

Cuban Diarrhoea.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon as will be seen by the following certificate from Mrs. Minnie Jacobs of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by Condon Drug Co.

Crops are looking fine. F. M. Burnison is building Mr. Hagood a new house.

A pleasant dance was given at the old Maley ranch last week.

Mrs. Brandon is very sick. She has been on the sick list for some time and does not improve.

Dying of Famine

is, in its torments, like dying of consumption. The progress of consumption, from the beginning to the very end is a long torture, both to victim and friends. "When I had consumption in its first stage," writes Wm Myers, of Cearfoss, Md., "after trying different medicines and a good doctor, in vain, I at last took Dr. King's New Discovery, which quickly and perfectly cured me." Prompt relief and sure cure for coughs, colds, sore throat, bronchitis, etc. Positively prevents pneumonia. Guaranteed at all druggists, price 50c and \$1.00 a bottle. Trial bottle free.

As fine a June rain as ever fell in Eastern Oregon set in Friday evening and lasted until seven or eight o'clock Saturday morning. The ground was thoroughly soaked and the last faint fear about the welfare of the late sown spring grain was dissipated.
