

The New Bank.

The new bank building is almost completed and it is expected the new institution will be opened in about 10 days. It will be known as the Gilliam County Bank and is organized under the laws of this state. S. B. Barker will be president of the new concern and C. O. Portwood will take the cashier's desk. Mr. Portwood is one of the most competent accountants in this section of the state and will no doubt fill this position of trust in an able and satisfactory manner. He is the present county clerk of this county and has given perfect satisfaction in that position. The incorporators of the new bank are: S. B. Barker, Jay Bowerman and C. O. Portwood, of this city and J. N. Teal and A. L. Lewis, of Portland.

Congratulations.

Mr. John H. Cullom, Editor of the Garland, Texas, News, has written a letter of congratulation to the manufacturers of Chamberlain's Cough Remedy as follows: "Sixteen years ago when our first child was a baby he was subject to croupy spells and we would be very uneasy about him. We began using Chamberlain's Cough Remedy in 1887, and finding it such a reliable remedy for colds and croup, we have never been without it in the house since that time. We have five children and have given it to all of them with good results. One good feature of this remedy is that it is not disagreeable to take and our babies really like it. Another is that it is not dangerous, and there is no risk from giving an overdose. I congratulate you upon the success of your remedy." For sale by Jarvis' Pharmacy.

The School Library.

The action of the teachers of our public school in starting a school library is commendable and worthy the support of all citizens. During the past week they have purchased an encyclopedia in fifteen volumes, a history of the world in twelve volumes and a natural history in five volumes. A good library is a most valuable adjunct to any modern school and it is to be hoped this one will continue to grow.

A Prisoner in Her Own House.

Mrs. W. H. Layha, of 1001 Agnes Ave., Kansas City, Mo., has for several years been troubled with severe hoarseness and at times a hard cough, which she says, "would keep me in doors for days. I was prescribed for by physicians with no noticeable results. A friend gave me part of a bottle of Chamberlain's Cough Remedy with instructions to closely follow the directions and I wish to state that after the first day I could notice a decided change for the better, and at this time after using it for two weeks, have no hesitation in saying I realize that I am entirely cured." This remedy is for sale by Jarvis' Pharmacy.

John McConnell, of near Mayville has sold his ranch consisting of 160 acres to J. M. Butler, of Umatilla county, the price being \$20 per acre. Mr. McConnell expects to seek some other location where his children will enjoy better educational advantages than they have in the past. He is in the Willamette valley this week looking for a location.

A Grim Tragedy

is daily enacted, in thousands of homes, as Death claims, in each one, another victim of Consumption or Pneumonia. But when Coughs and Colds are properly treated, the tragedy is averted. F. G. Huntly, of Oakland, Ind., writes: "My wife had the consumption, and three doctors gave her up. Finally she took Dr. King's New Discovery for Consumption, Coughs and Colds, which cured her, and today she is well and strong." It kills the germs of all diseases. One dose relieves. Guaranteed at 50c and \$1.00 by all druggists. Trial bottle free.

J. E. Whittaker and S. E. Irvine, of Independence, are here looking for a business location. If they can find a suitable location for business they may locate and engage in the clothing and gente furnishing line.

Mr. Wm. S. Crane, of California, Md., suffered for years from rheumatism and lumbago. He was finally advised to try Chamberlain's Pain Balm, which he did and it effected a complete cure. For sale by Jarvis' Pharmacy.

H. W. Storey, of Heppner, is here looking for a location for a general merchandise store.

Of the product of this well-known brewery the United States Health Reports for June 28, 1900, says: "A more superior brew never entered the laboratory of the United States Health reports. It is absolutely devoid of the slightest trace of adulteration, but on the other hand is composed of the best of malt and choice of hops. Its tonic qualities are of the highest and it can be used with the greatest benefit and satisfaction by both old and young. Its use can conscientiously be prescribed by the physicians with the certainty that a better, purer or more wholesome beverage could not possibly be found."
