

PERSONAL

O. W. Propst returned from Clino Falls Sunday.

A daughter was born to Mr. and Mrs. P. H. Stephenson yesterday morning.

Dr. Mary Bowerman was called to Rock creek Sunday evening to prescribe for Mrs. Schaffer who was quite ill.

E. H. Hutchinson, representing the Northwest Homeseeker and Investor, was here during the week in the interests of that publication. While here he secured considerable advertising from real estate firms and from the Condon Commercial Club.

F. J. Mahoney came in Monday from Tekoa, Washington to look after his interests here. With him were Messrs Gay Lombard and A. Cohn, of Portland, Corkery & Elliott, of Spokane, and A. A. Townley, of Tekoa, all looking for investments in farm lands and city property. All were highly pleased with the town and surrounding country.

Card of Thanks

We desire to express our thanks to our friends and neighbors for assistance and sympathy tendered during the illness and at the time of the death and burial of our beloved wife and mother. J. M. CARNINE AND FAMILY.

A local teachers' institute will be held at Mayville Saturday, April 22nd. An interesting program is being arranged by Superintendent McArthur and all teachers in this section of the county as well as all other persons who are interested in the cause of education are expected to be present.

If you believe that a real hardware store will be of benefit to the community we would suggest that you would call on Mr. Hunt who has just opened a brand-new stock of hardware, paints oils etc. in the old Hollenbeck building, on upper Main street, which he has had remodeled for that purpose. See his new display ad on another page.

E. G. Merrifield the well known artist has completed a fine picture of the county officials and the Gilliam county court house. The picture is a large one handsomely framed and attracted much favorable comment in the court house corridor where it was placed on exhibition during court week. It seemed that the people of the county never realized before seeing the picture what a particularly handsome lot of fellows they have elected to look after county business. Hereafter the male residents of the county will find it difficult to get to come to town to pay their taxes or attend to other matters at the court house because the women will want to come in their place. It was remarked that never before in the history of the county have so many of the fair sex attended sessions of court as during last week and it is believed that as a matter of fact this picture was more of a drawing card than was the evidence in the murder trial. County Clerk Portwood, being the only timid bachelor in the lot has taken precautions against being kidnapped by making himself scarce at the county building and fortifying himself down street. But they'll find him; that picture will surely terminate his happy, free bachelorhood.
