

**CHOLERA INFANTUM.**

Child Not Expected to Live from One Hour to Another, but Cured by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Ruth, the little daughter of E. N. Dewey of Agnewville, Va., was seriously ill of cholera infantum last summer. "We gave her up and did not expect her to live from one hour to another," he says. "I happened to think of Chamberlain's Colic, Cholera and Diarrhoea Remedy and got a bottle of it from the store. In five hours I saw a change for the better. We kept on giving it and before she had taken the half of one small bottle she was well." This remedy is for sale by Condon Drug Co.

D. F. Warren, state agent for the American Harrow Co., of Detroit, Michigan, with a force of men, is this week engaged in setting up and delivering a carload lot of harrows. The machine is a combination weeder and seeder and is claimed to work successfully on any kind of land.

**One Dollar Saved Represents Ten Dollars Earned.**

The average man does not save to exceed ten per cent of his earnings. He must spend nine dollars in living expenses for every dollar saved. That being the case he cannot be too careful about unnecessary expenses. Very often a few cents properly invested, like buying garden seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Colic, Cholera and Diarrhoea Remedy. It costs but a few cents and a bottle of it in the house often saves a doctor's bill of several dollars. For sale by Condon Drug Co.

The Celestial Medicine Co. have left after a stay of about ten in this city. How are your aches and pains?
