THE CONDON GLOBE.

THURSDAY SEPTENGER 15, 1904.

The announcement that the State Board of Portage Commissioners have reached an agreement with the Open River Association by which the construction of the portage road will be turned over to the last named organization, is welcome news to the people of the Inland Empire. The further statement that work will begin at once and rushed to completion sounds good to all bunchgrassers.

Fearful Odds Against Him.

Bedridden, alone and destitute. Such, in brief, was the condition of an old soldier by name of J.J. Havens, Versailles, O. For years he was troubled with Kidney disease and neither doctors nor medicine gave him relief. At length he tried Electric Bitters. It put him on his feet in short order and now he testifies: "I'm on the road to complete recovery." Best on earth for Liver and Kidney troubles and all forms of Stomach and Bowel complaints. Only 50c. Guaranteed by Condon Pharmacy.

Mrs. J. M. Downing and her little daughter left Friday morning for Olds, Alberta, to join her husband who has located there in the stock business.

Emergency Medicines.

It is a great convenience to have at hand reliable remedies to use in case of accident and for slight injuries and ailments. A good liniment and one that is fast becoming a favorite if not a household necessity is Chamberlain's Pain Balm. By applying it promptly to a cut, bruise or burn it allays the pain and causes the injury to heal in about one-third the time usually required and, as it is an antiseptic, it prevents any danger of blood poisoning. When Pain Balm is kept at hand a sprain may be treated before inflamation sets in which insures a quick recovery.
