Lone Rock.

Rev. Oason is holding revival meeting at the Baptist church.

Everyone in this locality seems happy and prosperous which no doubt comes from living in the most delightful climate on earth. Eastern Oregon can't be beat.

Ervin Wilks moved his family to Lone Rock the fore part of the week where they expect to reside permanently. Mr. Wilks has bought D. Z. Robinson's mail contracts for Fossil and Condon to Lone Rock.

Some of the city dads got together and transacted some business last week in the way of granting a saloon license to W. R. Roberts which has stirred up the local option people like a school boy pestered by hornets. There seems to be little doubt that the recipient of the license will have a red hot time operating his business in this prohibition town.

A system of barbed wire telephones has been put in operation extending from D. C. Andrews' farm 5 miles south of Lone Rock to George Perry's place on Rock Creek a distance of 14 miles with 'phones attached from every direction. The last 'phones attached were those of Jerry Vickers, J. B. Goff and D. C. Andrews. This line will soon be connected with the line that comes out from Heppner to Eight-mile.

Attorney D. R. Parker, of Condon, conducted a case before Justice Crawford's court in Wheeler county last week and won the case. While waiting for the jury to decide the case this distinguished attorney got hold of Joe Crawford's fiddle and caused sweet music to roll forth like barbed wire from a hay wagon. Some of the jury claim they got rattled listening to the music and didn't give the verdict they intended to. But all is fair in and love war.

Ajax.

L. L. Turney is seedling land on J. W. Jackson's ranch.

Oscar Simmons and George Crum are hauling wheat to Condon this week for F. M. Barnison.

The new residence of A. K. York has been completed and Mr. York has moved in. He has one of the most complete residences in the county.

A pleasant dance was given at Mr. Barnison's new residence last Thursday evening. A large crowd was present and a most enjoyable evening was spent.

Mrs. Geo. Crum is visiting with her sister Mrs. Pat McDonald, at Waco. Mrs. McDonald is the widow of the late Pat McDonald who recently died at The Dalles.

Ira B. Carter, the Mayville philosopher was in town Monday on his way from a business trip to Ferry Canyon. Mr. Carter is not feeling well being much depressed because of the near approach of the end of leap year and the fact that he is still a standing candidate for matrimony. He cannot understand why the ladies have trifled away another year of golden opportunity of securing a good husband but being a democrat he will continue to live in hope of what will surely happen in 1908.

RECTOR OF ST. LUKES.

Ashburnham, Ontario, Testifies to the Good Qualities of Chamberlain's Cough Remedy.

ASHBURNHAM, Ont., April 18, 1903.—I think it is only right that I should tell you what a wonderful effect Chamberlain's Cough Remedy has produced. The day before Easter I was so distressed with a cold and cough that I did not think to be able to take any duties the next day, as my voice was almost choked by the cough. The same day I received an order from you for a bottle of your cough Remedy. I at once procured a small bottle, and took about three doses of the medicine. To my great relief the cough and cold had completely disappeared and I was able to preach three times on Easter Day. I know that this rapid and effective cure was due to your Cough Remedy. I make this testimonial without solicitation, being thankful to have found such a Godsent remedy. Respectfully yours,
E. A. LANGFELDT, M. A.,
Rector of St. Luke's Church.
To Chamberlain Medicine Co.
This remedy is for sale by Jarvis' Pharmacy.

Be Quick.

Not a minute should be lost when a child shows symptoms of croup. Chamberlain's Cough Remedy given as soon as the child becomes hoarse, or even after the croupy cough appears, will prevent the attack. It never fails, and is pleasant and safe to take.
For sale by Jarvis' Pharmacy.
