THURSDAY, JANUARY 5, 1905

Senator Mitchell and Congressman Herman have both been indicted by the federal grand jury at Portland for complicity in the land frauds. Mayor Williams and Chief of Police Hunt are about to be indicted by the Multnomah county grand jury for malfeasance in office. State senators F. P. Mays and George C. Brownell have been indicted in the federal court and many more victims are expected to be reported before the federal jury completes its labors. The private citizen who has never been "prominent" in politics or grafting is in big luck. It now looks as though Mr. Theodore Roosevelt is after this gang of land thieves with that "big stick" of his and so long as he keeps after them every good citizen, no matter what his politics, will heartily endorse his actions. It is not yet known whether or not these men are guilty but if they are so proven at their trial they should be punished as surely as would be a common tramp who might steal a loaf of bread or a few chickens with which to appease his hunger.

Ajax Notes.

Sore eyes have been going the rounds of the neighborhood.

Lloyd Leslie and Charles Burnison were visitors to Condon the first of the week.

Mrs. Geo. Crum, who has been visiting relatives at Wasco, has returned to her home.

Several of our farmers have started ploughing since the wet weather during holiday week.

L. L. Turney has been riding during the past week in the Ferry Canyon South of here, rounding up his range cattle for winter.

B. B. Brown is having a house built on his claim in this neighborhood, the work being done by Frank Burnison. Mr. Brown is also having considerable fencing done on his place.

Lone Rock.

The dance Monday night was largely attended.

Mrs. A. B. Stanley is dangerously ill with a combination of pleurisy and neuralgia.

Andy Johnson, a young merchant of Freewater, spent New Year's with friends in Lone Rock, returning to his home Monday.

Lester Goff went to Settle last Saturday, where he will join his brother Jesse who is now a resident of that city and will attend school the remainder of the Winter.

The last of the Old Year was celebrated here by a law-suit before Recorder Robinson, wherein the city of L. R. was plaintiff and Jim Kelly defendant. Attorney A. B. Stanley conducted the city's case while J. B. Goff looked after Mr. Kelly's interest. The complaint charged Kelly with simple assault on George Wick, while the evidence showed that it was a sort of a free pitchin mix-up. It was beyond dispute that Jim was a little top heavy and got a bit worsted, so the jury taxed the cost to the city and turned the defendant loose.

Captain Charles Wanzer, who was until recently at the head of the right of way department of the O. R. & N. Co., but who was recently superseded in that position by Mr. Morrow, has been appointed city engineer for the city of Portland. Capt. Wanzer is a competent engineer but he is taking up his new duties in strenuous times. A story has been going the rounds that the captain lost his position with the O. R. & N. Co., because of locating the starting point of the new railroad at Arlington instead of at a point a couple of miles from that town where it is said a prominent official of the company had secured a ranch upon which he expected to locate a townsite.

W. H. Brown, representing the Western Historical Publishing Co., of Spokane, is here soliciting orders for portraits of the new History of Central Oregon which is about to be published.

Found a Cure for Indigestion.

I used Chamberlain's Stomach and Liver Tablets for indigestion and find that they suit my case better than any dyspepsia remedy I have ever tried and I have used many different remedies. I am nearly fifty-one years of age and have suffered a great deal from indigestion. I can eat almost anything I want to now.—Geo. W. Emory, Rock Mills, Ala. For sale by Jarvis' Pharmacy.

J. E. Lancaster, who with his wife went to California some time ago on a pleasure trip, writes from Santa Cruz that it is all good old summer time there and that they are enjoying their vacation perfectly. They do not expect to return to Condon until spring.

Spilled Her Beauty.

Harriet Howard, of 209 W. 34th St., New York, at one time had her beauty spoiled with skin trouble. She writes: "I had Salt Rheum or Eczema for years, but nothing would cure it, until I used Bucklen's Arnica Salves." A quick and sure healer for cuts, burns and sores. 25c at all druggists.

City Recorder W. A. Goodwin has rustled a new erler for his court. The young man arrived in town Friday evening and weighs somewhere between 8 and 20 pounds. Being a chip from the old block he may develop into a carpenter later.

F. Robinson, of Pendleton, has purchased a business lot on Main street just north of the mill on which he expects to build a good brick next summer. He also purchased a lot from Mr. Chabot, on the east side of Main street north of Campbell Bros. saloon.

Greatly in Demand.

Nothing is more in demand than a medicine which meets modern requirements for a blood and system cleanser, such as Dr. King's New Life Pills. They are just what you need to cure stomach and liver troubles. Try them. At all druggists, 25c, guaranteed.

Carl Marquardsen, formerly of the Condon Milling Co., writes from Newton, Kansas, to have the Globe forwarded to his address. Mr. Marquardsen is suffering from lung trouble and is in very feeble health. He has many warm friends here who will be pained to learn of his misfortune.

Mr. Wm. S. Crane, of California, Md., suffered for years from rheumatism and lumbago. He was finally advised to try Chamberlain's Pain Balm, which he did and it effected a complete cure. For sale by Jarvis' Pharmacy.
