Senator Bowerman is outspoken in his opinion that Senator John H. Mitchell should resign his seat in the senate and has also declared in favor of reconsidering the Rand resolution which was foolishly passed by the state senate expressing confidence in Mitchell. The senator is right. Everybody now knows that the senate made a collective striped ass of itself in passing the Rand resolution and if the members will do what they can to undo the thing they will stand better in the eyes of their constituents than they do now.

Trouble at Lone Rock.

A sort of Raso-Jap mix-up occurred at Lone Rock Saturday when Cy Bennett ran amuck and undertook to clean out the town. Cy had a thirst and Joe Foss, who is in charge of the liquid dispensary in that city, refused to furnish the requisite amount of the "oil of joy" to quench the same. Cy waxed wroth and went for his gun and returning pushed open the saloon door and took a shot at Joe who was behind the bar with no other weapon of defense than beer mugs and bottles. Luckily Dave Spalding was standing at one side of the door when the gun barrel gleamed through the crack and as the trigger was pulled he struck up the barrel, saving Joe from being punctured. Cy didn't like this unwarranted interference in what he seemed to consider a private matter and he struck Dave over the head with the rifle with considerable effect. Then, for a while there was a rough house. When the scrimmage ended Cy was hors de combat and he was carefully locked up in the city tank until the wreckage could be cleared away and before he could get in condition for another round. A charge of assault with a dangerous weapon with intent to kill was lodged against him and he was held to the grand jury. Deputy Sheriff Rodgers went up Monday and brought him to this place where he is now occupying quarters in the county jail.

A New Townsite.

C. A. Dammeman and James Larch, of Clem, were in town Monday on business connected with a new townsite which they are platting at that place. These gentlemen have secured a tract of land just east of George Welshons' home and will plat eight blocks of lots at once. County Surveyor McMorris went down Tuesday to survey the tract and it is expected the new city will soon begin to boom. It is said that the railroad company will locate a depot at that place. The new town will be called Clem.

Fraud Exposed.

A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for Consumption, Coughs and Colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit, through stealing the reputation of remedies which have been successfully curing diseases for over 35 years. A sure protection, to you, is our name on the wrapper. Look for it, on all Dr. King's, or Bucklen's remedies, as all others are mere imitations. H. E. BUCKLEN & CO., Chicago, Ill., and Windsor, Canada.

Williamson Indicted.

Congressman J. N. Williamson has been indicted by the federal grand jury for complicity in the Oregon land frauds. The charge is subornation of perjury in inducing others to file on land for the benefit of himself and partner, Dr. Van Gessner who are prominent sheepmen of Crook county. Van Gessner was also indicted on the same charge.

Agonizing Burns are instantly relieved, and perfectly healed, by Bucklen's Arnica Salve. C. Rivenbark Jr., of Norfolk, Va., writes: "I burnt my knee dreadfully; that it blistered all over. Bucklen's Arnica Salve stopped the pain and healed it without a scar." Also heals all wounds and sores. 25c at all druggists.

Mrs. Ed McKinney was a passenger on Saturday's stage on her way to Pendleton where she will visit friends for a few weeks.

Chamberlain's Stomach and Liver Tablets. Unequaled for Constipation.

Mr. A. B. Kane, a prominent doggist of Baxter Springs, Kansas, says: "Chamberlain's Stomach and Liver Tablets are, in my judgment, the most superior preparation of anything in use today for constipation. They are sure in action and with no tendency to nauseate or gripe. For sale by Jarvie's Pharmacy."

Card of Thanks.

We take this means of expressing our appreciation of the assistance and sympathy extended by the friends and neighbors at Trail Fork during the long illness and at the time of the death and burial of our beloved wife and mother. Also to those friends at Condon who assisted with the funeral services and at the burial.

ALEX HARDIE,
W. H. COLWELL.

When You Have a Cold.

The first action when you have a cold should be to relieve the lungs. This is best accomplished by the free use of Chamberlain's Cough Remedy. This Remedy liquefies the tough mucus and causes its expulsion from the air cells of the lungs, produces a free expectoration and opens the secretions. A complete cure soon follows. This remedy will cure a severe cold in less time than any other treatment and leaves the system in a natural and healthy condition. It counteracts any tendency toward pneumonia. For sale by Jarvie's Pharmacy.

The recent cold snap must have frozen the water out of the whisky in this city if we are to judge by the effects of the booze while the mercury was hovering around the zero mark. Black eyes were plentiful, gun plays were not infrequent and ordinary swelled head was very popular in the morning.

As Others See Us.

In common with all the rest of the country Condon and vicinity is sadly afflicted with gripe and other winter time maladies just now.

A young son of Mrs. McDougal, who resides in Lancaster's addition, is seriously ill with rheumatism. He is also subject to alarming attacks of nose bleed.

J. W. Cookinham, a painter and paper hanger who came from the Valley last Fall became despondent last Saturday and took steps to end his life and his troubles by the pistol route. He borrowed a small gun and after securing some cartridges started out to say good-bye to his friends before pulling the trigger. He showed the pistol and declared his intention of becoming a citizen of the other world to some of his acquaintances but nobody took him seriously until he entered L. W. Darling's office in the Barker building where he was disarmed. Marshal Macy then took him in tow and placed him on file in the cold storage department of the city building where he reposed until Sunday. The man has been boozing heavily for some time and was evidently on the verge of delirium tremens.
