William Barr, a former resident of this place and one of the pioneers of Condon, arrived on Sunday's stage from Thermopolis, Wyoming, of which place he is now a resident. He found many changes in Condon since leaving here several years ago.

An interesting communication from Mr. Will F. Allen on the importance of institute work and pointing out that it is the duty of every teacher to attend the annual institute, was unavoidably crowded out this week. Mr. Allen is a successful teacher and his ideas on this subject are good.

A lively runaway occurred Sunday afternoon when W. L. Wilcox's horse, attached to a single buggy, got loose at the Burnett place, three miles east of town. He ran to town and took the Fossil road and had almost reached Thirtyville when he was stopped by George Gibbons Jr. and returned to town. Strange to say the horse was not hurt in the least and the damage to the buggy was slight.

## CONTRACT IS LET

Pacific Coast Construction Company the Lucky Bidders

## RAILROAD NOW ASSURED.

Road to be Completed by January 1, 1905.

The most welcome news to reach Condon in many a day was the announcement made here last Friday that the contract had been let for the construction of the Arlington-Condon railroad.

The Pacific Coast Construction Company secured the contract and it is understood that the stipulation is made that the road must be completed by January 1st of next year. The contract covers all the construction work including grading, track laying, culverts, bridges etc. and the work must be done in the most thorough and substantial manner.

It is understood that subcontracts will be let and active work will commence as soon as grading outfits can be got on the ground.

### Jarvis-Shelton.

At 8:00 o'clock last evening, at the First Baptist church in this city, was solemnized the marriage of Miss Pearl, the accomplished daughter of Mr. and Mrs. A. J. Shelton, to Mr. Pearl Percival Jarvis. Both the high contracting parties are well and favorably known here the bride being a former successful teacher in this city and county and a leader in the church, lodge and social life of the town, while the groom is one of our most popular young men, of exemplary habits, genial and honorable. He is at present filling the responsible position of chief deputy in the county clerk's office.

The church, which was beautifully decorated with flowers and evergreens, was filled to its utmost capacity with the friends of the happy couple the occasion being one of the most elaborate ever witnessed in this city. Rev. J. E. Austin of Arlington, pronounced the words which made two hearts beat as one and Miss Lilla Clarke, played the wedding march. The bridesmaids were Miss Iva Spelton, sister of the bride, Miss Catherine Schott, of Rock creek, and Miss Jean Barker, of Condon. B. A. McCully, Jas. D. Burns and Ira Luna acted as groomsmen. Josie Barker and Katie Clarke were flower girls and Master Bryant Shelton, five-year-old brother of the bride, was ring bearer.

After the ceremony a reception was tendered Mr. and Mrs. Jarvis by the ladies of the Degree of Honor, in the large ball room in the Armory hall building. These congratulations were tendered the bride and groom, a few choice musical selections were rendered and light refreshments were served.

Mr. and Mrs. Jarvis expect to leave today for a camping trip in the mountains where they will spend their honeymoon. Upon their return they will begin house keeping in the Dysart residence on Church street where they will be at home to their friends after September 15th.

When troubled with constipation try Chamberlain's Stomach and Liver Tablets. They are easy to take and produce no griping or other unpleasant effect. For sale by Jarvis' Pharmacy.

### Will Start Dynamo.

W. N. Brown, of the Condon Milling Co., has announced that he expects to start up the electric lighting plant in connection with the mill about October 1st. The plant was put in and operated for a short time last winter but on account of the high price of fuel and the lack of sufficient patronage the service was discontinued. The company secured a 25 year franchise from the city which Mr. Brown claims is still in force the plant having been started within the specified time.

In Praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

"Allow me to give you a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mr. John Hamlett, of Eagle Pass, Texas. "I suffered one week with bowel trouble and took all kinds of medicine without getting any relief when my friend, Mr. C. Johnson, a merchant here, advised me to take this remedy. After taking one dose I felt greatly relieved and when I had taken the third dose was entirely cured. I thank you from the bottom of my heart for putting this great remedy in the hands of mankind."

### A Card.

We wish to refute the unwarranted assertion made by Rev. W. S. Strange in the pulpit of the Congregational church Sunday, August, 21st, to the effect that our society served ice cream for the dance Saturday evening, August 20th., as being entirely without foundation. While it is true that we served refreshments during the afternoon and evening of the date above mentioned it is also true that our arrangements were made without knowledge that a dance would be given. However, in dealing with the public on that occasion, we did not attempt, nor had we any desire to discriminate against dancers nor any other class of respectable citizens.

BAPTIST LADIES' AID SOCIETY.

### Sour Stomach.

When the quantity of food taken is too large or the quality too rich sour stomach is likely to follow and especially so if the digestion has been weakened by constipation. Eat slowly and not too freely of easily digested food. Masticate the food thoroughly. Let 5 hours elapse between meals and when you feel a fullness and weight in the region of the stomach after eating take Chamberlain's Stomach and Liver Tablets and the sour stomach may be avoided.

Of the product of this well-known brewery the United States Health Reports for June 28, 1900, says: "A more superior brew never entered the laboratory of the United States Health reports. It is absolutely devoid of the slightest trace of adulteration, but on the other hand is composed of the best of malt and of choicest of hops. Its tonic qualities are of the highest and it can be used with the greatest benefit and satisfaction by both old and young. Its use can conscientiously be prescribed by the physicians with the certainty that a better, purer or more wholesome beverage could not possibly be found."
