Invites Consumption

It weakens the delicate lung tissues, deranges the digestive organs, and breaks down the general health.

It often causes headache and dizziness, impairs the taste, smell and hearing, and affects the voice.

Being a constitutional disease it requires a constitutional remedy.

Hood's Sarsaparilla

Radically and permanently cures catarrh of the nose, throat, stomach, bowels, and more delicate organs.

An Insinuation.

"I wonder if the angels ever smoke?" queried Bateman, as he filled his trusty meerschaum and applied a match. "No, I think not," replied Mrs. Bateman, "but according to tradition the other fellows do."

Cream, Ark., Nov. 7 (Special)—After eighteen months suffering from Epilepsy, Backache and Kidney Complaint, Mr. W. H. Smith of this place is a well man again and those who have watched his return to health unhesitatingly give all the credit to Dodd's Kidney Pills. In an interview regarding his cure, Mr. Smith says:

"I had been low for eighteen months with my back and kidneys and also Epilepsy. I had taken everything I knew of and nothing seemed to do me any good till a friend of mine got me to send for Dodd's Kidney Pills. I find that they are the greatest medicine in the world, for now I am able to work and am in fact as stout and strong as before I took sick."

Dodd's Kidney Pills cure the Kidneys. Cured Kidneys cleanse the blood of all impurities. Pure blood means good health.

CHRONIC SORES

Wheeling, W. Va., May 23, 1903. Some years ago while at work, I fell over a truck and severely injured both of my shins. My blood became poisoned as a result, and the doctor told me I would have running sores for life, and that if they were healed up the result would be fatal. Under this discouraging report I left off their treatment and resorted to the use of S. S. S. Its effects were prompt and gratifying. It took only a short while for the medicine to entirely cure up the sores, and I am not dead as the doctors intimated, nor have the sores ever broke out again. Some 12 years have elapsed since what I have described occurred. Having been so signally benefited by its use I can heartily recommend it as the one great blood purifier.

JOHN W. FUNDIS.

Chronic sores start often from a pimple, scratch, bruise or boil, and while salves, washes and powders are beneficial, the unhealthy matter in the blood must be driven out or the sore will continue to eat and spread. S. S. S. reaches these old sores through the blood, removes all impurities and poisons, builds up the entire system and strengthens the circulation. S. S. S. is a blood purifier and tonic combined. Contains no mineral whatever but is guaranteed purely vegetable. If you have an old sore write us and our physicians will advise without charge. Book on diseases of the Blood free.

An Opinion of Lawyers.

"Now, Jimmie, when you're on the witness stand be sure and tell the truth," said the father to his son, before the trial.

"But, father—" began the boy, who saw conviction staring them in the face if the truth was told.

"But nothing, my boy," broke in the parent; "you tell the truth, I say! The lawyer will do lying enough for all of us!"—Yonkers Statesman.

Two Points of View.

"An empty barrel gives the loudest sound," said the philosopher. "That's where you go lame," rejoined the politician. "During the political campaign a well-filled barrel talks the loudest. See?"

Catarrh Cannot be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials free. J. C. HENRY & CO., Props., Toledo, O. Almond Pudding.

This is made with a heaping quart of grated bread crumbs, rather firmly packed; two teaspoonfuls of baking powder, a scant three-fourths of a quart of milk, a cup of sugar, a cup of sweet almonds, blanched and shredded; a quarter of a pound of citron, also shredded; the whites of four eggs, and from ten to fifteen drops of almond extract. The bread crumbs should be thoroughly mixed with the baking powder, and then the citron, nuts, sugar, extract and milk added. Fold in last the whites of the eggs, stiffly whipped, and bake in a steady oven for over an hour, or until it is a rich brown and thoroughly done in the center. Serve the pudding hot, with hard sauce, flavored with almond extract. This pudding can be baked in individual molds, which should be buttered and sugared, or in an ordinary pudding dish. It will not need to bake so long if in small cups.

French Cup Custard.

One quart sweet milk; place on the fire to boil, with the fresh peel of a lemon; when it boils, remove from the fire and let it cool. When cool, remove lemon peel from milk and stir into it four well beaten eggs, ten tablespoonfuls granulated sugar, and a pinch of salt. Fill cups two-thirds full of custard, place in a steamer over a kettle of boiling water, and steam until custard is firm, turning steamer occasionally. If fresh lemon peel is not at hand, a teaspoonful of lemon extract may be added to the custard before filling the cups. Cup custard, steamed in this manner, is much superior to the old-fashioned mode of baking in the oven, in a pan of water.

Sweet Buns.

Two quarts flour, one teacup sugar, two eggs, half teacup butter, one pint good yeast. Mix to a stiff batter with sweet milk, luke warm. Knead into a smooth dough; let rise over night. In the morning roll out upon the molding board, cut with biscuit cutter into little cakes, place in baking tins, let rise one hour. Just before baking brush the top of each cake over with a little sweet milk. This causes the buns to take a nice brown. Bake carefully, but not until dried. These buns are a delicate accompaniment to a cup of tea or coffee.

Fresh Fish Cakes.

Have ready mashed potato, either hot or cold, and to two cups of this allow two tablespoonfuls of butter and one egg. Put with the potato an equal quantity of flaked fish—baked or boiled—and mix thoroughly. If there is no fish sauce with which to moisten the mixture and it seems too stiff, soften it with a very little milk. Form into cakes, fry slices of bacon in their own fat, and after taking them out fry the cakes in the fat that is left in the pan. Keep the bacon hot while the cakes are cooking, and serve it on the same dish with the fish cakes.

Canned Corn Patties.

Take one can of best sweet corn and chop fine in a chopping tray. Add two beaten eggs, to which has been added two tablespoonfuls of milk, a tablespoonful of salt, a half tablespoonful of pepper and two even tablespoonfuls of flour. Beat well and fry on a griddle in a tablespoonful of mixed lard and butter, dropping one spoonful for each patty. Fry brown on both sides and serve hot.

Brunswick Toast.

For this purpose use small bits of bread—white, graham, or brown bread will answer, or a mixture of all. Butter rather thickly all the little pieces, place in an earthen pan with bits of butter among bread. Salt a little and cover with milk. Let boil, then serve hot. A nice way to use small pieces of bread.

Potato Rolls.

Mash, or grate very fine, cold boiled potatoes; to three teacups of potato, add half teacup of butter, two eggs beaten until stiff, two tablespoonfuls of flour, a teaspoonful of baking powder, one-half teacup sweet milk, a half teaspoonful of pepper, a little salt. Beat well together and bake in roll pans.

Chocolate Frosting.

Beat white of one egg to a stiff froth, add eight tablespoonfuls powdered sugar, one ounce, or a square of Baker's chocolate, finely grated, one teaspoonful vanilla extract. Spread smoothly over the cake, and place in the oven until hardened.

Corn Gems.

Sift together one pint of cornmeal, one pint of flour and two teaspoonfuls of baking powder. Add one-third of a pint each of milk and water. Mix into a firm batter and fill greased gem pans two-thirds full.

Son of a Samurai.

Admiral Togo was third son of Togo Kichizaemon, an admiral of the clan of Satsuma, and the father gave him the name of Heihachiro. He was born at Kogoshima on the 14th day of the 10th moon of the year of grace 1857. The gracious period of Meiji (which by interpretation means the era of enlightened reign) began in 1868 A. D. That was also the birth date of the new Nippon. After the sacred tradition of a samurai family, his mother took him to the shrine of a guardian deity and placed him upon the altar as the offering to his country and to the sword, that he might defend the land of the gods. Like many another boy of a samurai family, his military training dates back far beyond his memory.—Century.
