Ajax Notes.

Oscar Simmons and T. E. Scott were looking after business interests in Condon Monday.

F. M. Burninson was in Condon last week where he purchased a fine milk cow from J. A. Richmond.

Mr. and Mrs. Dave Kanegy expect to leave in a few days on an extended visit with relatives near Hubbard, Oregon.

Charley Marvel was looking after his stock in this neighborhood during the past week. During the summer Hugh Scott will take care of his cattle.

Ed Palmer spent several days the past week with his family. His last well in the Mayville country is down 240 feet. Operations were discontinued awaiting more cable.

Maley Bros. of this neighborhood have sold their fine stock ranch together with all their stock and improvements. The buyers are Sherman county people who paid about \$18,000 for the plant. Maley Bros. are among the oldest settlers in the Ajax country. They expect to go to Canada to resume stock raising.

Inflammatory Rheumatism Cured.

William Shaffer, a brakeman of Dennison, Ohio, was confined to his bed for several weeks with inflammatory rheumatism. "I need many remedies," he said. "Finally I sent to McCaw's drug store for a bottle of Chamberlain's Pain Balm, at which time I was unable to use hand or foot, and in one week's time was able to go to work as happy as a clam." For sale by Condon Drug Co.

H. W. Pauling, a former resident of Condon, and a well known druggist, came up from Portland Saturday and on Monday closed a deal with C. W. Crossfield for the purchase of the Condon Pharmacy. Mr. Pauling has many friends here who will be glad to see him return to become a permanent resident of this city.

A Favorite Remedy for Babies.

Its pleasant taste and prompt cures have made Chamberlain's Cough Remedy a favorite with the mothers of small children. It quickly cures their coughs and colds and prevents any danger of pneumonia or other serious consequences. It not only cures croup, but when given as soon as the croupy cough appears will prevent the attack. For sale by Condon Drug Co.

NOTICE OF SURVEY.

To J. C. Webb, W. N. Stevens, Ed Morgan, Arthur Pentecost, J. W. Pentecost, Milton Lewis, A. L. Kenaston, L. O. Kenaston, Geo. Rippey, John Crane, A. V. Lewis, Wm Northridge, Butte Creek Land, Livestock & Lumber Co., John Morgan, Geo. Angell, Kettie & Patterson, Wm Quinn, C. J. Quinn, Hill & Haley, Wm Keys, John Plarie, D. M. Walton, R. W. Crane, A. J. Mayfield, C. L. Little, Ed Stinchfield, Wm Davenport, Wm Werhlie, G. B. Mayfield, E. C. Schomp, U. F. Crane, A. J. Walker, Alva Jackson, Art Smith, Joe Anderson, John Lewis, W. A. Townsend, John Townsend, J. H. Stevens, B. Gaffney and Jessie Townsend.

I am called upon to make a survey of the lands in sections 13, 22, 23, 24, 25, 26, 27, 34, 35, 36, Tp. 5 S. R. 19 E. and Sections 6, 7, 18, 19, 30, 31, Tp. 5 S. R. 20 E. W. M., which requires the subdivision of these sections, the location of the corners thereof, and the restoring of the lost corners of these sections, if any.

Under the Oregon law all land holders who are affected by any survey must pay a proportionate part of the survey according to their respective interests.

You are hereby notified that said survey will begin at the S. E. corner of section 26, Tp. 5 S., Range 19 E. W. M., March 27, 1905, at 9 o'clock A. M.

Should bad weather, or other cause, prevent the survey from beginning at the hour named, then, in such case, the survey will begin as soon thereafter as circumstances will permit.

It is necessary, for the purpose of this survey, that all the section corners and all of the 1/4 corners be in place, and if they are not, they are missing, obliterated, or lost, and must be restored, if possible, on the identical spot where they were located by the government surveyors.

All landholders in Tps. 5 S. R. 19 and 20 E. will be affected by this survey if any of the corners in the first four sections named are lost or obliterated, and such landholders will hereby take notice of this survey.

A stone set up at the corner of a fence or under the fence cannot be taken as a known corner. It must have the distinguishing marks of the U. S. survey upon it in order to be accepted as an authentic corner.

Some persons take it upon themselves to bury a corner stone. No one has any authority to do this and such corners are to be treated with suspicion.

The county surveyor is authorized to take evidence, in regard to the locus of missing corners, when reduced to writing, and to consider line fences, or any other well established land mark, when not in conflict with better evidence. The locating of a missing corner by the field notes and measurements may throw you fences all on your neighbors. Therefore, the importance of producing evidence to show the true site of a missing corner.

Respectfully yours,
J. A. McMonnis, Co. Surveyor.

The Colonel's Waterloo.

Colonel John M. Fuller, of Honey Grove, Texas, nearly met his Waterloo, from Liver and Kidney trouble. In a recent letter, he says: "I was nearly dead, of these complaints, and, although I tried my family doctor, he did me no good; so I got a 50c bottle of your great Electric Bitters, which cured me. I consider them the best medicine on earth, and thank God who gave you the knowledge to make them." Sold, and guaranteed to cure Dyspepsia, Biliousness and Kidney Disease, by all druggists, at 50c a bottle.

The recent storm was only intended as a reminder that it cannot always be good old summer time during the month of March even in Gilliam county.

Treasurer's Notice.

All county warrants registered prior December 1, 1903, will be paid upon presentation at my office. Interest ceases January 8, 1905.

E. W. MOORE,

Treasurer of Gilliam county, Oregon.
