Emperor Wilhelm, of Germany, is accused by the capitalists of his realm of being a socialist. At least he is charged with being a friend of labor and a foe of the trusts and is said to be bringing about many reforms for which the followers of Karl Marx have long contended.

District Attorney Manning, of Portland, says the members of the late grand jury of that county are d—d phools and the grand jury intimates that Mr. Manning's skirts may not be entirely free from the graftings and gambling scandals of that wicked city and there you are.

Persons looking for homes and business locations are coming into Condon every day lately and many of them go away again without investing because they cannot find locations in the present business district. These visitors should remember that the business of a town like Condon is fast growing to be cannot be restricted to one block and that next summer is bound to see a largely extended business district. Many of the new comers realize this and have made investments on blocks outside of the present business district and will erect good buildings on them in the Spring. Condon is the coming town of Eastern Oregon and don't you forget it.

The friends of Judge George H. Williams, of Portland, in electing him mayor of that city, spoiled a somewhat grand, dignified and imposing historical character to make what appears to be a mighty ordinary mayor. The once grand old man should have been allowed to remain in private life where his declining years could have been spent in peace away from the turmoil and nastiness of dirty city politics. His then honorable record would have remained un sullied and his memory would have been cherished as that of Oregon's most distinguished citizen. His recent record is not enviable and the citizens of Portland and Oregon can best condone it by believing that advancing years has so enfeebled his once magnificent powers as to make him an easy mark for the schemes of designing politicians.

Ajax Notes.

Roy Jenkins has sold his homestead, the price being \$1250.
 Oscar Simmons, George Crum and Chas. E. Hicks visited Condon Monday.
 Maley Bros. have purchased the House ranch, the consideration being \$1150.

A. K. York was at Condon last week where he bought team, wagon, harness and farming implements with which to farm his homestead.

Clarence Skinner and wife, left last week for Wasco where they will spend several weeks visiting friends. Mr. Skinner is teacher in the Ajax public school.

A dance will be given this evening at the home of F. Adlard, in honor of Miss Adlard who will leave shortly for an extended visit with friends in the Willamette valley.

The dance at the home of Mr. and Mrs. Geo. Crum did not materialize last Thursday evening as intended on account of the failure of Mrs. Crum to return from her visit at Wasco in time to make the necessary preparations.

M. Fitzmaurice the well known real estate hustler, of Moro, was here Monday with a Mr. McFall, of Corvallis. Mr. McFall is looking for a location for a first-class hotel and if a suitable site can be secured he expects to erect a modern brick building next Summer.

Goes to Salem.

Hon. Jay Bowerman left Friday for Salem to be present at the opening session of the legislature which met Monday morning. Mrs. Bowerman accompanied her husband to the capital city and will spend the Winter there with her husband. This is Senator Bowerman's first term in the state legislative body but he is known to be a tireless worker in whatever he undertakes and this fact together with his recognized ability and his knowledge of the needs of this section of the state make his friends feel confident that he will render a good account of himself during the session.

Found a Cure for Indigestion.

I need Chamberlain's Stomach and Liver Tablets for indigestion and find that they suit my case better than any dyspepsia remedy I have ever tried and I have used many different remedies. I am nearly fifty-one years of age and have suffered a great deal from indigestion. I can eat almost anything I want to now.—Geo. W. Embury, Rock Mills, Ala. For sale by Jarvis' Pharmacy.

Mr. Alexander, a special land inspector in the employ of the U. S. government, with headquarters at La Grande, was in the Fossil country last week looking after the interests of the government in the public lands of that section. A report is current here that many of the fences surrounding public lands in that neighborhood, which were opened by order of the government a year ago, were found by Mr. Alexander to have been rebuilt. If this report proves to be correct it is probable there will be further land investigations in that county in the near future.

Spoiled Her Beauty.

Harriet Howard, of 209 W. 34th St., New York, at one time had her beauty spoiled with skin trouble. She writes: "I had Salt Rheum or Eczema for years, but nothing would cure it, until I used Bucklen's Arnica Salves." A quick and sure healer for cuts, burns and sores. 25c at all druggists.

George B. Duke, Ira Carter, Henry Simmons and several other members of Mayville lodge were present at the installation of the I. O. O. F. lodge officers Saturday night.

Greatly in Demand.

Nothing is more in demand than a medicine which meets modern requirements for a blood and system cleanser, such as Dr. King's New Life Pills. They are just what you need to cure stomach and liver troubles. Try them. At all druggists, 25c, guaranteed.

A. S. Rice has closed a deal with New Madden for the meat market property now occupied by The Liberty Market. Mr. Boyd has a lease on the building until August and will continue to occupy it at least until that time.
