THURSDAY, MAY 25, 1905

The city campaign at Portland promises to wax exceeding warm before the election is over. Mayor Williams twits his opponent, Dr. Harry Lane with not having a proper conception of the duties of the mayor's office and the doctor comes back at the venerable mayor in a manner that reminds one of an old time hot tawala with tabasco dressing. Indications indicate that the mayor is "up against" a hard game and, while he may or may not be elected, it seems to be an easy guess that if he is he will know at the finish that Dr. Harry was in the race.

The Traveler's Aid Association, of Portland, composed of leading women of that city, is sending out broadcast warnings to young women and girls against coming to Portland to seek employment during the coming Summer. The supply of women clerks, stenographers etc., is said to already far exceed the demand in Portland, and living expenses will be higher during the exposition than at other times. Young women and girls who are unused to city life especially should be warned against the snares and pitfalls of such a city as Portland will be this summer and they should be guided by the advice of this association rather than by any flattering inducements which may be held out by unscrupulous persons who are interested in flooding the city with unsophisticated and unemployed girls during the exposition season.

A Good Suggestion.
Mr. C. B. Wainwright of Lemon City, Fla., has written the manufacturers that much better results are obtained from the use of Chamberlain's Colic, Cholera and diarrhoea Remedy in cases of pains in the stomach, colic and cholera morbus by taking it in water as hot as can be drunk. That when taken in this way the effect is double in rapidity. "It seems to get at the right spot instantly," he says. For Sale by Condon Drug Co.

W. A. and John T. Wann, of Eugene, representing the Mutual Life Insurance Co., of New York, are here in the interests of that company. They are both live rustlers in the insurance line and report business very good. Both gentlemen are highly pleased with the brilliant future which they believe is assured for Condon and this section of Eastern Oregon, and one or both of them will probably locate here permanently.

Chamberlain's Cough Remedy the Very Best.

"I have been using Chamberlain's Cough Remedy and want to say it is the best cough medicine I have ever taken," says Geo. L. Chubb, a merchant of Harlan, Mich. There is no question about its being the best, as it will cure a cough or cold in less time than any other treatment. It should always be kept in the house ready for instant use, for a cold can be cured in much less time when promptly treated. For sale by Condon Drug Co.

A. Cohen, of Portland, has purchased the Maurer ranch, east of Olex, the price being \$14 per acre. The tract comprises 700 acres. F. J. Mahoney & Co., of this city handled the deal.

Terrific Race With Death.
"Death was fast approaching," writes Ralph F. Fernandez, of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect, that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at all druggists; price 50c.
