

Cuban Diarrhoea.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon as will be seen by the following certificate from Mrs. Minnie Jacobs of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by Condon Drug Co.

T. C. Mobley, a well known resident and pioneer of Rock creek, was in the city last Friday on business. Mr. Mobley reports crops generally looking well in his vicinity but fruit and vegetables somewhat injured by the exceptionally late frosts. At the Wm. Head place, where the railroad crosses Rock creek, the fruit was very badly damaged while at Mr. Mobley's place, farther up the creek, but little damage was done.

Dying of Famine

is, in its torments, like dying of consumption. The progress of consumption, from the beginning to the very end is a long torture, both to victim and friends. "When I had consumption in its first stage," writes Wm Myers, of Cearfoss, Md., "after trying different medicines and a good doctor, in vain, I at last took Dr. King's New Discovery, which quickly and perfectly cured me." Prompt relief and sure cure for coughs, colds, sore throat, bronchitis, etc. Positively prevents pneumonia. Guaranteed at all druggists, price 50c and \$1.00 a bottle. Trial bottle free.

ADVENT—At the home of Mr. and Mrs. Pearl Jarvis, Sunday evening, May 28, 1905, a daughter. The new arrival is scheduled as weighing 11 pounds, net and the happy father, since the important event, tips the scales at 1111.
