

LOCAL AND PERSONAL.

Dr. C. E. Kennedy and his brother Jim Kennedy visited Arlington during the week.

Geo. B. Duke, president of the Mayville Neversweat Club, was in town during the week doing his best to evade the harvest season at home.

The new depot building is nearing completion. It is a commodious structure but no more so than will be required to handle the heavy business at this point.

W. H. Morrison, formerly a popular clerk in Lord & Co.'s big store in Arlington, has resigned his position there and taken a place with the Arlington Warehouse Co. at this place.

Mr. and Mrs. W. G. Keys, of Mayville, were in town on business Friday. Mr. Keys is the senior member of the firm of Keys & Cushing, the leading Mayville merchants, and reports business very good in that lively town.

M. D. Carter has returned from Portland where he spent a week or so taking in the fair and looking after business matters. While in the city Mr. Carter ordered a complete set of abstract books and will shortly open an abstract office in Condon. He will also look after real estate, insurance, farm loans and notarial work.

Mr. and Mrs. A. J. Moore, of Texas, arrived Thursday to visit their parents, Elder and Mrs. A. B. Moore, and his brothers, sisters and other relatives in this vicinity. Mr. Moore is so favorably impressed with the manifold advantages of grand old Gilliam county that he may decide to close out his business in Texas and settle here permanently. He is a native of Montana and the northern country "looks good to him" after years of residence in the south.

Nothing on the Market Equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This fact is well known to druggists everywhere, and nine out of ten will give their customers this preparation when the best is asked for. Mr. Obe Witmer, a prominent druggist of Joplin, Mo., in a circular to his customers, says: "There is nothing on the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. We sell and recommend this preparation." For sale by Condon Drug Co.

The first big warehouse of the Gilliam Co. Milling Co. is now completed and wheat is being received daily. The building will hold something more than 100,000 bushels. When in operation the company's mills will grind about 1200 bushels every day.

A Warning to Mothers.

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by Condon Drug Co.

For Sale.
