

THE IMPERIAL PULVERIZER
Clod Crusher, Roller and Leveler.

The above cut shows the Imperial Pulverizer in three sections. Made in all sizes. This machine will do better work than any land roller on the market, as it will pack the sub soil and leave the ground in small ridges, which will prevent the soil from drifting and blowing off from the grain, and will leave the ground in a fine condition for seed bed. Read below what Mr. W. M. Barnett has to say for this roller.

MR. BARNETT'S TESTIMONIAL.

Messrs. Oregon Trading Co.,
Wasco, Oregon,
Gentlemen:—

You said you would like to hear from me in regard to the Peterson Land Roller you let me have this spring to try on my field north of Wasco. I need the roller on 50 acres that I finished sowing on the 10th day of May. On the 30 acres that I rolled I got double the stand and double the amount of wheat that I did from the land which I did not roll. On the land which I did not roll the wheat was a poor stand and did not stool near so well as the other. It fell over and tangled up so that it was hard to save with the header. The 50 acres that was rolled was a good stand and all stood up in fine shape to cut, and the ground was in excellent condition for the header, it was packed solid which made it very easy for my teams. I consider it the lightest draft and one of the best farm tools I ever used. It is a land roller in every sense of the word; it packs the ground below the surface, while other surface rollers only pack it on top. Where the land is light and sandy and likely to dry out it is the best tool on earth. I cannot speak to highly of your roller, and expect to order one or two from you as soon as you get your car in. Frost cannot hurt your wheat if you use the roller. You can refer any farmer to me, as I cannot recommend it too highly.

Yours very truly,
W. M. BARNETT.

Simmons-Livingston.

Prof. Henry Simmons, principal of the Mayville public school, and Miss Bernetta Livingston, of near Corvallis, were married Sunday afternoon at the home of Mr. and Mrs. Pearl Jarvis, in this city, Rev. Edward Curran performing the ceremony. Mr. Simmons is one of the most highly respected young men of this county and has been successfully engaged in teaching for several years. His bride has also been a successful teacher in Grant county where her father filed the office of sheriff a few years ago. The happy couple will reside at Mayville. The GLOBE joins their many friends in wishing them a happy and prosperous life.

A noon show was pulled off in Armory hall last Saturday evening which is said by those present to take the cake for general business. In addition to the admission fee taken at the door one boxon wench, at the close of the program took up a 4 bit offering from those present who desired to remain for the after meeting at which the beauties of the Huccha Koocha dance were demonstrated by the boxon one. It is said an even 100 staid and respectable citizens invested in the performance and that the scramble among the bald heads and gray beards for front seats amounted almost to a riot. Only one man has been found who admits having been there and he claims that all induced him to remain was that he thought the show a hammer and did not care to lose any of his 4-bits worth.

Testimony of a Minister.

Rev. Jno. S. Cox, of Wake, Ark., writes: "For 12 years I suffered from Yellow Jaundice. I consulted a number of physicians and tried all sorts of medicines, but got no relief. Then I began the use of Electric Bitters and feel that I am now cured of a disease that had me in its grasp for twelve years." If you want a reliable medicine for Liver and Kidney trouble, stomach disorder or general debility, get Electric Bitters. It's guaranteed by all druggists. Only 50c.
