THURSDAY, JUNE 8, 1905

COURT CONDON, NO. 5, F. OF A. MEETS 1st and 3rd Mondays of each month in Armory Hall lodge room. Visiting brothers are requested to meet with us. A warm welcome awaits you.  
 J. E. VAUGHN, F. S. A. B. SEASBY, C. R.

While at Celilo the other day, during the portage road ceremonies, Governor Chamberlain captured a diamond thief. What a pity the services of the governor could not be enlisted by the Portland police department for awhile.

Philadelphians now in Portland visiting the Fair are said to be enjoying their stay hugely. There is such a delightful odor of official and municipal corruption pervading the air of the Rose city since the last grand jury report that the honest tourists from the Quaker City feel perfectly at home.

If Portland grand juries continue to do business and following trial courts make the indictments stick Oregon will either have to enlarge her penitentiary or establish a penal colony somewhere. And, come to think of it, if this thing goes on who will be left to hold the offices and do the business of the city and state. Conditions are fast becoming serious.

In the extended reports of the opening of the portage road printed in the Portland dailies, but scant credit is given to two gentlemen, residents of Gilliam county, to whose efforts is largely due the inception, working out of details and final successful accomplishment of this important project. We refer to ex-County Judge W. J. Mariner and Mr. J. A. Smith, of Blalock. Much good black ink is spread in the repetition of the names of governors of distant states, senators, congressmen and other prominent people who, as a matter of fact, had no more to do with the promotion or building of the Oregon State Portage Railway than they had with the construction of the Suez canal, while that of Mr. Mariner appears once and that of Mr. J. A. Smith, of Blalock, president of the Open River Association not at all. Yet these men have done more of the preliminary work in the way of showing to the state of Oregon and the city of Portland the entire feasibility of the project as well as its great importance to the commercial development of the northwest than any other half dozen individuals. "What a big bear we killed," gleefully exclaimed the Dutchman, as he cautiously dropped from the garret after his wife had dispatched bruin with the axe.

### Huge Task.

It was a huge task, to undertake the cure of such a bad case of kidney disease as that of C. F. Collier, of Cherokee, Ia. but Electric Bitters did it. He writes: "My kidneys were so far gone, I could not sit on a chair without a cushion; and suffered from dreadful backache, headache and depression. In Electric Bitters, however, I found a cure, and by them was restored to perfect health. I recommend this great tonic medicine to all with weak kidneys, liver or stomach. Guaranteed by all druggists; price 50c."

James Heastin, a well known resident of the Lone Rock country, was in town during the week and was a pleasant caller at this office while in town. Mr. Heastin is a pioneer of this county and is one of the Globe's oldest subscribers.

### Monuments and Marble Work.

I wish to announce to the Condon public that I expect to establish a branch shop in Condon as soon as the railroad is completed and will then be prepared to furnish marble and stone work to my Gilliam and Wheeler county customers at a minimum figure. I am in this business to stay and every job I turn out is an advertisement of my business. I respectfully ask a continuance of past patronage and cheerfully guarantee every job entrusted to me.

9-11 LOUIE COMINI.

### Just What Everyone Should Do.

Mr. J. T. Barber of Irwinville, Ia., always keeps a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand ready for instant use. Attacks of colic, cholera morbus and diarrhoea come on so suddenly that there is no time to hunt a doctor or go to the store for medicine. Mr. Barber says: "I have tried Chamberlain's Colic, Cholera and Diarrhoea Remedy which is one of the best medicines I ever saw. I keep a bottle of it in my room as I have had several attacks of colic and it has proved to be the best medicine I ever used." Sold by Condon Drug Co.

### Found a Cure for Dyspepsia.

Mrs. S. Lindsay, of Fort William, Ontario, Canada, who has suffered quite a number of years from dyspepsia and great pains in the stomach, was advised by her druggist to take Chamberlain's Stomach and Liver Tablets. She did so and says, "I find that they have done me a great deal of good. I have never had any suffering since I began using them." If troubled with dyspepsia or indigestion why not take these Tablets, get well and stay well? For sale by Condon Drug Co.

Pat Skelly has retired from business and will go to Portland for the Summer where he will visit his little daughter who is in school there and take in the big Fair.

Nearly \$300 worth of Face Creams, Powders and Perfumes were recently ordered by Herman Pauling. When this stock arrives it will be "Ladies Day" at Pauling's all the time.

A freight team, a narrow grade and a shying horse caused an accident to the ball team as they came from Lone Monday morning. The carriage rolled down a 30-foot embankment and was badly wrecked but none of the players were hurt.
