

Chamberlain's Cough Remedy the Best and Most Popular.

"Mothers buy it for croupy children, railroad men buy it for severe coughs and elderly people buy it for la grippe," say Moore Bros., Eldon, Iowa. "We sell more of Chamberlain's Cough Remedy than any other kind. It seems to have taken the lead over several other good brands." There is no question but this medicine is the best that can be procured for coughs and colds, whether it be a child or adult that is afflicted. It always cures and cures quickly. Sold by Condon Drug Co.

Mr. Bundy, of Minnesota, who invested in a tract of land on Beecher flat about three years ago, was here for several days recently looking over his possessions. He could sell the land and double his money at this time but prefers to hold it for a still further rise which he considers certain to come within the next year or two. He left for the east Monday morning but expects to return to Oregon later in the season to take in the Lewis and Clark Fair.

For a Weak Digestion.

No medicine can replace food but Chamberlain's Stomach and Liver Tablets will help you to digest your food. It is not the quantity of food taken that gives strength and vigor to the system, but the amount digested and assimilated. If troubled with a weak digestion, don't fail to give these Tablets a trial. Thousands have been benefitted by their use. They only cost a quarter. For sale by Condon Drug Co.
