.

The Russian reconnoitering parties
are bold to the point of desperation.
They consist chiefly of a young officer
and a handful of men who are will-
ing to go to any length to secure in-
formation. They will ride boldly with-
in the Japanese lines, and, if discov-
ered, shoot their way out, endeavor-
ing to do as much damage as possible
before being killed or taken prisoners.

BELIEVE FLEETS MET.

**Steamers Passing Gulf of Pechili Sea
Flashes at Sea.**

Chefoo, June 9.—An impression pre-
vails here that a naval battle took
place last night in the Gulf of Pechili.
Passengers on steamers passing the
Liao Tsi Shan promontory at the
time did not hear any firing, while
reports come from Teng Chow of
heavy firing being heard there from
11 o'clock last night until 2 o'clock
this morning. Vessels from the Miao
Tao Islands confirm this report and
so do the residents of hills in the vic-
inity of this city who heard the firing
and saw flashes out at sea during the
night.

The fact that the Russians were en-
deavoring, June 4, to clear the road-
steads off Port Arthur of mines indi-
cates an intention upon their part
to give battle outside the harbor upon
the first favorable opportunity.

A Japanese correspondent returning
from Tallenwan says there is a per-
sistent rumor there that the Japane-
se battleship Yamashiro struck a mine off
that port recently and was sunk.
Chinese arrivals from Tallenwan are
unable to confirm the story.

Japanese Punishing Bandits.

Chefoo, June 9.—A fleet of junks
which has arrived from Dahly for
the purpose of buying stores for the
Japanese report having heard contin-
uous firing between Dahly and Port
Arthur for several days, Japanese
warships are making Dahly their
headquarters and are coming and go-
ing continuously. They take turns
guarding the entrance to Port Arthur.
The junks report Chinese are no longer
allowed to leave Port Arthur, and
that the Japanese are punishing the
bandits who raided Dahly and Tallen-
wan.

Japan May Have Got It.

Bridgeport, Conn., June 9.—A re-
port reached this city today that the
submarine boat Protector had been
shipped to Japan from New York, and
that four boats modeled after the
Protector are now under construction
at the works of the Newport
News Drydock & Shipbuilding Com-
pany. Bridgeport men interested in
the construction of these boats decline
to give any information as to what
purpose they will serve, but they are
not discouraged as they expect a
large late run the same as last year.

Third Pacific Squadron.

St. Petersburg, June 9.—Grand
Duke Alexei, commander-in-chief of
the navy, according to an apparently
reliable report, which, however, is not
officially confirmed, has obtained the
permission of the emperor to create
a third Pacific squadron from the
ships of the Black sea fleet, and per-
mission has already been obtained
from Turkey to take the ships through
the Dardanelles on the condition that
they will not return.

HAPPENINGS HERE IN OREGON

PROMISE OF A BIG CROP.

**Umatilla Wheat Fields are in a Flourish-
ing Condition.**

PENDLETON.—Based on reports
from the various sections of the coun-
ty, the wheat crop, conservatively es-
timated, will amount to more than
5,000,000 bushels. The condition of
growing grain at the present time is
considered most satisfactory and un-
less the weather within the next three
weeks proves unfavorable, farmers
say this year's crop will reach 1,500,
000 bushels in excess of last year.

The wheat in the vicinity of Pen-
dleton is quite far advanced, having
headed out several days ago. The
section of the county between Pendleton
and Athena, which is owned by the
Umatilla Indians, is an immense ex-
panse of waving grain. Thousands of
acres in this locality are rented by the
Indians to the large farmers at a
nominal
