INA NEW FORM.

In an enlarged and improved form the **GLOBE** goes to its readers this December morning carrying with it greetings of good will to every resident of grand old Gilliam county and to every friend who may scan its pages in whatever county or state.

Rapidly changing conditions in Condon and Gilliam county within the past few months have made necessary radical changes in the **GLOBE** plant and these changes have been made only after the expenditure of a considerable amount of money and a large amount of hard work. While the publisher is pleased with results, so far, he is not yet satisfied with the appearance of the paper there still being a number of imperfections which will require time, patience and further expenditure of lucre and labor to remedy.

For nearly seven years the **GLOBE** has been conducted by the present owner and while during a portion of that time its course has been against a turbulent current and among many hidden snags its business has gradually increased until it is enabled to adapt itself to the present changed conditions of the town.

The paper will continue to pull for Condon and Gilliam county with renewed energy and, we believe, is in a better position than ever before to do effective work along that line. Believing this as we do we have no hesitancy in asking the hearty cooperation of every citizen in the work of advancing the material interests of the best little county in the Inland Empire. In the consummation of this work we will all be winners. What more can be said; what more can be asked?

Let us not look into the past; it will not return again. Let us improve the present while it is here and go forward to meet the future which is beckoning to us, laden with golden promise.

RECTOR OF ST. LUKES,

Ashburnham, Ontario, Testifies to the Good Qualities of Chamberlain's Cough Remedy.

ASHBURNHAM, Ont., April 18, 1903.—I think it is only right that I should tell you what a wonderful effect Chamberlain's Cough Remedy has produced. The day before Easter I was so distressed with a cold and cough that I did not think to be able to take any duties the next day, as my voice was almost choked by the cough. The same day I received an order from you for a bottle of your cough Remedy. I at once procured a sample bottle, and took about three doses of the medicine. To my great relief the cough and cold had completely disappeared and I was able to preach three times on Easter Day. I know that this rapid and effective cure was due to your Cough Remedy. I make this testimonial without solicitation, being thankful to have found such a Godsent remedy. Respectfully yours,
E. A. LANGFELDT, M. A.,
Rector of St. Luke's Church,
To Chamberlain Medicine Co.

Be Quick.

Not a minute should be lost when a child shows symptoms of croup. Chamberlain's Cough Remedy given as soon as the child becomes hoarse, or even after the croupy cough appears, will prevent the attack. It never fails, and is pleasant and safe to take.
